- County Agricultural Extension Service; and
- Bureau of Land Management, the US Geological Survey or any mining company that holds leases (such as for CMV of mineral rights)

Information to be Included in the Estimate

The knowledgeable source estimate must provide the following information:

- The name of the person providing the estimate;
- The name, address and telephone number of the business or agency for whom the person providing the estimate works;
- The basis for the estimate, to include such things as a description of the property and its condition and, where appropriate, the value of similar property in the same area); and
- The period to which the estimate applies (which corresponds to the period for which it is being requested).

Telephone Documentation

Assistance must be provided if the client is incapable of obtaining the estimate. If the estimate is obtained by telephone, the specialist must record the required information in the case record. CMV REBUTTAL (Continued)

- 1. All the evidence previously in the file (the individual's original allegation and any estimates from knowledgeable sources).
- 2. Any additional evidence the individual wishes to submit, including evidence that the individual's ownership interest in the property is worth less than the total value of the property divided by the number of owners.
- 3. Any other facts the RO has about the property or about market conditions where it is located. The rebuttal must be supported by a preponderance of the evidence (which may require one or more additional estimates from knowledgeable sources).

The allegation of an encumbrance on the property (any legal debt, such as a mortgage, lien, loan, purchase contract, etc.) must be supported with evidence of:

- The original amount owed;
- The outstanding principal balance; and
- The schedule and amount of payments due on the principal balance.

A copy of the note or agreement establishing the encumbrance must be provided or obtained as verification of equity value.
