200.07.09F VA CLOTHING ALLOWANCE

A lump sum clothing allowance is payable in August of each year to a veteran with a service-connected disability for which a prosthetic or orthopedic appliance, including a wheelchair, is used. The allowance is intended to help defray the increased cost of clothing due to wear and tear caused by the use of such appliances. A VA clothing allowance is not income for eligibility or Medicaid Income purposes.

200.07.09G PAYMENTS TO VETERANS' CHILDREN WITH CERTAIN BIRTH DEFECTS

These VA payments are made to, or on behalf of, the natural children of veterans, regardless of age or marital status, who are in the following categories:

- Vietnam veterans' children for any disability resulting from spina bifida;
- Korea service veterans' children for any disability resulting from spina bifida;
- Women Vietnam veterans' children for certain birth defects.

These payments are excluded from income and resources. The interest earned on unspent funds is excluded effective July 2004.

NOTE: While individuals receiving these payments are children of veterans, many would not meet the SSI definition of "child". They may be applicants/recipients and/or have spouses or children who are applicants/recipients.
