## ASSISTED LIVING WAIVER Request for Public Input

### Notice to Participants, Caregivers & Providers

The Mississippi Division of Medicaid (DOM) Office of Long Term Care requests your feedback in the renewal of the 1915(c) Home and Community Based Assisted Living Waiver. DOM is seeking input regarding recommended changes from participants, caregivers, providers, and other community stakeholders prior to the submission of the renewal application to the Centers for Medicare and Medicaid Services (CMS). Comments or recommendations specific to this waiver must be received by December 31, 2022.

### Assisted Living Waiver Basics

The Assisted Living Waiver is a statewide program administered and operated by the DOM. It is designed to offer services and supports in a home or community-based setting for those who meet the criteria and qualify for Medicaid. The program allows persons to reside in a Medicaid- approved assisted living facility as an alternative to nursing facility care or other institutional settings. Medicaid pays the facility a per diem for services received in the facility. Persons enrolled in the Assisted Living Waiver are responsible for payment of room and board.

The current Assisted Living Waiver is available for review at:
