Managed Care Provider Workshops

2020

Purpose of the 2020 Provider Workshop

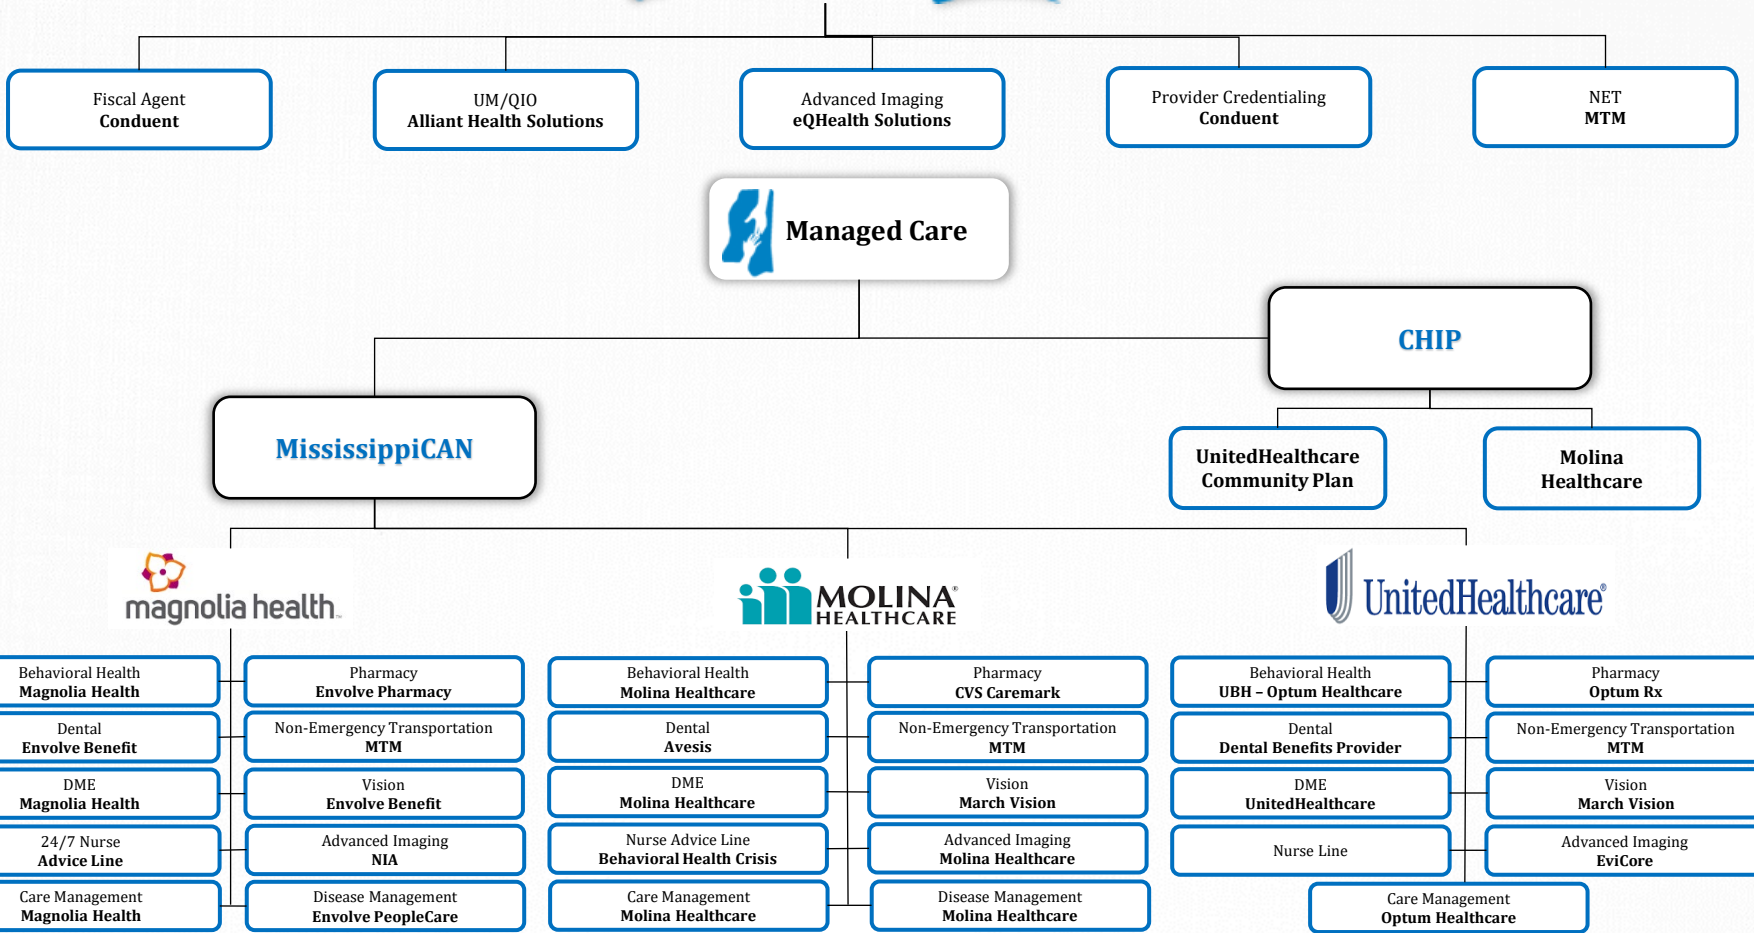

The purpose of today's provider workshop is to provide clarity and understanding for Mississippi Division of Medicaid Managed Care programs MississippiCAN and CHIP processes; to resolve provider and office managers' issues and concerns.

The Division of Medicaid in collaboration with the coordinated care organizations (CCOs) are ready to assist and help resolve issues and concerns.

Mission: *The Mississippi Division of Medicaid responsibly provides access to quality health coverage for vulnerable Mississippians.*

MississippiCAN Enrollment

When can Beneficiaries enroll in MSCAN?

- Beneficiaries not already enrolled may enroll throughout the year.

When is Enrollment effective?

- Enrollment is always effective at the beginning of the month and disenrollment is effective the last day of the month.
- *The exception is when beneficiary is transferred to a nursing home or waiver program.*

When can Members choose a CCO?

- After receiving initial notification letter, beneficiaries may choose a plan within 30 days or they will be automatically assigned to a CCO. Members may be added each month to Medicaid and MississippiCAN.

When can Members change CCOs?

- After initial enrollment with a CCO, every member will have a 90-day window to make changes.
- During the 90-day window, mandatory members may only switch **once** between CCOs.
- During the 90-day window, optional members may switch **once** between the CCOs or return to regular Medicaid.
- The open enrollment period each year (October – December) to allow members to make changes. *Changes go into effect January 1.*
