ATTACHMENT B

Bid Form

Attachment B - Bid Form

GENERAL

Compensation for services shall be in the form of a firm fixed-rate agreement. Through submission of this form and accompanying **Addendum 1: Minimum Qualifications**, the Bidder certifies the following:

1. The Bidder shall accept an award made as a result of the submission.
2. The Bidder is registered to do business in the State of Mississippi as prescribed by the Mississippi Secretary of State, if not already registered Bidder will do so within five (5) business days of being offered an award.
3. The Bidder has not been sanctioned by a state or federal government within the last 10 years.
4. The Bidder has a minimum of five (5) years of experience in contractual services, providing the type of services described in this IFB.
5. The Bidder has read, understands and agrees to all provisions of this IFB without reservation and without expectation of negotiation and is able to provide each required component and deliverable as detailed in the Scope of Services.

The services described in the Scope of Services require Bidders to offer an all-inclusive, fully burdened hourly rate. This rate must encompass all costs of performance, including but not limited to, labor, overhead, administrative expenses, and profit. To assist in determining this pricing, historical usage data has been provided in Appendix 2.

The total number of hours for this contract is not fixed and will vary based on the State's needs. For evaluation purposes, DOM will calculate the average cost across all five years to determine the lowest bid.

The anticipated contract term for the required services is February 9, 2026, through February 8, 2029, with one optional two-year renewal, at the discretion of DOM.

BID FORM – EXTERNAL MEDICAL REVIEW CONSULTING	
IFB #20251031	
BIDDER NAME:	
Service Description: Appeal Review, Hearing and Report Preparation	Hourly Rate
Term: Year One	\$ 135.00
Term: Year Two	\$ 135.00
Term: Year Three	\$ 135.00
Optional Term: Year Four	\$ 135.00
Optional Term: Year Five	\$ 135.00

Bidders shall not include any additional charges or additional line items in this bid form. Any additional charges included on a bid form may result in the bid being deemed non-responsive, and the bid will thereby be rejected.

CERTIFICATIONS:

By signing below, the Company Representative certifies that he/she has authority to bind the company and further acknowledges on behalf of the company:

1. That he/she has thoroughly read and understands this IFB and the attachments thereto;
2. That the company meets all requirements and acknowledges all certifications contained in this IFB and the attachments thereto;
3. That the company agrees to all provisions of this IFB and the attachments thereto, including, but not limited to, the draft contract attached to this IFB, which contains the Required and Optional Clauses as required by the *Mississippi Public Procurement Review Board (PPRB) Office of Personal Service Contract Review (OPSCR) Rules and Regulations*;
4. That the company will perform, without delay, the services required at the prices quoted in this **Attachment B**;
5. That the company has, or will secure, at its own expense, applicable licensed and certified personnel or personnel with requisite credentials who shall be qualified to perform the duties required to be performed under this IFB; and
6. That the company can and will meet all required laws, regulations, and/or procedures related to services and represents that it is licensed, certified and possesses the requisite credentials to perform these services, if required. Further, if the company is the successful bidder and the material, equipment, etc., delivered is subsequently found to be deficient pursuant to any federal and state laws and regulations in effect on the date of delivery, all costs necessary to bring the material, equipment, etc. into compliance with aforementioned requirements shall be borne solely by Company.

NON-DEBARMENT:

By submitting a bid, the Bidder certifies that it is not currently debarred, suspended, or otherwise excluded from submitting bids for contracts issued by any political subdivision or agency of the State of Mississippi or federal government and that it is not an agent of a person or entity that is currently debarred from submitting bids for contracts issued by any political subdivision or agency of the State of Mississippi or federal government.

CERTIFICATION OF INDEPENDENT PRICE DETERMINATION:

By submitting a bid, the Bidder certifies that the prices submitted in response to the solicitation have been arrived at independently and without any consultation, communication, or agreement with any other bidder or competitor for the purpose of restricting competition.

