

State of Mississippi
METHODS AND STANDARDS FOR ESTABLISHING PAYMENT RATES – OTHER TYPES OF CARE

Ambulatory Surgical Center Facility Services

Reimbursement of ambulatory surgical center services is calculated at eighty percent (80%) of the current Medicare Ambulatory Surgical Center Payment System.

Except as otherwise noted in the Plan, state-developed fee schedule rates are the same for both governmental, if any, and non-governmental providers of ambulatory surgical center services. Mississippi Medicaid's fee schedule for ambulatory surgical center services is updated annually with an effective date of October 1 for services provided on or after that date. All rates may be viewed at <http://www.medicaid.ms.gov/Fees/ASCRateSchGrpDesi.pdf>.

Notwithstanding any other provision of the Plan, the Division of Medicaid, as required by state law, shall reduce the rate of reimbursement to providers for any service as noted above by five percent (5%) of the allowed amount for that service.
