7.2 Message Page

The second page of the RA, as shown on the following page, is used to display messages to Medicaid providers from the Division of Medicaid and the fiscal agent. This page will provide information on any late breaking news, and will notify providers of changes in billing procedures or program area coverage. Do not be alarmed if your RA does not contain a message. However, pay special attention to this page, as any information listed here will be beneficial in facilitating the filing of Medicaid claims, as well as providing current information about the Mississippi Medicaid Program.

All healthcare providers are mandated to have a National Provider Identifier (NPI). Your claims may deny if your NPI HAS NOT BEEN SENT TO THE DIVISION OF MEDICAID. It is imperative that your NPI be noted appropriately on your provider information on file at Medicaid. In order to pay claims correctly, you must submit your NPI number and MS Medicaid provider number on all Medicaid claims.
