**FOR
ACCOUNTING CONSULTING SERVICES**

THIS CONTRACT is made and entered into between the **DIVISION OF MEDICAID, OFFICE OF THE GOVERNOR, STATE OF MISSISSIPPI**, an administrative agency (hereinafter the “DOM”), and _____, a corporation qualified to do business in Mississippi (hereinafter “Contractor”).

WHEREAS:

On February 2, 2009, DOM issued a Request for Bids (RFB# 20090202) to provide Accounting Consulting Services (hereinafter “RFB”), which requested that Bids be submitted to DOM; and

WHEREAS:

The Contractor’s bid in response to the RFB was selected by DOM and the Contract awarded to Contractor;

NOW, THEREFORE, IT IS AGREED BETWEEN THE DIVISION AND CONTRACTOR THAT:

ARTICLE I

ENTIRE AGREEMENT

- A. The RFB in its entirety, together with all attachments, exhibits, appendices, and amendments, the Bid of Contractor (including financials), together with all attachments, exhibits and appendices, are made a part of this Contract as fully as if set forth herein and its terms are made the terms of this Contract. The RFB is labeled as Attachment A. The Bid and its attachments submitted by Contractor

are labeled as Attachment B.

- B. In the event of a dispute or conflict in interpreting the Contract, the Contract, without the Contract's incorporated material, shall be the first controlling. After the Contract, the order of priority shall be as follows: the Bid and its attachments (Attachment B), and the RFB (Attachment A). All the documents shall be read and construed as far as possible to be one harmonious whole; however, in the event of a conflict or dispute, the above list is the list of priority.

ARTICLE II

SCOPE OF WORK

The Scope of Work provisions as described in the RFB are made a part of this Contract as fully as if set forth herein and its terms are made the terms of this Contract.

ARTICLE III

CONTRACT PRICE

The total amount payable by DOM to the Contractor under this Contract shall be limited as described in the Contractor's Bid and shall be at the rate not to exceed a total of \$_____ for the term of the contract.

Payments by state agencies using the Statewide Automated Accounting System (SAAS) shall be made and remittance information provided electronically as directed by the State. These payments shall be deposited into the bank account of the Contractor's choice. The State may, at its sole discretion, require the Contractor to submit invoices and supporting documentation electronically at any time during the term of this Agreement. Contractor understands and agrees that the State is exempt from the payment of taxes. All payments shall be in United States currency.

All other payments and terms thereof shall be made as described in the RFB.

ARTICLE IV
TERMS AND CONDITIONS

The Terms and Conditions of this Contract are those set forth in the RFB in whole and in part, which are fully and wholly incorporated herein and those which are provided below.

APPLICABLE LAW

The contract shall be governed by and construed in accordance with the laws of the State of Mississippi, excluding its conflict of laws provisions, and any litigation with respect thereto shall be brought in the courts of the State of Mississippi. The Contractor shall comply with applicable federal, state and local laws and regulations.

PERFORMANCE STANDARDS, ACTUAL DAMAGES, LIQUIDATED DAMAGES, AND RETAINAGE

DOM reserves the right to assess actual or liquidated damages, upon the Contractor's failure to provide timely services required pursuant to this contract. Actual or liquidated damages for failure to meet specific performance standards as set forth in the scope of work may be assessed as specifically set forth in each performance standard. The Contractor shall be given 15 days notice to respond before DOM makes the assessment. The assessments will be offset against the subsequent monthly payments to the Contractor. Assessment of any actual or liquidated damages does not waive any other remedies available to DOM pursuant to this contract or state or federal law. If liquidated damages are known to be insufficient then DOM has the right to pursue actual damages.

