

MISSISSIPPI DIVISION OF MEDICAID

TRANSFER OF ASSETS DIVISOR RATES

The transfer of assets divisors are used to calculate both monthly and partial month transfer of assets penalty periods. Effective July 1, 2014, these divisors, shown as monthly and daily rates, are subject to change on July 1st of each year. The divisor is based on the statewide average daily private pay rate for a semi-private room as reported by nursing facilities that participate in the Medicaid program.
