# 100.03 RIGHTS OF APPLICANTS AND RECIPIENTS

Any individual applying for and/or receiving assistance has certain rights relating to receipt of Medicaid benefits, which are addressed in this section.

### 100.03.01 OPPPORTUNITY TO APPLY

Any individual, who requests assistance, including those who are clearly ineligible, must be allowed to apply immediately. Medicaid Specialists must make a reasonable effort to assist the applicant in establishing eligibility.

### 100.03.02 <u>CIVIL RIGHTS AND NON-DISCRIMINATION</u>

The Division of Medicaid complies with all state and federal policies which prohibit discrimination on the basis of race, age, sex, national origin, handicap or disability as defined through the Americans with Disabilities Act of 1990, the Rehabilitation Act of 1973 and the Civil Rights Act of 1964. All complaints of discrimination will be investigated in accordance with state and federal laws and regulations.

# 100.03.03 ACCESS TO INFORMATION

The applicant, recipient or his authorized/designated representative may have access to information in the eligibility case record to either review the file or request copies of information from the file, at no charge, in the following types of situations:

- In connection with a request for a hearing as otherwise provided in the regulations relating to administrative hearings. Refer to the Section 100.03.05, Right to Appeal and Fair Hearing, for more information.
- Information regarding amounts of Medicaid received by a recipient when requested
  by a person filing a federal or state income tax return and when authorized in writing
  by the recipient. A signed authorization is also require to release information to the
  Internal Revenue Service (IRS).
- Information supplied by the applicant or recipient or obtained by the specialist that
  the applicant or recipient needs in order to be able to qualify for other benefits which
  he has requested. This includes medical reports, as the examining physician must
  release this information to his patient. It includes proof of age, documents relating
  to real and personal property, and other factual material that will assist an applicant
  or recipient in obtaining a service or a benefit.

### ACCESS TO INFORMATION (Continued)

- The applicant's or recipient's statement of income and resources and other forms the applicant or recipient has signed which are contained in the case record.
- Budgets worked to determine eligibility for programs for which DOM is responsible.
- Any case information when the applicant or recipient presents a written request which specifies the material desired and the purpose for which the material will be used.

**NOTE:** Designated DOM staff has computer access to other agencies' records. If the client requests another agency's information which is not part of the DOM case file, it cannot be provided. The client must obtain the information directly from the source agency.

When the request is made by a person other than the applicant/recipient or their representative, the information will not be made available without the applicant's or recipient's written permission prior to releasing the information. The written release will become a permanent part of the record.

# Release of Information to Legal Representative/Attorney

When legal representative/attorney requests information from the agency to assist a client, the client or his authorized/designated representative must first provide a signed statement or letter to the agency permitting information to be released to that specific individual. This statement will be made a permanent part of the case record.

Legal representatives/attorneys generally do not have the degree of knowledge required about a client's circumstances to enable them to act on the client's behalf in the application process. As a result, a legal representative/attorney may not be named as an authorized or designated representative. Agency notices, including the DOM-307, DOM-309 and eligibility notices may not be mailed directly to a client's legal representative/attorney. However, if the client has provided their legal representative/attorney with copies of the 307, 309 and/or other notices, the information can be discussed with the legal representative/attorney, provided there is a signed consent in the case authorizing release of information to that specific individual. **NOTE**: Information may be released to any person when a valid release of information has been executed by the client for that individual.

### 100.03.04 CONFIDENTIALITY OF INFORMATION

All individuals have the right to a confidential relationship with the Division of Medicaid. All information maintained on recipients, former recipients and denied applicants is confidential and must be safeguarded.

The Division of Medicaid (DOM) will adhere to state laws and federal regulations on the protection of the confidentiality of information about applicants/recipients. Protected information may only be disclosed without the individual's authorization for purposes directly connected with the administration of the program.

#### This includes:

- Establishing eligibility,
- Determining amount of medical assistance,
- · Providing services for recipients, and
- Conducting or assisting an investigation, prosecution and civil or criminal proceeding related to the program.

The Division of Medicaid will also adhere to the Health Insurance Portability and Accountability Act (HIPAA) as it relates to confidentiality of information about applicants/recipients. It is DOM's policy that a valid authorization be obtained for all disclosures that are not for treatment, payment or healthcare operations, to the individual or their representative, to persons involved with the individual's care, to business associates in their legitimate duties or as required by law.

The agency has specified the agencies, persons and circumstances under which applicant or recipient information may be released without a recipient's consent. Any other exceptions are subject to prior approval of the Executive Director or Deputy Administrator of the Division of Medicaid.