If the Contractor's failure to perform satisfactorily exposes DOM to the likelihood of contracting with another person or entity to perform services required of the Contractor under this contract, upon notice setting forth the services and retainage, DOM may withhold from the Contractor payments in an amount commensurate with the costs anticipated to be incurred. If costs are incurred, DOM shall account to the Contractor and return any excess to the Contractor. If the retainage is not sufficient, the Contractor shall immediately reimburse DOM the difference or DOM may offset from any payments due the Contractor. The Contractor will cooperate fully with the retained Contractor and provide any assistance it needs to implement the terms of its agreement for services for retainage.

STOP WORK ORDER

1. Order to Stop Work - The DOM Contract Administrator may, by written order to the Contractor at any time and without notice to any surety, require the Contractor to stop all or any part of the work called for by this contract. This order shall be for a specified period not exceeding ninety (90) days after the order is delivered to the Contractor, unless the parties agree to an extension. Any such order shall be

identified specifically as a stop work order issued pursuant to this clause. Upon receipt of such an order, the Contractor shall forthwith comply with its terms and take all reasonable steps to minimize the occurrence of costs allowable to the work covered by the order during the period of work stoppage. Before the stop work order expires, or within an extension to which the parties shall have agreed, the Contract Administrator shall either

- a. Cancel the stop work order; or
 - b. Terminate the work covered by such order as provided in the “Termination for Default Clause” or the “Termination for Convenience Clause” of this contract.
2. Cancellation or Expiration of the Order - If a stop work order issued under this clause is canceled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, the Contractor shall have the right to resume work. An appropriate adjustment shall be made in the delivery schedule or Contractor price, or both, and the contract shall be modified in writing accordingly, only if
- a. The stop work order or extension results in an increase in the time required for, or in the Contractor’s cost properly allocable to, the performance of any part of this contract; and
 - b. The Contractor asserts a claim for such an adjustment within 30 days after the end of the stop work order or extension.
3. Termination of Work - If a stop work order or extension is not canceled and the work covered by such stop work order or extension is terminated for default or convenience, adjustment to the contract price will be negotiated between DOM and the Contractor.

TERMINATION OF CONTRACT

The Contract resulting from this RFB may be terminated by DOM as follows:

- For default by the Contractor
- For convenience
- For the Contractor’s bankruptcy, insolvency, receivership, liquidation
- For non-availability of funds

At DOM’s option, termination for any reason listed herein may also be considered termination for convenience. The Contract may be terminated by the Contractor upon 60 days written notice to DOM.

Termination for Default by the Contractor

DOM may immediately terminate this contract in whole or in part whenever DOM determines that the Contractor has failed to satisfactorily perform its contractual duties and responsibilities and is unable to resolve such failure within a period of time specified

by DOM, after considering the gravity and nature of the default. Such termination shall be referred to herein as "Termination for Default."

Upon determination by DOM of any such failure to satisfactorily perform its contractual duties and responsibilities, DOM may notify the Contractor of the failure and establish a reasonable time period in which to resolve such failure. If the Contractor does not resolve the failure within the specified time period, DOM will notify the Contractor that the contract in full or in part has been terminated for default. Such notices shall be in writing and delivered to the Contractor by certified mail, return receipt requested, or in person.

If, after Notice of Termination for default, it is determined that the Contractor was not in default or that the Contractor's failure to perform or make progress in performance was due to causes beyond the control and without error or negligence on the part of the Contractor or any subcontractor, the Notice of Termination shall be deemed to have been issued as a termination for the convenience of DOM, and the rights and obligations of the parties shall be governed accordingly.

In the event of Termination for Default, in full or in part as provided by this clause, DOM may procure, upon such terms and in such manner as DOM may deem appropriate, supplies or services similar to those terminated, and the Contractor shall be liable to DOM for any excess costs for such similar supplies or services for the remainder of the contract period. In addition, the Contractor shall be liable to DOM for administrative costs incurred by DOM in procuring such similar supplies or services.

In the event of a termination for default, the Contractor shall be paid for those deliverables which the Contractor has delivered to DOM. Payments for completed deliverables delivered to and accepted by DOM shall be at the contract price.

The rights and remedies of DOM provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under the contract.

