

## State of Mississippi

### Methods and Standards for Establishing Payment Rates – Other Types of Care

---

---

#### Therapy Services (provided in a non-hospital setting)

Physical therapy services – Reimbursement is made from a Mississippi Medicaid statewide uniform fee schedule based on ninety percent (90%) of the Medicare fee schedule in effect January 1, 2020.

Occupational therapy services – Reimbursement is made from a Mississippi Medicaid statewide uniform fee schedule based on ninety percent (90%) of the Medicare fee schedule in effect January 1, 2020.

Speech-language pathology services – Reimbursement is made from a Mississippi Medicaid statewide uniform fee schedule based on ninety percent (90%) of the Medicare fee schedule in effect January 1, 2020.

Physical therapy, occupational therapy, and speech-language pathology services for EPSDT beneficiaries, if medically necessary, which exceed the limitations and scope for Medicaid beneficiaries, as covered in the Plan are reimbursed according to the methodology described above.

Except as otherwise noted in the Plan, state-developed fee schedule rates are the same for both governmental and private providers of physical therapy, occupational therapy, and speech-language pathology services in a non-hospital setting. Effective July 1, 2021, Mississippi Medicaid's statewide uniform fee schedule for physical therapy, occupational therapy, and speech-language pathology services will remain the same as those effective for State Fiscal Year (SFY) 2021 for services provided on or after that date. All rates may be viewed at [Fee Schedules and Rates | Mississippi Division of Medicaid \(ms.gov\)](#)