### 100.03.04A RELEASE OF INFORMATION WITHOUT CLIENT CONSENT

As previously indicated, the Division of Medicaid has established the following criteria for release and use of eligibility and financial information about applicants and recipients. Except as provided below, no information regarding applicants or recipients may be released without consent unless prior approval of the Executive Director or the Deputy Administrator of the Division of Medicaid is obtained.

### 1. Disclosure to Other Agencies

Information concerning Medicaid applicants or recipients is subject to disclosure to agencies authorized under Titles IV-A (TANF), IV-B (Child and Family Services), IV-D (Child Support), XX (Social Services) XVI (SSI) of the Social Security Act and other agencies which are Federal or Federally assisted programs and provide assistance, in cash or in-kind, or services, directly to individuals on the basis of need, pursuant to appropriately executed data exchange agreements and other cooperative agreements between the Division of Medicaid and the applicable agency. Access is restricted to those persons or agency representatives who are subject to standards of confidentiality that are comparable to those of the Division of Medicaid.

Some agencies which have standards of confidentiality comparable to those of Medicaid and which provide assistance or services to applicants and recipients, and with whom information is exchanged for the purpose of administration of the Medicaid Program are listed below.

- Department of Human Services;
- Social Security Administration and District Offices;
- Mississippi State Department of Health and County Health Departments, only if they are a provider of Medicaid services for which the information is requested;
- State Department of Mental Health and Regional Mental Health Centers, only if they are a provider of medical services for which the information is requested;
- State Mental Hospitals and general hospitals, the Social Service Department and the reimbursement offices for providers, only as to services each provider rendered to a specific Medicaid recipient;
- Veteran's Administration, only if they are a provider of services and then only for those recipients for whom they provided the service or to confirm benefits.

### Release of Eligibility Information Without Consent (Continued)

• Medicaid program staff in other states, when a client moves or when there is a question of dual participation or to verify the status of Medicaid in MS for an applicant in the other state.

The release of information is based on a request from the other agency and must relate to the function of the Division of Medicaid's programs and the function of the agency requesting the information. When an agency makes a request for information which that agency normally would be ascertaining for itself and which is not in behalf of the applicant or recipient, the request will be denied. Lists of information on applicants or recipients are not released to other agencies unless the release is specified in an interagency agreement.

## 2. Disclosure to Division of Medicaid's Fiscal Agent

Information concerning applicants and recipients may also be disclosed to the Division of Medicaid's fiscal agent for purposes of eligibility verification, claims processing and claims payment pursuant to the contract between the Division of Medicaid and the fiscal agent which provides that the fiscal agent shall be bound by the same standards of confidentiality as the Division of Medicaid.

### 3. Disclosure Related to Third Party Liability

Information necessary to identify third party liability (TPL) and to pursue reimbursement of Medicaid lien amounts from legally liable third parties may be made available to the recipient upon written request, to the recipient's insurance carrier upon a release of information signed by the recipient or to providers of medical services for the recipient. Any other release for TPL purposes should be cleared through the Legal Unit of the Division of Medicaid. (See NOTE below for the procedure regional offices will follow in obtaining clearance from Legal)

### 4. Disclosure to Prosecuting Attorneys

Information shall be provided to county and district attorneys, the US prosecuting attorney, the Office of Inspector General (OIG), Medicaid Fraud Control Unit of the Attorney General's Office or other investigative boards and agencies duly authorized by state and federal law related to abuse, suspected fraud or fraudulent receipt of Medicaid and to obtaining or enforcing medical support. **NOTE**: Before releasing any case record information to a county, district or US prosecuting attorney, the regional office will notify the Bureau of Enrollment and a manager will obtain clearance from the Legal Unit of the Division of Medicaid on the release.

### Release of Eligibility Information Without Consent (Continued)

### 5. <u>Disclosure of Subpoenaed Information</u>

Subpoenas for recipient or applicant information may be answered as directed by the Legal Unit of the Division of Medicaid only if the recipient or applicant gives written permission for the information to be released or upon court order. The regional office will notify the Bureau of Enrollment immediately upon receipt of a subpoena and a manager will contact the Legal Unit for clearance on answering the subpoena.

#### 6. Disclosure to Providers

Eligibility and availability of benefits may be verified for Medicaid or CHIP providers.

### 7. Release of Information in an Emergency Situation

If release of information is deemed necessary by the agency due to an emergency situation and time does not permit obtaining written consent before the release, the agency must notify the family or individual immediately after supplying the information.

### Requests for Information from Non-Custodial Parents or Relatives

Information must not be released to a child's non-custodial parent or other relative without a court order that has been cleared by state office. When a non-custodial parent/relative is seeking information and presents a court order, the regional office will notify the Bureau of Enrollment. A manager will contact Legal for clearance.

