

Details for title: Site of Service Differential

Issue Name	Site of Service Differential
Review Type	Automated
Provider Type	Physician
Date Approved	04/21/2020

Description

To identify physician claims for specific CPT/HCPC codes that paid using the incorrect places of service; these would be places of service for non-facility. When a professional service is provided in a facility, the costs of the clinical personnel, equipment, and supplies are incurred by the facility. Therefore, a reduction in payment occurs.

Affected Codes

- In accordance with the Medicaid Fee Schedule for specific HCPC/CPT codes, a Site of Service Fee is allocated. This amount is used when these services are performed in a facility setting.
