 Date: January 24, 2023  
 IFB: Payment Methodology Services

Question #	RFP Section #	RFP Page #	(Clarification) Question	DOM Response
1	Attachment C	67	<p>Question 35 Follow-up: Please clarify if the hours included in the answer represent the total hours for all services performed under the contract or only the hours for the hourly pool. Similarly, please clarify if the invoiced amounts include costs for all services performed under the contract or only for the hourly pool.</p>	<p>The invoiced amounts include costs for all services performed under the contract. The hours included in the answer represent only part of the hours for services performed under the contract. The total hours for all payment methodology services requested is not currently provided by the incumbent vendor. In addition to the total hours listed in the original answer document, the vendor also performs inpatient rate setting, outpatient rate setting and a quarterly data pull from DOM's MMIS.</p>
2	Attachment C	67	<p>In reviewing the State's response to question 35, this bidder believes that the reported figures require further clarification. The Invoice Amounts reported in the State's table for each year appear to reflect the total amount paid to the incumbent for all payment methodology services, however the Total Hours figures relate only to 'hour pool' projects, and do not encompass all payment methodology services provided. Would the State please clarify?</p>	<p>See response to question #1</p>

3	Amendment 4 Clarifications	Item #2 2. Section 1.5 Anticipated Timeline	Can DOM please confirm that the bid opening time remains at 3pm CT and that the Teams Meeting link and dial in information shared in the IFB document is still correct eventhough the due date has been extended to January 27, 2023?	Yes, the public opening will be at 3:00 p.m. on Friday, January 27, 2023. The TEAMS meeting link and dial in information remains the same.