### 100.03.04B RELEASE OF PROGRAM INFORMATION

No Medicaid data regarding recipients, providers or services may be released without prior approval of the Executive Director, unless an established exception applies. The following program information constitutes the only established exceptions which do not require prior approval of the Executive Director:

- The annual report of the Division of Medicaid, published pursuant to state law, containing the total number of recipients, the total amount paid for medical assistance and care; the total number of applications, the total number of applications approved and denied, and similar data.
- Pamphlets, brochures and other documents prepared for distribution to the public.
- Information exchanged with other state or federal agencies pursuant to a contract or written agreement.

If requests for information are received, including requests for large quantities of pamphlets, brochures and other public information, the regional office should forward them to the Bureau of Enrollment for further action. Requests will be considered pursuant to the Access to Public Records Act, as applicable.

### 100.03.04C SAFEGUARDING CONFIDENTIAL INFORMATION

The privacy rule protects electronic records, paper records and oral communication. Therefore, employees of the agency are responsible for safeguarding the confidentiality of recipient information in all forms to prevent unauthorized disclosure. In practical terms, this includes:

- Following password and other security procedures for systems;
- Securing cases in filing cabinets rather than leaving them in open view when not in use; and
- Discussing cases or recipients only as necessary for legitimate job-related purposes and in confidential office settings.

## **Eligibility Policy and Procedures Manual**

CHAPTER 100 - General Provisions

Page 128

#### SAFEGUARDING CONFIDENTIAL INFORMATION (Continued)

Failure to abide by the policies and procedures regarding confidentiality of recipient and applicant information, either intentionally or unintentionally, can result in disciplinary action. Group offenses are discussed in the DOM Employee Manual under Discipline and Grievance Policies. In addition, any violation of privacy and security policies and procedures may be referred to state or federal agencies for prosecution.

### 100.03.04D SAFEGUARD AWARENESS TRAINING

Training on the security standards for data provided by the Internal Revenue Service (IRS) and Social Security Administration (SSA) must be conducted annually for eligibility staff in each regional office. During the training employees are instructed in office security procedures to ensure security of the data and are issued a copy of the federal penalties for unauthorized disclosure of IRS and SSA information.

A confidentiality statement for each type of data is signed by employees. The person providing the training signs and dates the confidentiality statements to certify security training for each agency's data. The signed and certified statements are forwarded to state office, where they are maintained to document compliance with IRS and SSA safeguard training requirements.

CHAPTER 100 - General Provisions

### 100.03.05 RIGHT TO APPEAL AND FAIR HEARING

At the time of any action affecting an applicant or recipient's claim for assistance, the applicant or recipient must be:

- Informed of his right to a fair hearing;
- Notified of the method by which he may obtain a hearing, and
- Informed of his right to represent himself at the hearing or to be represented by an authorized person such as an attorney, relative, friend, or other spokesperson.

The agency must grant the opportunity for a fair hearing to any applicant or recipient who requests it because his claim for medical assistance is denied or not acted upon with reasonable promptness or because he believes that the agency has taken an action erroneously. A hearing request made in connection with a rebuttal prior to any adverse action being taken will not be accepted. **NOTE:** The agency need not grant a hearing when the sole issue is a federal or state law requiring an automatic change which adversely affects some or all recipients.

### **Notification Regarding Appeal Rights**

If an interview is conducted, the right to appeal must be discussed with the applicant/recipient. In addition, individuals are notified of appeal rights by statements included on the ABD and FCC application forms and on all notices. A hearings pamphlet is included with adverse action notices informing clients of the right to appeal and providing other information about the hearings process. These pamphlets are also available for distribution in regional offices.

### 100.03.05A THE HEARING PROCESS

### **Hearings Defined**

A fair hearing is an orderly, but informal meeting in which a client or his representative is afforded an opportunity to address an impartial hearing officer for the purpose of presenting oral testimony and/or evidence of his entitlement to medical assistance and services. The applicant or recipient has the right of confrontation and cross-examination as described further in this section. A fair hearing is a *de novo hearing* which means it starts over from the beginning. A new determination of the client's eligibility is made based on all the evidence that can be secured, without regard to whether the evidence was available at the time the regional office took action. Thus, the process is not essentially different from a determination of eligibility.

## **Eligibility Policy and Procedures Manual**

CHAPTER 100 - General Provisions

Page | 130

### **Types of Hearings**

The client or his representative may request to present an appeal through a local-level hearing, a state-level hearing, or both. In an attempt to resolve issues at the lowest level possible, offices should encourage clients to request a local hearing first. The only exception to requesting a local hearing is when the issue under appeal involves disability, blindness or level of care. Therefore, the actions below which involve medical decisions cannot be addressed in a local hearing. A state hearing must be requested for:

- A disability or blindness denial, or termination, or
- A level of care denial or termination for a Disabled Child Living at Home.