Termination for Convenience

DOM may terminate performance of work under the contract in whole or in part whenever for any reason DOM shall determine that such termination is in the best interest of DOM.

In the event that DOM elects to terminate the contract pursuant to this provision, it shall notify the Contractor by certified mail, return receipt requested, or delivered in person. Termination shall be effective as of the close of business on the date specified in the notice, which shall be at least 30 days from the date of receipt of the notice by the Contractor.

Upon receipt of Notice of Termination for convenience, the Contractor shall be paid the following:

- The contract price(s) for completed deliverables delivered to and accepted by DOM;
- A price commensurate with the actual cost of performance for partially completed deliverables.

Termination for the Contractor Bankruptcy

In the event that the Contractor shall cease conducting business in the normal course, become insolvent, make a general assignment for the benefit of creditors, suffer or permit the appointment of a receiver for its business or its assets, or shall avail itself of, or become subject to, any proceeding under the Federal Bankruptcy Act or any other statute of any state relating to insolvency or the protection of the rights of creditors, DOM may, at its option, terminate this contract in whole or in part.

In the event DOM elects to terminate the contract under this provision, it shall do so by sending Notice of Termination to the Contractor by certified mail, return receipt requested, or delivered in person. The date of termination shall be the close of business on the date specified in such notice to the Contractor. In the event of the filing of a petition in bankruptcy by or against a principal subcontractor, the Contractor shall immediately so advise DOM.

The Contractor shall ensure and shall satisfactorily demonstrate to DOM that all tasks related to the subcontract are performed in accordance with the terms of this contract

Availability of Funds

It is expressly understood and agreed that the obligation of the DOM to proceed under this agreement is conditioned upon the appropriation of funds by the Mississippi State Legislature and the receipt of state and/or federal funds. If the funds anticipated for the continuing fulfillment of the agreement are, at any time, not forthcoming or insufficient, either through the failure of the federal government to provide or the State of Mississippi to appropriate funds, or the discontinuance, or material alteration of the program under which the funds were provided or if funds are not otherwise available to the State, the State shall have the right upon 10 working days written notice to the Contractor, to terminate this agreement without damage, penalty, cost, or expense to the State of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.

PROCEDURE ON TERMINATION

Contractor Responsibilities

Upon delivery by certified mail, return receipt requested, or in person to the Contractor a Notice of Termination specifying the nature of the termination, the extent to which performance of work under the contract is terminated, and the date upon which such termination becomes effective, the Contractor shall:

1. Stop work under the contract on the date and to the extent specified in the Notice of Termination;

2. Place no further orders or subcontracts for materials, services or facilities, except as may be necessary for completion of such portion of the work in progress under the contract until the effective date of termination;
3. Terminate all orders and subcontracts to the extent that they relate to the performance of work terminated by the Notice of Termination;
4. Deliver to DOM within the time frame as specified by DOM in the Notice of Termination, copies of all data and documentation in the appropriate media and make available all records required to assure continued delivery of services to beneficiaries and providers at no cost to DOM;
5. Complete the performance of the work not terminated by the Notice of Termination;
6. Take such action as may be necessary, or as DOM may direct, for the protection and preservation of the property related to the contract which is in the possession of the Contractor and in which DOM has or may acquire an interest;
7. Fully train DOM staff or other individuals at the direction of DOM in the operation and maintenance of the process;
8. Promptly transfer all information necessary for the reimbursement of any outstanding claims; and
9. Complete each portion of the Turnover Phase after receipt of the Notice of Termination. The Contractor shall proceed immediately with the performance of the above obligations notwithstanding any allowable delay in determining or adjusting the amount of any item of reimbursable price under this clause.

The Contractor has an absolute duty to cooperate and help with the orderly transition of the duties to DOM or its designated contractor following termination of the contract for any reason.

