Vendor Name:	Molina Healthcare of Mississippi, Inc. (Molina)
Vendor Address:	200 Oceangate, Suite 2100, Long Beach, CA 90802
Period of Performance	July 1, 2023 – June 30, 2024

The contractor will provide services for the statewide administration of the Mississippi Coordinated Access Network (MSCAN), a coordinated care program for Mississippi Medicaid beneficiaries.

The amount noted above is the estimated spend value over the course of the one year contract period and does not reflect a not to exceed contract value. DOM is not able to determine the number of Member Months that will be applicable to each coordinated care organization. This amendment includes spend for 5/2/2023 – 10/25/2023 in the amount of \$606,969,789.59 for contract total of \$1,178,155,981.59.

DOM is currently awaiting the outcome of the MSCAN RFQ #20211210 protests before Public Procurement Review Board. It is in the best interest of the State to enter into an emergency contract to continue to perform these member services. Molina has agreed to provide the services for the updated capitated rate set by DOM's contracted actuary, as described in the amended contract.