### **Hearing Methods**

Local and/or state level hearings will be held by telephone unless, at the discretion of the hearing officer, it is determined that an in-person hearing is necessary.

### Regional Office Handling Local Hearing Request

An appeal will ordinarily be filed in the regional office responsible for the adverse decision or delay in action. If the client has moved to another regional office's jurisdiction at the time the appeal is made, it is possible for the regional office serving the client's current county of residence to act for the former regional office. However, the hearing officer may request the participation of staff in the regional office where the action was originally taken if necessary or advisable.

### Representation

The request for a state or local hearing must be made in writing by the client or his legal representative.

"Legal representative" includes the client's authorized representative, an attorney retained to represent the client, a paralegal representative with a legal aid service, the parent of a minor child (if the client is a child), a legal guardian or conservator or an individual with power of attorney for the client.

The client may be represented by anyone he designates. If the client elects to be represented by someone other than a legal representative, he must designate the person in writing. If a person, other than a legal representative, states that the client has designated him as the client's representative and the client has not provided written verification to this effect, the regional office will ask the person to obtain written designation from the client.

# **Eligibility Policy and Procedures Manual**

CHAPTER 100 - General Provisions

Page |31

### **Oral Hearing Requests**

An oral request for a hearing must be put in written form. When an oral request is made, the specialist will inform the client that the request must be put in a letter or signed statement and mailed to the regional office *or* the specialist will mail the appropriate hearing request form, i.e., DOM 350, Request for Local Hearing, or DOM 352, Request for State Hearing, to the client for signature and return. The specialist must explain that the hearing will not be scheduled until a written request is received by either the regional or state office. If the written request is not received within the adverse action period, continuation of benefits is not applicable. If the request is not received in writing within 30 days, a hearing will not be scheduled unless good cause exists.

### **Written Hearing Requests**

A simple statement requesting a hearing that is signed by the client or his legal representative is sufficient; however, if possible, the client should state the reason for the request. The written request may be mailed to the regional office or state office. If the letter does not specify the type of hearing desired, the specialist will contact the person making the request to determine whether a local or a state hearing is being requested. If contact cannot be made within three (3) days of receipt of the hearing request, the regional office will assume a local hearing is requested and schedule accordingly. However, if the hearing involves a medical decision, which requires that a state hearing be held or if a state hearing is requested, the request will be forwarded to Executive for assignment to a hearing officer.

### **Hearing Requests Made In Person**

The client may come to the regional office or meet with a specialist in person to request a hearing. The specialist must first determine what level of hearing, local or state, is desired. If a state level hearing is *required* because the hearing request is based on a medical decision, this will be explained to the client. Otherwise, if the client is unsure of the type hearing desired, the specialist will explain the difference between the two levels of appeal and explain a state hearing may still be available if the local hearing decision is not favorable. The specialist will assist the client in completing the appropriate form, DOM-350 or DOM 352, whichever is applicable. If a state hearing is required or requested, the specialist can assist in mailing the request to state office or the client may choose to mail it himself.

# **Eligibility Policy and Procedures Manual**

CHAPTER 100 - General Provisions

Page 132

### **Appeal By Both Members Of A Couple**

When both members of an eligible couple wish to dispute the action or inaction of the regional office that affects both applications and cases similarly and arose from the same issue, one or both members may file the request for a hearing. The couple will be assured that both may present evidence at the hearing and that the agency's decision will be applicable to both. If both file a hearing request, two hearings will be registered, but they will be conducted on the same day and in the same place, either consecutively or jointly, according to the wishes of the couple. If it is their wish for only one of them to attend the hearing, this is permissible.

## **Time Limit For Filing A Hearing Request**

The client has 30 days from the date the appropriate notice is mailed to request either a local or state hearing. This 30-day filing period may be extended if the client can show good cause for not filing within 30 days. Good cause includes, but may not be limited to, illness, failure to receive the notice, being out of state, or some other reasonable explanation. If good cause can be shown, a late hearing request may be accepted, provided the facts in the case remain the same. However, if a client's circumstances have changed or if good cause for filing a request beyond 30 days does not exist, a hearing request will not be accepted. If the client wishes to have his eligibility reconsidered, he may reapply.

### Timeframe for Holding Local or State Hearings

The Division of Medicaid must take final administrative action on a hearing, whether state and/or local, within 90 days of the date of the initial request for a hearing. Although regulations allow 90 days, the agency will make every effort to hold hearings promptly and render decisions in a shorter timeframe.