DOM Responsibilities

Except for Termination for Contractor Default, DOM will make payment to the Contractor on termination and at contract price for completed deliverables delivered to and accepted by DOM. The Contractor shall be reimbursed for partially completed deliverables at a price commensurate with actual cost of performance.

In the event of the failure of the Contractor and DOM to agree in whole or in part as to the amounts to be paid to the Contractor in connection with any termination described in this RFB, DOM shall determine on the basis of information available the amount, if any, due to the Contractor by reason of termination and shall pay to the Contractor the amount so determined.

ASSIGNMENT OF THE CONTRACT

The Contractor shall not sell, transfer, assign, or otherwise dispose of the contract or any portion thereof or of any right, title, or interest therein without written consent of DOM. Any such purported assignment or transfer shall be void. If approved, any assignee shall

be subject to all terms and conditions of this contract. No approval by DOM of any assignment may be deemed to obligate DOM beyond the provisions of this contract. This provision includes reassignment of the contract due to change in ownership of the Contractor. DOM shall at all times be entitled to assign or transfer its rights, duties, and/or obligations under this contract to another governmental agency in the State of Mississippi upon giving prior written notice to the Contractor.

EXCUSABLE DELAYS

The Contractor and DOM shall be excused from performance under this contract for any period that they are prevented from performing any services under this Contract as a result of an act of God, war, civil disturbance, epidemic, court order, government act or omission, or other cause beyond their reasonable control.

COST OR PRICING DATA

If DOM determines that any price, including profit or fee, negotiated in connection with this RFB was increased because the Contractor furnished incomplete or inaccurate cost or pricing data not current as certified in the Contractor's certification of current cost or pricing data, then such price or cost shall be reduced accordingly and this RFB shall be modified in writing and acknowledged by the Contractor to reflect such reduction.

SUBCONTRACTING

The Contractor is solely responsible for fulfillment of the Contract terms with DOM. DOM will make Contract payments only to the Contractor.

The Contractor shall not subcontract any portion of the services to be performed under this Contract without the prior written approval of DOM. The Contractor shall notify DOM not less than thirty (30) days in advance of its desire to subcontract and include a copy of the proposed subcontract with the proposed subcontractor.

Approval of any subcontract shall neither obligate DOM nor the State of Mississippi as a party to that subcontract nor create any right, claim, or interest for the subcontractor against the State of Mississippi or DOM, their agents, their employees, their representatives, or successors.

Any subcontract shall be in writing and shall contain provisions such that it is consistent with the Contractor's obligations pursuant to this Contract.

The Contractor shall be solely responsible for the performance of any subcontractor under such subcontract approved by DOM.

The Contractor shall give DOM immediate written notice by certified mail, facsimile, or any other carrier that requires signature upon receipt of any action or suit filed and prompt notice of any claim made against the Contractor or Contractor which in the

opinion of the Contractor may result in litigation related in any way to the Contract with DOM.

OWNERSHIP OF DOCUMENTS

Where activities supported by this contract produce original writing, sound recordings, pictorial reproductions, drawings, or other graphic representation and works of any similar nature, DOM shall have the right to use, duplicate, and disclose such materials in whole or in part, in any manner, for any purpose whatsoever and to have others do so. If the material is qualified for copyright, the Contractor may copyright such material, with approval of DOM, but DOM shall reserve a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, and use such materials, in whole or in part, and to authorize others to do so.

OWNERSHIP OF INFORMATION AND DATA

DOM, The Department of Health and Human Services (DHHS), The Centers for Medicare and Medicaid Services (CMS), the State of Mississippi, and/or their agents shall have unlimited rights to use, disclose, or duplicate, for any purpose whatsoever, all information and data developed, derived, documented, or furnished by the Contractor under any contract resulting from this RFB.

The Contractor agrees to grant in its own behalf and on behalf of its agents, employees, representatives, assignees, and contractors to DOM, DHHS, CMS and the State of Mississippi and to their officers, agents, and employees acting in their official capacities a royalty-free, non-exclusive, and irrevocable license throughout the world to publish, reproduce, translate, deliver, and dispose of all such information now covered by copyright of the proposed Contractor.

