

Home and Community Based Services Waivers Approval

The recent approval of the Mississippi Division of Medicaid's (DOM) Home and Community Based Services Waivers will provide new services and supports to enrolled members, while also increasing administrative efficiency.

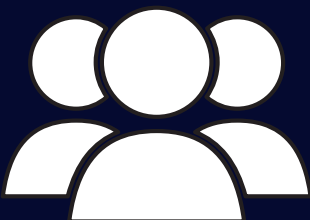

SAME CYCLE

Authorizes DOM to evaluate quality of care across all five programs and implement integrated quality improvement strategies simultaneously.

EFFICIENCY

Administrative practices are more efficient, language is more uniform and reporting more streamlined. DOM can better utilize resources to focus on achieving more positive outcomes in how we provide services to our members and work with our providers.

MEMBER & PROVIDER BENEFITS
