

Amendment 1 to RFP #20150123-IT

Section 1.0-Scope of Work, Sub-Section 1.1-Purpose has been revised as follows:

- Assisting DOM with Technical Support for the following tasks, including but not limited to:
 - o Assist DOM with the technical sections for RFP generation and technical proposal evaluation for vendor selections for any additional work needed for the web portal;
 - o Assist DOM with strategic planning, governance, and procurement as needed for the final Phase of the Eligibility Modernization Project as DOM and MDHS work toward an integrated system;
 - o Assist DOM with Federally required documentation and contingency planning; and,
 - o Other related tasks that may fall within the standard IV&V scope, as required.