Excluded from the foregoing provisions in this Section 3.7.2, however, are any pre-existing, proprietary tools owned, developed, or otherwise obtained by Contractor independently of this Contract. Contractor is and shall remain the owner of all rights, title and interest in and to the Proprietary Tools, including all copyright, patent, trademark, trade secret and all other proprietary rights thereto arising under federal and state law, and no license or other right to the Proprietary Tools is granted or otherwise implied. Any right that the DOM may have with respect to the Proprietary Tools shall arise only pursuant to a separate written agreement between the parties.

RIGHT OF INSPECTION

DOM, the Mississippi Department of Audit, The Department of Health and Human Services (DHHS), The Centers for Medicare and Medicaid Services (CMS), the Office of Inspector General (OIG), the General Accounting Office (GAO), or any other auditing agency prior-approved by DOM, or their authorized representative shall, at all reasonable times, have the right to enter onto the Contractor's premises, or such other places where duties under this contract are being performed, to inspect, monitor, or otherwise evaluate

(including periodic systems testing) the work being performed. The Contractor must provide access to all facilities and assistance for DOM and Mississippi Audit Department representatives. All inspections and evaluations shall be performed in such a manner as will not unduly delay work. Refusal by the Contractor to allow access to all documents, papers, letters or other materials, shall constitute a breach of contract. All audits performed by persons other than DOM staff will be coordinated through DOM and its staff.

LICENSES, PATENTS AND ROYALTIES

DOM does not tolerate the possession or use of unlicensed copies of proprietary software. The Contractor shall be responsible for any penalties or fines imposed as a result of unlicensed or otherwise defectively titled software.

The Contractor, without exception, shall indemnify, save, and hold harmless DOM and its employees from liability of any nature or kind, including cost and expenses for or on account of any copyrighted, patented, or non-patented invention, process, or article manufactured by the Contractor. The Contractor has no liability when such claim is solely and exclusively due to the combination, operation or use of any article supplied hereunder with equipment or data not supplied by the Contractor or is based solely and exclusively upon DOM's alteration of the article. DOM will provide prompt written notification of a claim of copyright or patent infringement.

Further, if such a claim is made or is pending, the Contractor may, at its option and expense, procure for DOM the right to continue use of, replace or modify the article to render it non-infringing. If none of the alternatives is reasonably available, the Contractor agrees to take back the article and refund the total amount DOM has paid the Contractor under this contract for use of the article.

If the Contractor uses any design, device, or materials covered by letters, patent or copyright, it is mutually agreed and understood without exception that the proposed prices shall include all royalties or costs arising from the use of such design, device, or materials in any way involved in the work.

Records Retention Requirements

The Contractor shall maintain detailed records evidencing all expenses incurred pursuant to the Contract, the provision of services under the Contract, and complaints, for the purpose of audit and evaluation by the Agency and other federal or State personnel. All records, including training records, pertaining to the Contract must be readily retrievable within three (3) workdays for review at the request of the Agency and its authorized representatives. All records shall be maintained and available for review by authorized federal and State personnel during the entire term of the Contract and for a period of five (5) years thereafter, unless an audit is in progress. When an audit is in progress or audit findings are unresolved, records shall be kept for a period of five (5) years or until all issues are finally resolved, whichever is later.

REPRESENTATION REGARDING CONTINGENT FEES

The Contractor represents by executing this contract that it has not retained a person to solicit or secure a State contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee.

ENTIRE CONTRACT

In the event of a conflict in language among any of the components of the contract, the contract shall govern. DOM reserves the right to clarify any contractual relationship in writing and such clarification will govern in case of conflict with the requirements of the RFB. Any ambiguity in the RFB shall be construed in favor of DOM.

The contract represents the entire agreement between the Contractor and DOM and it supersedes all prior negotiations, representations, or agreements, either written or oral between the parties hereto relating to the subject matter hereof.

