Screen and Enroll Process

The CHIP Agency has coordinated eligibility and enrollment screening procedures in place that are applied at time of initial application, periodic redeterminations, and follow-up eligibility determinations. The procedures ensure that only targeted low-income children are provided CHIP coverage and that enrollment is facilitated for applicants found to be potentially eligible for other insurance affordability programs.

SPA# MS-13-0012 Approval Date: MAY 05 2014 Effective Date: October 1, 2013
CHIP Eligibility

Procedures include:

- Screening of application to identify all individuals eligible or potentially eligible for CHIP or other insurance affordability programs; and

- Income eligibility test, with calculation of household income consistent with 42 CFR 457.315 for individuals identified as potentially eligible for Medicaid or other insurance affordability programs based on household income; and

- Screening process for individuals who may qualify for Medicaid on a basis other than having household income at or below the applicable MAGI standard, based on information in the single streamlined application.

The CHIP agency has entered into an arrangement with the Exchange to make eligibility determinations for advanced premium tax credits in accordance with section 1943(b)(2) of the SSA.

Redetermination Processing

- Redeterminations of eligibility for individuals whose financial eligibility is based on the applicable modified adjusted gross income standard are performed as follows, consistent with 42 CFR 457.343:
  - Once every 12 months.
  - Without requiring information from the individual if able to do so based on reliable information contained in the individual's account or more current information available to the agency.

  If the agency cannot determine eligibility solely on the basis of the information available to it, or otherwise needs additional information to complete the redetermination, it provides the individual with a pre-populated renewal form containing the information already available.

Screening by Other Insurance Affordability Programs

The CHIP Agency provides assurance that it has adopted procedures to accept and process electronic accounts of individuals screened as potentially eligible for CHIP by other insurance affordability programs in accordance with the requirements of 42 CFR 457.348(b) and to determine eligibility in accordance with 42 CFR 457.340 in the same manner as if the application had been submitted directly to, and processed by the state.

The CHIP Agency elects the option to accept CHIP eligibility decisions made by the Exchange or other agencies administering insurance affordability programs as provided in 42 CFR 457.348 and to furnish CHIP in accordance with requirements of 42 CFR 457.340 to the same extent and in the same manner as if the applicant had been determined by the state to be eligible for CHIP.

The CHIP Agency has entered into an agreement with agencies administering other insurance affordability programs to fulfill the requirements of 457.348(b) and will provide this agreement to the Secretary upon request.

PART 9 – READ & SIGN THIS APPLICATION – continued

We need information on this application form to check your eligibility for help paying for health coverage if you choose to apply. We’ll check your answers using information in our electronic databases and databases from the Internal Revenue Service (IRS), Social Security, the Department of Homeland Security and/or a consumer reporting agency. If the information does not match, we may ask you to send us proof.

Renewal of coverage in future years: Check the box of your choice

To make it easier to determine my eligibility for help paying for health coverage in future years, I agree to allow the federal health insurance marketplace to use income data, including information from tax returns. The marketplace will send me a notice, let me make any changes and I can opt out at any time.

Yes, renew my eligibility automatically (if possible) for the next: □ 5 years (maximum) or for □ 4 years □ 3 years □ 2 years □ 1 year □ Don’t use information from tax returns to renew my coverage.

Your Right to Appeal

If you think that the Health Insurance Marketplace or Medicaid or CHIP made a mistake, you can appeal the decision. To appeal means to ask for a hearing or review of the action taken that you think is wrong. You can find out how to appeal any action taken by the federal health insurance marketplace or Medicaid/CHIP by calling 1-800-421-2408. You can be represented by someone other than yourself. Your eligibility and other important information will be explained to you. A change in your information reported on your application or review form could affect the eligibility of all household members applying or receiving benefits through the Marketplace or Medicaid or CHIP.

If anyone applying is eligible for Medicaid or CHIP, you need to know and agree to the following:

If Medicaid pays for a medical expense, any money from other health insurance or legal settlements will go to Medicaid to reimburse for these services. By accepting Medicaid, you agree to give up your rights to any third party payments to the Division of Medicaid.

If you receive care or treatment under Medicaid or CHIP, you authorize the health care provider to release to Medicaid or the CHIP insurer your medical records and information relating to your diagnosis, examination and treatment.

Your case will be reviewed every year and you will be sent a notice regarding the action you must take, if any, to renew Medicaid or CHIP coverage. Adults may be reviewed more than once per year depending on the types of changes that are reported during the year.

Information that you give may be selected for review by state or federal auditors (reviewers). You must cooperate with the review process if your case is selected. No additional permission is needed to get verification or other information to review your case.

Children under age 21 who are eligible for Medicaid are eligible for a free health care prevention program. It provides a way for children to get medical exams, check-ups, follow up treatment and special care to make sure they maintain good health. You will be asked to select an approved screening provider once your children are enrolled in Medicaid.

Adults eligible for Medicaid should get a yearly health screening (physical exam) from your local doctor or clinic. This exam will not count against your annual doctor visit limit.

Information about family planning services and WIC food services are available from your local Health Department.