### **Scheduling the Hearing**

Upon receipt of a written request for a hearing, the request will be acknowledged in writing and the hearing scheduled. If a local hearing is requested the regional office will notify the client or representative in writing of the time and date of the local hearing. A copy of the letter scheduling the local hearing will be filed in the case record. If a state hearing is requested, the hearing officer assigned to the case will notify the appropriate person in writing of the time and date of the state hearing.

## **Eligibility Policy and Procedures Manual**

CHAPTER 100 - General Provisions

Page | 133

### **Scheduling the Hearing** (Continued)

The notice scheduling the time and date of a state or local hearing must be mailed to the client at least five (5) days before the day the hearing is scheduled. A hearing pamphlet will be included with the letter scheduling either a local or state hearing.

# Attendance at the Hearing

A state or local hearing is not open to the public. All persons attending the hearing will attend for the purpose of giving information on behalf of the claimant or rendering him assistance in some other way, or for the purpose of representing the Division of Medicaid. All persons attending the hearing will be asked to give information pertinent to the issues under consideration.

### Withdrawn or Abandoned Hearings

The hearing process is initiated by a written request and can be terminated only by a written statement in which the client or representative withdraws the request for a hearing. A state or local hearing request may be withdrawn at any time prior to the scheduled hearing or after the hearing is held, but before a decision is rendered. As indicated, the withdrawal must be in writing and signed by the client or representative.

A hearing request will be considered abandoned if the client or representative fails to appear or is unavailable for a scheduled hearing without good cause. If no one is available for a hearing, the appropriate office will notify the client in writing that the hearing is dismissed unless good cause is shown for not attending. Following failure to appear for a hearing, the proposed adverse action will be taken on the case if the action is not already in effect.

# **Eligibility Policy and Procedures Manual**

CHAPTER 100 - General Provisions

Page | 34

## **Rights of the Client**

The client or his representative has the following rights in connection with a local or state hearing:

- The right to examine at a reasonable time before the date of the hearing and during the hearing the contents of the applicant or recipient's case record.
- The right to have legal representation at the hearing and to bring witnesses.
- The right to produce documentary evidence and establish all pertinent facts and circumstances concerning eligibility.
- The right to present an argument without undue interference and to question or refute testimony or evidence, including an opportunity to confront and crossexamine adverse witnesses.

### **Group Hearings**

A group hearing can be held for a number of clients under the following circumstances:

- The Division of Medicaid may consolidate the cases and conduct a single group hearing when the only issue involved is one of a single law or agency policy.
- The clients may request a group hearing when there is one issue of agency policy common to all of them.

In all group hearings, whether initiated by the Division of Medicaid or by the clients, the policies governing fair hearings must be followed. Each individual client in a group hearing must be permitted to present his own case and be represented by his own lawyer or withdraw from the group hearing and have his appeal heard individually. As in individual hearings, the hearing will be conducted on the issue being appealed, and each client is expected to keep his testimony within a reasonable time as a matter of consideration to the other clients involved.

#### SSI

In Mississippi, persons who are eligible for SSI are automatically eligible for Medicaid. If an SSI applicant or recipient disagrees with the decision to deny or terminate SSI benefits, the individual must contact the Social Security Office which issued the adverse action. SSA handles appeals when the issue is SSI benefits and automatic Medicaid eligibility.

# **Eligibility Policy and Procedures Manual**

CHAPTER 100 - General Provisions

Page | 135

### 100.03.05B CONTINUATION OF BENEFITS

If a client or representative requests a hearing within the advance notice period, benefits must be continued or reinstated to the benefit level in effect prior to the planned adverse action. Benefits will continue at the original or former level until a final hearing decision is rendered.

**NOTE:** The override function in MEDS may be used to reinstate QMB benefits for prior months pending the outcome of a hearing. If CHIP is involved, the reinstatement of benefits must be effective for the next possible month. If the hearing decision is favorable to the client, any lost CHIP benefits will be handled through the agency error process.

### **Timely Request for Continuation of Benefits**

To determine if the request for continuation of benefits is timely, the request must be received by the regional office within 12-days from the notice date. This 12-day period includes the 10-day adverse action period plus 2 days mailing time. If a hearing is requested by telephone, the client must be advised to put the request in writing prior to the end of the specified period. Any hearing requested or dated after this period will not be accepted as a timely request for continuation of benefits.

### Continuation of Benefits When Local Decision is Adverse

The client may request a state hearing if the local hearing is adverse. If benefits have been continued pending the local hearing, then benefits will continue pending a state hearing decision *provided* the request for the state hearing is made within 15 days of the date on the Notice of Local Hearing Decision. Local and state hearing procedures are discussed later in this section.

