

# Recredentialing & Revalidation

## RECREREDENTIALING

### WHAT TO KNOW

- Beginning October 1, 2022, providers seeking participation in MississippiCAN and/or CHIP are now required to be enrolled, credentialed, and screened by DOM, and subsequently contract with their CCO of choice.
- As part of the implementation of the MESA Provider Portal, DOM implemented a new centralized credentialing process along with NCQA certified Centralized Verification Organization (CVO) that will be responsible for credentialing and recredentialing Medicaid providers seeking to enroll or currently enrolled with MississippiCAN or CHIP.
- This new process eliminates the need for a provider to be credentialed or recredentialed multiple times.

### WHAT TO DO

- Each enrolled provider must register for access to the MESA Provider Portal to recredential electronically. Go to <https://portal.ms-medicaid-mesa.com/> and clicking the “Register Now” link.

## REVALIDATION

### WHAT TO KNOW

- With the ending of the Public Health Emergency, the Mississippi Division of Medicaid resumed the revalidation process effective Oct. 1, 2023, requiring Mississippi Medicaid enrolled providers to verify the information on their provider files.
- Beginning in October 2023, notification letters were mailed to providers who have been enrolled with Medicaid for five years or more. Revalidation notices will be issued on a staggered schedule until notices have been issued to all providers due for revalidation. The revalidation notice will initiate the process with each provider. The letter will provide instructions for completing the revalidation and will indicate the due date.

### WHAT TO DO

- Each enrolled provider must register for access to the MESA Provider Portal to revalidate electronically. Go to <https://portal.ms-medicaid-mesa.com/> and clicking the “Register Now” link.
