ANALYSIS DESCRIBING AWARD, RENEWAL OR AMENDMENT OF CONTRACT

Vendor Name:	Molina Healthcare of Mississippi
Vendor Address:	200 Oceangate, Suite 100, Long Beach, CA 90802
Period of Performance	July 1, 2024 – June 30, 2025
Contract Total Value Not to Exceed	$86,903,493.50

The contractor will provide services for the statewide administration of the Mississippi Children's health Insurance Program (CHIP), a coordinated care program for Mississippi Medicaid beneficiaries.

The amount noted above is the estimated spend value over the course of the one year contract period and does not reflect a not to exceed contract value. DOM is not able to determine the number of Member Months/beneficiaries that will be applicable to each coordinated care organization.

DOM has received approval of new MSCAN/CHIP contracts. However, during the implementation phase of the new contracts, emergency contracts will be in place to maintain member services. Selecting the incumbent vendor(s) ensures no disruption to members and avoids lengthy implementation processes with new vendors for a one year period.

Amendment 1 is to update capitation rates in accordance with 42 C.F.R. 438.3 as required by CMS, which ensure compliance with federal oversight requirements. All other terms and conditions remain the same.