#### Agency Action Upheld in Final Hearing Decision

When the final hearing decision is adverse to the client, the specialist will terminate or reduce the continued benefits using the original reason for the adverse action. The supervisor will waive notice at authorization since a second Notice of Adverse Action is not required. In addition, the Division of Medicaid has the right to initiate recovery procedures against the client to recoup the cost of any medical services furnished the client under Medicaid and CHIP premiums paid by DOM on behalf of CHIP children, to the extent they were furnished solely based on the provision for continuation of benefits.

### 100.03.05C REGIONAL OFFICE RESPONSIBILITIES IN THE HEARING PROCESS

The regional office is responsible for completing a supervisory review of the action under appeal and for preparing the state hearing record. The office is responsible for all activities involved in the local hearing process and for taking appropriate action on the case at the end of the hearing process.

### 100.03.05C1 SUPERVISORY REVIEW

- A supervisor will review the record and re-examine the action taken on the case to determine if policy has been properly applied;
- If any adjustments are needed, a supervisor will ensure that corrections are made;
- If continuation of benefits is applicable, a supervisor will ensure that benefits continue at the same level prior to the proposed adverse action that is under appeal.
- The supervisor will also ensure all needed verification is in the case record and will secure any additional evidence needed for the hearing when necessary.

#### 100.03.05C2 PREPARATION OF THE HEARING RECORD

A local hearing record is not needed since the claimant is entitled to examine the entire case record prior to or during the hearing; however, the regional office is responsible for preparing the hearing record to be used at a state hearing. The state hearing folder must be forwarded to the Executive Division no later than five (5) days after receipt of the request for a state hearing. The state hearing record will consist of all pertinent information relating to the issue under appeal, including:

- The written hearing request submitted by the claimant or representative;
- A statement prepared by the specialist explaining the action taken on the case and the date of the action. In addition, there must be an explanation of any corrective action taken on the case subsequent to the hearing request;
- Copies of portions of the case record which constitute the basis for the action taken on the case. All hearing records will contain a copy of the application form and the notice(s) related to the action under appeal.
- When applicable, a statement as to factors of eligibility not determined at the time of the denial or closure. For example, if the issue under appeal is a denial on disability but the client's income was not established, a hearing on the disability factor will have limited value if the client was also ineligible on income or some other factor.

# **Eligibility Policy and Procedures Manual**

CHAPTER 100 - General Provisions

Page | 37

#### 100.03.05C3 HOLDING THE LOCAL HEARING

The regional office is responsible for scheduling and rendering decisions on local hearings, except those which involve CHIP agency errors. The procedures for handling local and state hearing requests involving denial of CHIP because of agency error are discussed later in this section.

### Purpose of a Local Hearing

The purpose of the local hearing is to provide an informal proceeding to allow the client or representative to:

- Present new or additional information;
- Question the action taken on the client's case, and
- Hear an explanation of eligibility requirements as they pertain to the client's situation.

## **Scheduling the Local Hearing**

When a request for a local hearing is received, the regional office will schedule the local hearing no later than 20 days after receipt of the request. The client will be allowed time to obtain additional information or request an attorney, relative or friend to attend the hearing and give evidence. The regional office may not schedule a local hearing without giving five (5) days advance notice to the client unless the client waives advance notice time. The case record will be documented if the client waives the advance notice.

### Person Conducting the Local Hearing

The regional office staff member who conducts the hearing must be one who has not participated in determining eligibility or directed the decision. Although a supervisor may have officially authorized eligibility, if he/she has not actually taken part in the eligibility decision the supervisor will hold the hearing. However, if the supervisor made the actual determination of eligibility on the case, he/she cannot hold the local hearing and another person must be designated to conduct the hearing.

# **Eligibility Policy and Procedures Manual**

CHAPTER 100 - General Provisions

Page | 138

### Preparing a Summary of the Hearing

After a local hearing is held, the person who conducted the hearing will prepare a summary of the hearing procedure. The summary serves the same purpose as a transcript and is filed in the case record.

**NOTE:** The summary of the local hearing must be included as part of the state hearing record when the client requests a state hearing after an adverse local hearing decision. The local hearing summary must contain sufficient information to enable the state hearing office to have a clear understanding of what transpired during the local hearing.

#### 100.03.05C4 ISSUING THE LOCAL HEARING DECISION

The regional office staff member who held the hearing will carefully review and consider the facts presented during the local hearing in rendering the local hearing decision. When a decision has been reached, the client must be notified of the decision via DOM-351, Notice of Decision on Local Hearing. This form must be used to notify the client since it advises the client of the right to request a state hearing.

