

STATE: MISSISSIPPI

METHODS AND STANDARDS FOR ESTABLISHING PAYMENT RATES - OTHER TYPES OF CARE

Orthotics and Prosthetics for children under age 21, if medically necessary, are reimbursed as follows:

- A. The reimbursement for purchase of Orthotics and Prosthetics is made from a Mississippi Medicaid statewide uniform fee schedule based on eighty percent (80%) of the Medicare rate.
- B. The reimbursement for repair of Orthotics and Prosthetics is the actual cost, not to exceed fifty percent (50%) of the purchase amount.
