Methods and Standards for Establishing Payment Rates – Other Types of Care

Payment Limit for 340B Entities:

For entities enrolled as 340B providers and providing services as a covered entity, those drugs eligible for 340B pricing under the rules of the 340B program are reimbursed at the estimated acquisition cost (EAC) or the 340B actual acquisition cost. In the pharmacy point-of-sale, venue a reasonable dispensing fee is paid.

The estimated acquisition cost (EAC) or 340B actual acquisition cost is defined as the price at which the covered entity has paid the wholesaler or manufacturer for the outpatient drug.
