On an annual basis, states must post the following information to a publicly available location about each funded CMP Project:

1. Project title;
2. Duration of the project;
3. Dollar amount awarded for each approved project;
4. Project summary (i.e., purpose/goals and objectives);
5. Awardee name;
6. Results of projects (i.e. the outcome of completed projects); and

CMS will obtain this information from states historically through the CMP Project Tracking Sheets and will post it to the CMS CMP Reinvestment website.

Describe below the publicly available location (e.g., state website, CMS CMP Reinvestment website, state newsletter) where information about CMP projects can be found. Please provide the full state/public website address if applicable.

11. Solicitation Methods

Describe where (e.g., websites, notices to the Ombudsman’s office, presentations to the nursing home provider community) and how often (e.g., monthly, quarterly, annually) the state will solicit CMP projects that benefit nursing home residents and that protect or improve their quality of care or quality of life.

Include relevant details to describe the solicitation methods: who is responsible, when, where, and target audience.