The DOM-351 must clearly state the reason for the decision and the policy which governs the decision. Also, if the hearing is denied, the new effective date of closure or reduced benefits must be included on the form if continuation of benefits applied during the hearing process. The new effective date of closure or reduced benefits must include an effective date at the end of the 15-day advance notice period allowed via DOM-351. A second Notice of Adverse Action is not required; therefore, the second eligibility notice should be waived at authorization if benefits are terminated or reduced as a result of the local hearing decision.

However, if a state hearing is subsequently requested within the 15-day advance notice period and continuation of benefits is applicable, the state office will notify the client of the new effective date of closure, reduced benefits or other revised eligibility dates in the state hearing decision letter.

### 100.03.05C5 TAKING ACTION ON THE CASE

The regional office is responsible for taking any corrective action required as a result of a local or state hearing decision rendered in the client's favor or for processing the original planned action on the case which was the basis for the appeal if continuation of benefits applied pending the hearing decision.

#### 100.03.05C6 STATE HEARING REQUESTED AFTER ADVERSE LOCAL DECISION

As indicated, the client has the right to appeal a local hearing decision by requesting a state hearing; however, the state hearing request must be made in writing within 15 days of the mailing date of the DOM-351. This means the state hearing request must be received by the regional office or state office on or before the  $15^{th}$  day after the local hearing notice is mailed. If the state hearing request is made orally, then the claimant must be informed that the request must be put into writing and received with the allotted 15-day time period.

If benefits have been continued pending the local hearing decision, then benefits will continue throughout the 15-day advance notice period when the local hearing decision is adverse. If a state hearing is requested timely within the 15-day period, then benefits will continue pending the outcome of the state hearing.

State hearings requested after the 15-day advance notice period for the local hearing will not be accepted unless the 30-day period for filing a hearing request has not expired because the local hearing was held early in the 30-day period and there is time remaining.

#### 100.03.06 STATE HEARINGS

When a request for a state hearing is received in the regional office, the request will be noted with the receipt date and forwarded to state office. A copy of the state hearing request will be retained for the case record. The regional office will proceed with preparation of the state hearing folder. The folder must be mailed within five (5) days of receipt of the state hearing request.

If the request for a state hearing is mailed directly to state office, a copy of the request will be forwarded to the appropriate regional office so the state hearing record can be prepared and sent in.

A state hearing is assigned to an impartial hearing officer. Impartial means the hearing officer has not been involved in any way with the action or decision under appeal.

### 100.03.06A REVIEW BY STATE HEARING OFFICER

Upon receipt of the state hearing folder, the hearing officer will review the material submitted. If the review shows an error was made in the action of the regional office or in the interpretation of policy or that there has been a change in policy, the hearing officer will discuss the issue with the Bureau Director, Deputy, over the regional office involved in the hearing and if appropriate, ask that an adjustment be made. The regional office will then discuss this matter with the client. If the client is agreeable to the adjustment of the claim, the state hearing request will be withdrawn in writing with the reason for the withdrawal stated.

Otherwise, if the action of the regional office is in order, the hearing officer will request any additional information from the case record that appears to be needed and will schedule the hearing.

### 100.03.06B HOLDING THE STATE HEARING

In conducting the hearing, the hearing officer will provide the following information to those present:

- The hearing will be recorded and a transcript of the proceeding will be typed for the record.
- The reason for the hearing, i.e., the action taken by the regional office which prompted the appeal.

### Holding The State Hearing (Continued)

• The client's rights and the purpose of the hearing.

**NOTE:** Even though the state hearing officer uses a hearing folder to conduct the hearing, the actual case record must be available for review by the client or representative before, during or after the state hearing.

• The final hearing decision will be rendered by the Executive Director of the Mississippi Division of Medicaid on the basis of the facts discussed at the hearing and the claimant will be notified in writing of this decision.

During the hearing the client or his representative will be allowed an opportunity to make a full statement concerning his appeal and will be assisted, if necessary, in disclosing all information on which the claim is based. All persons representing the claimant and those representing the regional office will have the opportunity to state all facts pertinent to the appeal. When all information has been presented, the hearing officer will close the hearing.

#### 100.03.06C RECESSING OR CONTINUING A STATE HEARING

If additional information is determined to be needed during the state hearing, the hearing officer may recess or continue the hearing as follows:

Recessing the Hearing

If additional information is needed and this information is readily available, the hearing officer will recess the hearing for the time required to obtain the facts.

Continuing the Hearing

If the information needed is not readily available, the hearing officer will continue the hearing to a suitable later date. If the time at which the information will be obtained is known, the hearing officer, before adjourning the original hearing, will set the time and place for the continued hearing at the earliest possible date, notifying the principals that there will be no further notice. The hearing officer will reach an agreement with the client and any persons attending on his behalf about bringing the needed information to the continued hearing.

