## PROVIDER NOTICE

To: Medicaid Providers  
 Subject: Preferred Drug List Changes  
 Date: May 17, 2010

As a result of medication reviews by the Division of Medicaid's Pharmacy and Therapeutics Committee, the following changes will be made to DOM's Preferred Drug List **effective July 1, 2010**. Generic products are listed in lower case. For a comprehensive Preferred Drug List, refer to our website at [www.medicaid.ms.gov](http://www.medicaid.ms.gov), select Pharmacy services, go to menu on right hand side of page, and select PDL. This list is subject to change.
