**Why Is It Important to Act Now?**

In December 2022, Congress passed the Consolidated Appropriations Act (CAA). Per the CAA, the continuous coverage condition that prohibited states from disenrolling members from Medicaid will expire on March 31, 2023.

This means that states will resume routine eligibility operations, and DOM will begin re-qualifying all Medicaid members this spring.

It is very important for Medicaid members to update their contact information by calling the Mississippi Division of Medicaid at 1-800-421-2408 or 601-359-6050. You can also update your contact information online at [www.medicaid.ms.gov/update-contact-info/](http://www.medicaid.ms.gov/update-contact-info/).

*The re-qualification process does not guarantee any person's eligibility for Medicaid or other available coverage.*
