

STATE: MISSISSIPPI

METHODS AND STANDARDS FOR ESTABLISHING PAYMENT RATES - OTHER TYPES OF CARE

---

Orthotics and Prosthetics for children under age 21, if medically necessary, are reimbursed as follows:

- A. The reimbursement for purchase of Orthotics and Prosthetics is made from a Mississippi Medicaid statewide uniform fee schedule based on eighty percent (80%) of the Medicare rate.
- B. The reimbursement for repair of Orthotics and Prosthetics is the actual cost, not to exceed fifty percent (50%) of the purchase amount.

Except as otherwise noted in the plan, state-developed fee schedule rates are the same for both governmental and private providers. The agency's fee schedule rate is set annually as of July 1 and is effective for services provided on or after that date. All rates are published on the agency's website at [Fee Schedules and Rates - Mississippi Division of Medicaid \(ms.gov\)](#).