Conformance with Federal and State Regulations

The Contractor shall be required to conform to all federal and state laws, regulations, and policies as they exist or as amended.

In the event that the Contractor requests that the Executive Director of DOM or his/her designee issue policy determinations or operating guidelines required for proper performance of the contract, DOM shall do so in a timely manner. The Contractor shall be entitled to rely upon and act in accordance with such policy determinations and operating guidelines unless the Contractor acts negligently, maliciously, fraudulently, or in bad faith.

Waiver

No covenant, condition, duty, obligation, or undertaking contained in or made a part of this contract will be waived except by the written agreement of the parties, and forbearance or indulgence in any other form or manner by either party in any regard whatsoever shall not constitute a waiver of the covenant, condition, duty, obligation, or undertaking to be kept, performed, or discharged by the party to which the same may apply; and until complete performance or satisfaction of all such covenants, conditions, duties, obligations, and undertakings, the other party shall have the right to invoke any remedy available under law or equity, notwithstanding any such forbearance or indulgence.

Contract Variations

If any provision of the contract (including items incorporated by reference) is declared or found to be illegal, unenforceable, or void, then both DOM and the Contractor shall be relieved of all obligations arising under such provision; if the remainder of the contract is capable of performance, it shall not be affected by such declaration or funding and shall be fully performed.

Headings

The headings used throughout the contract are for convenience only and shall not be resorted to for interpretation of the contract.

Change Orders and/or Amendments

The Executive Director of DOM or designated representative may, at any time, by written order delivered to the Contractor at least thirty (30) days prior to the commencement date of such change, make administrative changes within the general scope of the contract. If any such change causes an increase or decrease in the cost of the performance of any part of the work under the contract an adjustment commensurate with the costs of performance under this contract shall be made in the contract price or delivery schedule or both. Any claim by the Contractor for equitable adjustment under this clause must be asserted in writing to DOM within thirty (30) days from the date of receipt by the Contractor of the notification of change. Failure to agree to any adjustment shall be a dispute within the meaning of the Dispute Clause of this Contract. Nothing in this case, however, shall in any manner excuse the Contractor from proceeding diligently with the contract as changed.

If the parties are unable to reach an agreement within thirty (30) days of DOM receipt of the Contractor's cost estimate, the Executive Director of DOM shall make a determination of the revised price, and the Contractor shall proceed with the work according to a schedule approved by DOM subject to the Contractor's right to appeal the Executive Director's determination of the price pursuant to the Disputes Section. Nothing in this clause shall in any manner excuse the Contractor from proceeding diligently with the contract as changed.

The rate of payment for changes or amendments completed per contract year shall be at the rates specified by the Contractor's bid.

At any time during the term of this contract, DOM may increase the quantity of goods or services purchased under this contract by sending the Contractor a written amendment or modification to that effect which references this contract and is signed by the Executive Director of DOM. The purchase price shall be the lower of the unit cost identified in the Contractor's bid or the Contractor's then-current, published price. The foregoing shall not apply to services provided to DOM at no charge. The delivery schedule for any items added by exercise of this option shall be set by mutual agreement.

Cost of Litigation

In the event that DOM deems it necessary to take legal action to enforce any provision of the contract, the Contractor shall bear the cost of such litigation, as assessed by the court, in which DOM prevails. Neither the State of Mississippi nor DOM shall bear any of the Contractor's cost of litigation for any legal actions initiated by the Contractor against DOM regarding the provisions of the contract. Legal action shall include administrative proceedings.

Attorney Fees

The Contractor agrees to pay reasonable attorney fees incurred by the State and DOM in enforcing this agreement or otherwise reasonably related thereto.

