METHODS AND STANDARDS FOR ESTABLISHING PAYMENT RATES – OTHER TYPES OF CARE

---

Physicians' services – Effective June 1, 2005, all fees for physicians' services that are covered for Medicaid-only beneficiaries shall be reimbursed at ninety percent (90%) of the rate established on January 1, 1999, and as adjusted each July thereafter, under Medicare (Title XVIII of the Social Security Act), as amended. For services provided to individuals who are eligible both for Medicare and for full Medicaid benefits, Medicaid reimburses providers in an amount equal to the Medicare cost-sharing amount owed for the service (including co-payments or coinsurance and any deductible owed).

Notwithstanding any other provision of this section, the Division of Medicaid, as required by state law, shall reduce the rate of reimbursement to providers by five percent (5%) of the allowed amount for that service.
