

6. Dental Claim Form Instructions (Version 2012 American Dental Association)

This section explains the procedures for obtaining reimbursement for dental services submitted to Medicaid on the 2012 American Dental Association (ADA) claim form. Mississippi Medicaid accepts both electronic and paper dental claims. Dental providers are strongly encouraged to bill electronic claims to reduce the potential for errors and speed reimbursement. This section only addresses billing procedures and must be used in conjunction with the Administrative Code Title 23 Part 204. The Dental Fee Schedule is available on the Medicaid web site at <http://www.medicaid.ms.gov> or on the Web Portal at <https://portal.ms-medicaid-mesa.com/MS/Provider>. For questions, contact Gainwell's Provider and Beneficiary Services Call Center toll-free at 1-800-884-3222.

6.1. Provider Types

The instructions for the 2012 ADA claim form are to assist the following providers:

- Dentists
- Federally Qualified Health Center (FQHC) dentists
- Rural Health Clinic (RHC) dentists

6.2. Electronic Dental Claims

Electronic dental claims may be submitted to Mississippi Medicaid by:

- Using the Web Portal Claims Entry feature
- Using other proprietary software purchased by the dental provider.

Electronic dental claims must be submitted in a format that is HIPAA compliant with the ANSI X12 837D claim standards.

6.3. Paper Dental Claims Guidelines

To facilitate processing and minimize the chances of rejection, providers should follow the guidelines below:

- An original 2012 ADA claim form must be completed.
- No photocopied or fax claims are accepted.
- Do not include handwritten information on the claim form.
- Blue or black ink must be used to fill out the form.
- The information on the form must be legible.
- No highlighters should be used.
- Correction fluid or correction tape should not be used.
- Names, codes, numbers, etc. must print in the designated fields for proper alignment.
- Claim must be signed. Rubber signature stamps are acceptable.

6.4. Multi-Page Paper Claims

When submitting American Dental Association Dental (ADA) claims form with multiple pages, the below guidelines should be followed:

- If the number of procedures reported exceeds the number of lines available on one claim (ten lines per claim), the remaining procedures must be listed on a separate, fully completed claim form.
- The first form should not be totaled.
- Multiple pages should be clipped together.
- [FL 31a \(Figure 139\)](#) should indicate a TPL payment on the first claim, if applicable.
- Only one copy of an attachment (e.g., EOB, EOMB, Consent Form) is required.

6.5. Paper Claims with Attachments

When submitting attachments with the ADA Dental claim form, the below guidelines should be followed:

- Attachments must be clipped to the claim.
- Any attachment should be marked with the beneficiary's name and Medicaid ID number.
- For different claims that refer to the same attachment, a copy of the attachment must accompany each claim.

Be sure to include Treatment Authorization Number (TAN), timely filing ICN or TCN, proper procedure codes, modifiers, units, etc. to prevent claims from denying inappropriately.

6.6. Claim Mailing Address

Once the claim form has been completed and checked for accuracy, please mail the completed claim form to:

Mississippi Medicaid Program
PO Box 23076
Jackson, MS 39225-3076

Instructions: By signing in this location of the claim form, the patient or patient's representative has agreed that he/she has been informed of the treatment plan, the costs of treatment and the release of any information necessary to carry out payment activities related to the claim.

In lieu of having the beneficiary sign a claim form on each visit, the provider may retain a copy of a statement of release signed by the beneficiary or his/her guardian. Medicaid allows a beneficiary signature for a lifetime when the provider has a signature authorization on file. On the claim form, the provider would enter "Signature on File" to satisfy the signature guidelines. If the beneficiary is unable to sign, the billing clerk may sign the beneficiary's name and indicate "By: (name of office person signing)". In addition, the reason the beneficiary is not able to sign must be specified.

Claim forms prepared by the dentist's practice software may insert "Signature on File" when applicable in this item.

Note: Red ink should not be used for the signature.