BIDDER'S REPRESENTATION REGARDING CONTINGENT FEES:

By responding to the solicitation, Bidder represents that it has not retained any person or agency on a percentage, commission, or other contingent arrangement to secure this contract. If Bidder cannot make such a representation, a full and complete explanation shall be submitted, in writing, with the bid.

REPRESENTATION REGARDING GRATUITIES:

The Bidder represents that is has not, is not, and will not offer, give, or agree to give any employee or former employee of DOM a gratuity or offer of employment in connection with any approval, disapproval, recommendation, development, or any other action or decision related to the solicitation and resulting contract. The Bidder further represents that no employee or former employee of DOM has or is soliciting, demanding, accepting, or agreeing to accept a gratuity or offer of employment for the reasons previously stated; any such action by an employee or former employee in the future, if any, will be rejected by contractor. The Bidder further represents that is it in compliance with the Mississippi Code Annotated §§ 25-4-101 through 25-4-121 and has not solicited any employee or former employee to act in violation of said law.

Signature:	Steve Keresztes, MD
Date:	1/13/2026
Name and Title:	Steve Keresztes, MD VP, Client Services
Company Name:	Physio Solutions LLC d/b/a medlitix

Note: Failure to sign the bid form may result in the bid being rejected as non-responsive. Modifications or additions to any portion of this bid document may be cause for rejection of the bid.

In addition to providing the above information, please answer the following questions regarding your company. The Bidder must answer questions below in order for their bid to be considered.

1	What year was your company started?	2017	
2	Please provide the physical location and mailing address of your company's home office, principal place of business and place of incorporation.	Physical Location	7500 Brooktree Road STE 300 Wexford, PA 15090
		Mailing Address	
		Principal Place of Business	As Above
		Place of Incorporation	PA

3	Company structure/organization to include any parent or subsidiary companies. As applicable, please describe the role of any parent and/or subsidiary company in providing the services requested within this IFB.	Single Entity	
4	Is your company currently for sale or involved in any transaction to expand or become acquired by another business entity during either this solicitation or the resultant contract period? If "yes", please provide information regarding such a transaction as it relates to your Company's organization structure (post transaction) and your Company's ability to continue delivery of services (post transaction) as required herein.	No	Yes, please explain.
X			
5	If your company is not physically located in Mississippi, how will you provide the services set forth in the IFB?	Electronic Case Management System See Attachment B	
6	List all licenses, certifications or permits your company possesses that are applicable to performing the services required in this IFB.	URAC Comprehensive IRO

External Medical Review Consulting

Physio Solutions LLC

d/b/a

medlitix

ATTACHMENT B - Addendum_1

Minimum Qualifications

Attachment B. Amendment 1

ELEMENT 1 – 1.10.2(1) BIDDER EXPERIENCE REQUIREMENT

medlitix is a URAC-accredited Comprehensive Independent Review Organization with extensive nationwide experience delivering medical necessity determinations, external medical reviews, utilization management evaluations, evidence-based clinical assessments, and administrative hearing support. We currently provide external review services in more than 30 jurisdictions, supporting Medicaid agencies, workers' compensation systems, commercial plans, and other government-regulated programs with clinical complexity comparable to or exceeding Mississippi's. Our capabilities span independent medical necessity determinations; internal and state Medicaid appeal reviews; specialty clinical evaluations across medicine, surgery, pediatrics, behavioral health, and rehabilitative therapies; CPT/HCPSC coding and billing audits; level-of-care reviews for post-acute and sub-acute services; and preparation for and participation in administrative hearings. medlitix processes thousands of determinations annually, managing fluctuating volumes and specialty needs similar to those reflected in DOM's historical data.

