

MISSISSIPPI DIVISION OF  
**MEDICAID**

**AMENDMENT #2**  
**Shredding Services – Statewide**  
**IFB #20241108**  
**Revised IFB**  
**Issue Date: January 3, 2025**

IFB #20241108 original bid submissions were due on December 17, 2024. Due to bids being non-responsive, all bids were rejected. Based on this, IFB #20241108 has been amended for re-submission of bids.

Attached is the revised IFB with amended changes highlighted in red. A Reference Guide is also included to clearly list these changes.

SharePoint access for bid submission was granted exclusively to vendors who submitted the Mandatory Letter of Intent by the original deadline of 2:00 p.m. CST on November 22, 2024. Consequently, SharePoint access has been reinstated only for those vendors who adhered to the initial IFB Mandatory Letter of Intent deadline.

The reinstated SharePoint access will remain available until the revised IFB submission deadline, **January 17, 2025, by 2:00 p.m. CST.**

This amendment must be acknowledged by the due date below AND returned with your bid submission, as Attachment K, to be considered for this procurement.