The hearing cannot be extended beyond the time limit for completion of a hearing.

#### 100.03.06D CHANGES WHICH OCCUR DURING THE HEARING PROCESS

If the regional office becomes aware of a change in the client's circumstances which will result in an adverse action other than the issue currently under appeal, the client must be notified in writing. Adverse action notice requirements, i.e., 10-day notice plus 2 days mailing time, must be met and action taken as follows:

### **Change Discovered Prior to State Hearing**

If the state hearing has not yet been held, the client may choose to have the new adverse action issue incorporated into the current appeal; however, the client must first request an appeal in the usual manner. If the new hearing request is filed in time for the issue to be considered in the current hearing process, the regional office will notify the hearing officer of the additional issue under appeal. In this instance, the hearing may have to be rescheduled to allow the client time to prepare for the hearing.

## **Change Discovered During the State Hearing**

If the change in circumstances is discovered during the actual hearing, the hearing officer will recess the hearing and notify the regional office to send the appropriate 10-day notice. The hearing will be reconvened after the adverse action notice is mailed and the advance notice period has expired. The client may choose to include the new issue in the hearing when it is reconvened. The hearing will be reconvened following the usual procedure for setting the time and place.

### 100.03.06E REVIEW BY DDS STAFF

When the issue under appeal is disability or blindness, a review by DDS is required. After the hearing, the hearing officer will forward all medical information to the Disability Determination Service for reconsideration.

A review team consisting of medical staff who were not involved in any way with the original decision will review the medical information and hearing transcript and give a decision on the disability or blindness factor. The DDS decision is final and binding on the agency.

### 100.03.06F RECOMMENDATION OF THE STATE HEARING OFFICER

After the hearing, the final decision of the hearing officer must be based on oral and written evidence, testimony, exhibits and other supporting documents which were discussed at the hearing. The decision cannot be based on any material, oral or written, not available to and discussed with the claimant.

Following the hearing, the hearing officer will make a written recommendation of the decision to be rendered as a result of the hearing. The recommendation, which becomes part of the state hearing record, will cite the appropriate policy which governs the recommendation.

### 100.03.06G DECISION OF THE AGENCY

The Executive Director of the Division of Medicaid, upon review of the recommendation, proceedings and the record may sustain the recommendation of the hearing officer, reject the recommendation or remand the matter to the hearing officer for additional testimony and evidence, in which case the hearing officer will submit a new recommendation to the Executive Director after the additional action has been taken.

As soon as possible after the hearing officer makes a recommendation, a written decision summarizing the facts and identifying the policies and regulations which support the decision will be prepared and mailed to the client or representative, with a copy to the regional office, Bureau Director, Deputy, and the Deputy Administrator for Enrollment.

The decision letter will specify any action to be taken by the agency and any revised eligibility dates. If the decision is adverse and continuation of benefits is applicable, the claimant will be notified of the new effective date of reduction or termination of benefits or services, which will be fifteen (15) days from the date of the notice of decision.

The decision of the Executive Director of the Division of Medicaid is final and binding. The client is entitled to seek judicial review in a court of appropriate jurisdiction. Should the client file an appeal the second time without a change in circumstances or agency policy, the client will be notified in writing by the appropriate office explaining that the appeal cannot be honored. If the client's circumstances or agency policy have changed, the client will be advised to file a new application.

### 100.03.06H CHIP AGENCY ERRORS

The Division of Medicaid is responsible for ensuring payment for eligible beneficiaries. Providing timely CHIP benefits is a special concern because, unlike Medicaid, the CHIP effective dates are determined relative to monthly processing deadlines which do not allow the regional office to take retroactive or corrective action when an error is discovered for a prior month.

Each regional office must have a plan for timely and accurate case processing to prevent CHIP errors. This may include upfront identification of potential CHIP applications, flagging CHIP cases submitted for supervisory review, routing and handling of information within the office and monitoring reports. These types of procedures must be in place and functioning in the regional office to limit the number of CHIP agency errors.

When CHIP agency errors occur, resolution must come through a local or state hearing request. When a state or local hearing is requested due to loss of CHIP benefits and the review by the regional office determines an agency error did occur, the final hearing decision for local and state hearings will be made in the Bureau of Enrollment. The regional office must not issue a verbal or written hearing decision on these cases.

The regional office will be responsible for preparing a hearing folder to include an explanation of how the error occurred, the months of agency error, the children involved, along with copies of pertinent documents from the case record and MEDSX. The hearing folder will be sent to the Enrollment Bureau.

**NOTE:** If a fair hearing is requested on a CHIP termination or denial and agency error was not involved, the procedures described previously in this section will be followed based on the type of hearing requested, i.e., local or state.
