Note Number	Column Title	Details
1	Code	<ul style="list-style-type: none"> • Healthcare Common Procedure Coding System (HCPCS) or Current Procedural Terminology (CPT) Code
2	Description	<ul style="list-style-type: none"> • Short Descriptor for the Healthcare Common Procedure Coding System (HCPCS) or Current Procedural Terminology Code Clinical Description
3	Modifier	<ul style="list-style-type: none"> • This column is used to denote the type of service. <ol style="list-style-type: none"> 1. 26- Professional component of the service being billed was "interpretation only" 2. TC - Technical Component
4	Site of Service	<ul style="list-style-type: none"> • This column is used to denote the site of service differential. <ol style="list-style-type: none"> 1. Non-Facility Rate: The rate paid for professional services performed in a setting that is not a facility. 2. Facility Rate: The rate paid for professional services performed in a facility setting.
5	Prior Authorization (PA)	<ul style="list-style-type: none"> • This column identifies the codes that require prior authorization before the service is performed.
6	Min Age	<ul style="list-style-type: none"> • This column is the covered minimum age for the service.
7	Max Age	<ul style="list-style-type: none"> • This column is the covered maximum age for the service.
8	Begin Date	<ul style="list-style-type: none"> • This column represents the begin date of which the fee in columns K became effective.
9	End Date	<ul style="list-style-type: none"> • This column represents the end date of the fee segment in columns K.
10	Max Units	<ul style="list-style-type: none"> • This column represents the maximum units the Division of Medicaid covers for the service.
11	Fee	<ul style="list-style-type: none"> • This column is the maximum amount that Division of Medicaid will pay for each unit. • When the maximum fee is listed as 0.00, the provider must request a prior authorization and/or submit a By Report claim, as identified on the fee schedule. • MP - Manually Priced • NC - Non Covered Service

Mississippi Division of Medicaid
PATHOLOGY/LABORATORY FEE SCHEDULE
 Print Date: JULY 15, 2022

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fee schedules are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

Mississippi Division of Medicaid
PATHOLOGY/LABORATORY FEE SCHEDULE
 Print Date: JULY 15, 2022

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fee schedules are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2021 American Medical Association and © 2021 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Mississippi Division of Medicaid
PATHOLOGY/LABORATORY FEE SCHEDULE
 Print Date: JULY 15, 2022

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fee schedules are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2021 American Medical Association and © 2021 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Mississippi Division of Medicaid
PATHOLOGY/LABORATORY FEE SCHEDULE
 Print Date: JULY 15, 2022

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fee schedules are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2021 American Medical Association and © 2021 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Mississippi Division of Medicaid
PATHOLOGY/LABORATORY FEE SCHEDULE
 Print Date: JULY 15, 2022

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fee schedules are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

Mississippi Division of Medicaid
PATHOLOGY/LABORATORY FEE SCHEDULE
 Print Date: JULY 15, 2022

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fee schedules are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

The Current Procedural Terminology (CPT) and Current Dental Terminology (CDT) codes descriptors, and other data are copyright© 2021 American Medical Association and © 2021 American Dental Association (or such other date publication of CPT and CDT). All rights reserved. Applicable FARS/DFARS apply.

Mississippi Division of Medicaid
PATHOLOGY/LABORATORY FEE SCHEDULE
 Print Date: JULY 15, 2022

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fee schedules are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

Mississippi Division of Medicaid
PATHOLOGY/LABORATORY FEE SCHEDULE
 Print Date: JULY 15, 2022

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fee schedules are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

Mississippi Division of Medicaid
PATHOLOGY/LABORATORY FEE SCHEDULE
 Print Date: JULY 15, 2022

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fee schedules are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

Mississippi Division of Medicaid
PATHOLOGY/LABORATORY FEE SCHEDULE
 Print Date: JULY 15, 2022

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fee schedules are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

Mississippi Division of Medicaid
PATHOLOGY/LABORATORY FEE SCHEDULE
 Print Date: JULY 15, 2022

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fee schedules are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.

 Print Date: JULY 15, 2022

The fee schedules located on the Mississippi Medicaid website are prepared to assist Medicaid providers and are not intended to grant rights or impose obligations. Every effort is made to assure the accuracy of the information within the fee schedules as of the date they are printed. Medicaid makes no guarantee that this compilation of fee schedule information is error-free and will bear no responsibility or liability for the results or consequences of the use of these schedules. Fee schedules are posted for informational purposes only and do not guarantee reimbursement. Fees are subject to the rules and requirements of the Division of Medicaid, Federal and State law.

All services and maximums allowed quantities are subject to NCCI procedure-to-procedure or medically unlikely editing even if prior authorized.
