Ambulatory Surgical Center Services

Reimbursement of ambulatory surgical center (ASC) services is made from a Mississippi Medicaid statewide uniform fee schedules updated October 1 of each year and effective for services provided on or after that date based on eighty percent (80%) of the Medicare Ambulatory Surgical Center Payment System in effect July 1 of that year. ASC dental services that do not have a fee on the Medicare ASC Fee Schedule effective December 1, 2023, are reimbursed based on eighty percent (80%) of the Medicare rate in effect January 1, 2023, for the most comparable hospital outpatient service.

Except as otherwise noted in the Plan, state-developed fee schedule rates are the same for both governmental, if any, and non-governmental providers of ambulatory surgical center services. All rates may be viewed at www.medicaid.ms.gov/FeeScheduleLists.aspx.
