Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fee schedules are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fees are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fees are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fee schedules are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Code	Description	Medical Review	Min Age	Max Age	Begin Date	End Date	Max Units	Fee	Fee Reduced

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Code	Description	Medical Review	Min Age	Max Age	Begin Date	End Date	Max Units	Fee	Fee Reduced

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fee schedules are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fee schedules are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fees are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fees are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fees are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fees are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Code	Description	Medical Review	Min Age	Max Age	Begin Date	End Date	Max Units	Fee	Fee Reduced

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fees are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fees are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Code	Description	Medical Review	Min Age	Max Age	Begin Date	End Date	Max Units	Fee	Fee Reduced

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fees are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fee schedules are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Mississippi Division of Medicaid

AMBULATORY SURGICAL CENTERS (ASC) FEE SCHEDULE

Print Date: October 9, 2020

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fee schedules are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2019 American Medical Association and © 2019 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Code	Description	Medical Review	Min Age	Max Age	Begin Date	End Date	Max Units	Fee	Fee Reduced
