

MS Medicaid Covered Over-the-Counter (OTC) Dr

Effective January 1, 2013

Medicaid covers these over-the-counter (OTC) drugs pursuant to a written/verbal/electronic prescription. Covered OTC products must be manufactured by pharmaceutical companies participating in the Federal OTC program. OTC prescriptions are included in the monthly drug benefit limit but all count as generics.

Nonrebated OTCs & OTC products not listed *may* be covered for beneficiaries under 21 with a 'Child' as part of the expanded EPSDT coverage.