INDEMNIFICATION

The Contractor agrees to indemnify, defend, save, and hold harmless DOM, the State of Mississippi, their officers, agents, employees, representatives, assignees, and contractors from any and all claims and losses accruing or resulting to any and all the Contractor employees, agents, subcontractors, laborers, and any other person, association, partnership, entity, or corporation furnishing or supplying work, services, materials, or supplies in connection with performance of this contract, and from any and all claims and losses accruing or resulting to any such person, association, partnership, entity, or corporation who may be injured, damaged, or suffer any loss by the Contractor in the performance of the contract.

The Contractor agrees to indemnify, defend, save, and hold harmless DOM, the State of Mississippi, their officers, agents, employees, representatives, assignees, and contractors against any and all liability, loss, damage, costs or expenses which DOM may sustain, incur or be required to pay: 1.) by reason of any person suffering personal injury, death or property loss or damage of any kind either while participating with or receiving services from the Contractor under this contract, or while on premises owned, leased, or operated by the Contractor or while being transported to or from said premises in any vehicle owned, operated, leased, chartered, or otherwise contracted for or in the control of the Contractor or any officer, agent, or employee thereof; or 2.) by reason of the Contractor or its employee, agent, or person within its scope of authority of this contract causing injury to, or damage to the person or property of a person including but not limited to DOM or the Contractor, their employees or agents, during any time when the Contractor or any officer, agent, employee thereof has undertaken or is furnishing the services called for under this contract.

The Contractor agrees to indemnify, defend, save, and hold harmless DOM, the State of Mississippi, their officers, agents, employees, representatives, assignees, and contractors against any and all liability, loss, damages, costs or expenses which DOM or the State may incur, sustain or be required to pay by reason of the Contractor, its employees, agents or assigns: 1.) failing to honor copyright, patent or licensing rights to software, programs or technology of any kind in providing services to DOM, or 2.) breaching in any manner the confidentiality required pursuant to federal and state law and regulations.

The Contractor agrees to indemnify, defend, save, and hold harmless DOM, the State of Mississippi, their officers, agents, employees, representatives, assignees, and contractors from all claims, demands, liabilities, and suits of any nature whatsoever arising out of the contract because of any breach of the contract by the Contractor, its agents or employees, including but not limited to any occurrence of omission or commission or negligence of the Contractor, its agents or employees.

If in the reasonable judgment of DOM a default by the Contractor is not so substantial as to require termination and reasonable efforts to induce the Contractor to cure the default are unsuccessful and the default is capable of being cured by DOM or by another resource without unduly interfering with the continued performance of the Contractor, DOM may provide or procure such services as are reasonably necessary to correct the default. In such event, the Contractor shall reimburse DOM for the reasonable cost of those services. DOM may deduct the cost of those services from the Contractor's monthly administrative invoices. The Contractor shall cooperate with DOM or those procured resources in allowing access to facilities, equipment, data or any other Contractor resources to which access is required to correct the default. The Contractor shall remain liable for ensuring that all operational performance standards remain satisfied.

No Limitation of Liability

Nothing in this contract shall be interpreted as excluding or limiting any liability of the Contractor for harm caused by the intentional or reckless conduct of the Contractor, or for damages incurred in the negligent performance of duties by the Contractor, or for the delivery by the Contractor of products that are defective, or for breach of contract or any other duty by the Contractor. Nothing in the contract shall be interpreted as waiving the liability of the Contractor for consequential, special, indirect, incidental, punitive or exemplary loss, damage, or expense related to the Contractor's conduct or performance under this contract.

STATUS OF THE CONTRACTOR

Independent Contractor

It is expressly agreed that the Contractor is an independent Contractor performing professional services for DOM and is not an officer or employee of the State of Mississippi or DOM. It is further expressly agreed that the contract shall not be construed as a partnership or joint venture between the Contractor and DOM.

The Contractor shall be solely responsible for all applicable taxes, insurance, licensing and other costs of doing business. Should the Contractor default on these or other responsibilities jeopardizing the Contractor's ability to perform services effectively, DOM, in its sole discretion, may terminate this contract.

