

Get all MississippiCAN has to offer and more — choose the health plan that puts you first.

Since 1980, Molina Healthcare has been bringing our members quality care, close to home. Across the country, we are known as the health plan that treats you like family. Now we're excited to join your community, and provide the benefits you need through MississippiCAN.

**We're Molina Healthcare.
And you're important to us.**

We are committed to making it easy for you to stay healthy, with:

Unlimited Office Visits – While Medicaid covers just 12 visits, Molina gives you access to see the doctor as many times as you need each year.

24-Hour Nurse Advice Line – Call the line, any time. Our nurses are always ready to answer your health questions.

Pregnancy Program – To help high-risk mothers avoid premature birth, this program provides tools for a healthier pregnancy and baby.

Vision Care – In addition to standard coverage, Molina will pay your provider an extra \$100 for frames and lenses.

No-cost Cell Phone – Get a smartphone to communicate with Molina care managers, access transportation and community organizations, use our Health in Hand app, and more.

Farm to Table – Eat your vegetables — it's good for you! And to make it easy, Molina distributes fresh vegetables to our members through local churches and community organizations.

Stay healthy, get rewards – Visit your doctor as directed and receive gift cards and more. Reward programs include:

- **Prenatal Care** – During pregnancy, visit your OB/GYN for regular exams and receive a car seat.
