

MS Medicaid Covered Over-the-Counter (OTC) Drugs

Effective April 1, 2008

Medicaid covers these over-the-counter (OTC) drugs pursuant to a written/verbal/electronic prescription.

Covered OTC products must be manufactured by pharmaceutical companies participating in the Federal Drug Rebate Program.

OTC drug prescriptions are included in the monthly drug benefit limit.

* **Indicates** Limited to beneficiaries up to the age of 21 only

** **Indicates** Limited to dialysis beneficiaries only, document "For Dialysis Pt" on the front of the Rx.