The Contractor shall not purport to bind DOM, its officers or employees nor the State of Mississippi to any obligation not expressly authorized herein unless DOM has expressly given the Contractor the authority to do so in writing.

The Contractor shall give DOM immediate notice in writing of any action or suit filed, or of any claim made by any party which might reasonably be expected to result in litigation related in any manner to this contract or which may impact the Contractor's ability to perform.

No other agreements of any kind may be made by the Contractor with any other party for furnishing any information or data accumulated by the Contractor under this contract or

used in the operation of this program without the written approval of DOM. Specifically, DOM reserves the right to review any data released from reports, histories, or data files created pursuant to this Contract.

In no way shall the Contractor represent itself directly or by inference as a representative of the State of Mississippi or the Division of Medicaid except within the confines of its role as a contractor for the Division of Medicaid. DOM's approval must be received in all instances in which the Contractor distributes publications, presents seminars, presents workshops, or performs any other outreach.

The Contractor shall not use DOM's name or refer to the contract directly or indirectly in any advertisement, news release, professional trade or business presentation without prior written approval from DOM.

Employment of DOM Employees

The Contractor shall not knowingly engage on a full-time, part-time, or other basis during the period of the contract, any professional or technical personnel who are or have been at any time during the period of the contract in the employ of DOM, without the written consent of DOM. Further, the Contractor shall not knowingly engage in this project, on a full-time, part-time, or other basis during the period of the contract, any former employee of DOM who has not been separated from the agency for at least one year, without the written consent of DOM.

The Contractor shall give priority consideration to hiring interested and qualified adversely affected State employees at such times as requested by DOM to the extent permitted by this contract or state law.

Conflict of Interest

No official or employee of DOM and no other public official of the State of Mississippi or the Federal Government who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of the project shall, prior to the completion of the project, voluntarily acquire any personal interest, direct or indirect, in the contract or proposed contract. A violation of this provision shall constitute grounds for termination of this contract. In addition, such violation will be reported to the State Ethics Commission, Attorney General, and appropriate federal law enforcement officers for review.

The Contractor covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of its services hereunder. The Contractor further covenants that in the performance of the contract no person having any such known interests shall be employed including subsidiaries or entities that could be misconstrued as having a joint relationship, and to employment by the Contractor of immediate family members of Medicaid providers.

The Contractor shall not at any time during the duration of this contract have an auditing,

accounting or any other relationship with any facility or provider effected by the contract resulting from this RFB that, in the sole judgment of DOM, impairs an independent relationship. This includes any entity which files a cost report with DOM.

Personnel Practices

All employees of the Contractor involved in the Medicaid function will be paid as any other employee of the Contractor who works in another area of their organization in a similar position. The Contractor shall develop any and all methods to encourage longevity in Contractor's staff assigned to this contract.

Employees of the Contractor shall receive all benefits afforded to other similarly situated employees of the Contractor.

The Contractor must agree to sign the Drug Free Workplace Certificate (Exhibit 1).

No Property Rights

No property rights inure to the Contractor except for compensation for work that has already been performed.

EMPLOYMENT PRACTICES

The Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, gender, national origin, age, marital status, political affiliations, or disability. The Contractor must act affirmatively to ensure that employees, as well as applicants for employment, are treated without discrimination because of their race, color, religion, gender, national origin, age, marital status, political affiliation, or disability.

Such action shall include, but is not limited to the following: employment, promotion, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment notices setting forth the provisions of this clause.

The Contractor shall, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, age, marital status, political affiliation, or disability, except where it relates to a bona fide occupational qualification or requirement.

The Contractor shall comply with the non-discrimination clause contained in Federal Executive Order 11246, as amended by Federal Executive Order 11375, relative to Equal Employment Opportunity for all persons without regard to race, color, religion, sex, or national origin, and the implementing rules and regulations prescribed by the Secretary of Labor and with Title 41, Code of Federal Regulations, Chapter 60. The Contractor shall
