

LTSS Assessment Workgroup Report February 25, 2014

- ~ Conference call December 20th regarding questions for Services and Supports Questionnaire
 - ~ Comments/suggestions regarding person first language incorporated to the extent possible
 - ~ Ended up with 13 questions
 - ~ Can be done online or over the phone with a MAC Center or other agency staff person
 - ~ Meeting with FEi to map questions to services
- ~ InterRAI-HC chosen to replace the current PAS for Elderly & Disabled, Independent Living, SCI/TBI, and Assisted Living waivers - may also incorporate questions for PASRR for consistency across programs
 - ~ Meeting with FEi to determine which answers to which questions will trigger the need for a Level II assessment (InterRAI)
- ~ Different instrument will be used for IDD – possibly the ICAP
 - ~ InterRAI-ID only assesses above 18 yrs
 - ~ InterRAI-ID cannot be used for resource allocation
 - ~ Not widely used in the IDD world at all – much greater use in home care settings and nursing homes
 - ~ Takes approximately 1.25-1.5 hours to administer and must be done on an annual basis
 - ~ Not person centered
 - ~ Answers to certain questions pre-populate the Plan of Care
- ~ Development of 30 question Level I screener based on questions from the InterRAI-HC
 - ~ Children to be incorporated
- ~ Working on determining which staff at which levels in what agencies will administer the Level I and II assessments
