METHODS AND STANDARDS FOR ESTABLISHING PAYMENT RATES-OTHER TYPES OF CARE

---

6d. Other Licensed Practitioners' (OLP) Services:

Nurse Practitioner and Physician Assistant Services: Reimbursement for nurse practitioner and physician assistant services shall be at 90% of the fee for reimbursement paid to licensed physicians under the Mississippi Medicaid statewide physician fee schedule for comparable services under comparable circumstances.

Psychologist, Licensed Certified Social Workers (LCSW), and Licensed Professional Counselors (LPC) Services and Licensed Marriage and Family Therapists (LMFT) are reimbursed according to the payment methodology on Attachment 4.19-B, Page 13.

OLP services for EPSDT beneficiaries, when prior authorized by the Utilization Management/Quality Improvement Organization (UM/QIO) as medically necessary, which exceed the limitations and scope for Medicaid beneficiaries, as covered in this Plan, are reimbursed according to the methodology in the above paragraph.

Reimbursement to a pharmacy provider, for vaccine administration by a pharmacist, is the same fee as a non-physician practitioner that has attested as a primary care physician (PCP) outlined in Attachment 4.19-B page 5a.

Pharmacy Disease Management Services: The pharmacy disease management services are reimbursed on a per encounter basis with an encounter averaging between fifteen and thirty minutes. The reimbursement is a flat fee established after reviewing Medicaid's physician fee schedule and reimbursement methodologies and fees of other states and third party payers.

Except as otherwise noted in the plan, state-developed uniform fixed fee schedule rates are the same for both governmental and private OLP providers. The Division of Medicaid's fee schedule rate was set as of September 1, 2020, and is effective for services provided on or after that date. All rates are published on the agency's website at <http://www.medicaid.ms.gov/FeeScheduleLists.aspx>.