Our organization is structured to support high-volume, high-accuracy workloads through an integrated leadership and operational framework. A Medical Director oversees clinical integrity and specialty alignment; a Vice President of Operations manages workflow efficiency, capacity planning, and performance; and a Vice President of Clinical Quality, who also serves as Compliance Officer, ensures adherence to Mississippi Medicaid policy, URAC standards, and internal quality protocols. These leaders are supported by trained Utilization Review Specialists who coordinate intake, documentation management, reviewer assignment, and determination production. Our national reviewer network spans all major specialties—including internal medicine, pediatrics, psychiatry, neurology, OB/GYN, surgery, dentistry, PM&R, pain medicine, speech-language pathology, occupational therapy, and certified coding professionals—aligning closely with Mississippi's historical specialty mix. medlitix consistently achieves a 99%+ on-time completion rate, exceeds contractual turnaround standards, produces determinations that are routinely upheld in hearings, and has no adverse audit findings across multiple state contracts. These outcomes demonstrate medlitix's capability to deliver accurate, timely, policy-aligned determinations and to fully meet the requirements of IFB #20251031 with operational excellence.

ELEMENT 2 – 1.10.2(2) LICENSES / CERTIFICATIONS (Updated by Amendment 2)

medlitix maintains a comprehensive clinical credentialing and compliance framework designed to ensure that every Medical Provider participating in Mississippi Medicaid reviews meets all state, federal, and URAC requirements throughout the duration of the contract. This framework is managed jointly by the Medical Director, the Vice President of Clinical Quality (who also serves as Compliance Officer), and our Credentialing and Verification Unit, which operates continuous monitoring of all physician and allied reviewer credentials.

7500 Brooktree Road STE 300
Wexford, PA 15090
855.323.3654
external@mlxiro.com

All Medical Providers engaged in independent external review services for medlitix hold active, unrestricted medical licenses and board certifications corresponding to the specialty under which they perform reviews. To ensure proper alignment of reviewer qualifications with case needs, medlitix conducts a specialty-to-case matching process wherein each review is assigned only to a provider whose training, certification, and clinical experience directly relate to the subject matter of the appeal. Before assignment, every reviewer undergoes a multi-step verification process that includes primary-source validation of licensure, verification of board certification through ABMS or equivalent specialty boards, confirmation of absence of sanctions or disciplinary actions, and validation of current clinical experience.

In accordance with Mississippi DOM requirements, medlitix warrants that every Medical Provider performing reviews will maintain current and valid credentials at all times. medlitix employs automated license-expiration monitoring systems that alert the Credentialing Unit, Compliance Officer, and reviewer proactively prior to expiration, ensuring uninterrupted compliance. Should any change in status occur, the system immediately flags the provider for removal from active assignment until remediation is complete, preserving the integrity of the review process.

Additionally, medlitix fully complies with DOM's requirement that every determination must be signed by a Mississippi-licensed physician, even when the reviewing specialty physician is licensed in another state. In such cases, medlitix uses a structured co-review process in which the specialty reviewer performs the substantive clinical analysis and drafts the determination, and a Mississippi-licensed physician independently reviews the reasoning, confirms it aligns with Mississippi Medicaid policy and clinical practice standards, and signs the final recommendation. This dual-signature safeguard ensures both specialty-specific accuracy and state-specific compliance.

medlitix maintains a detailed roster of all Medical Providers who will participate under this contract, including their full legal name, specialty, board certifications, state licensure(s), and years of experience in the specialty area. DOM permits Medical Providers to have zero years of specialty experience, provided the bidder discloses this openly. medlitix complies fully with this requirement and includes "0 years" when applicable. Notably, the vast majority of medlitix providers have far more than the preferred two years of experience, and many maintain 10–25 years of active clinical practice.

Finally, medlitix meets and exceeds all organizational accreditation requirements. medlitix holds URAC Independent Review Organization – Comprehensive Review accreditation, which DOM requires. This accreditation validates the strength of our credentialing practices, case assignment standards, and conflict-of-interest safeguards. Together, these systems ensure that every medlitix reviewer participating in Mississippi's program is fully qualified, properly credentialed, and consistently monitored under nationally recognized regulatory and accreditation standards.

ELEMENT 3 – 1.10.2(3) REFERENCES

medlitix has submitted completed Attachment G Reference Forms for every engagement listed in Element 1, providing reference contacts who hold leadership or oversight roles and possess direct knowledge of our performance in external medical review, clinical determinations, and hearing

7500 Brooktree Road STE 300
Wexford, PA 15090
855.323.3654
external@mlxiro.com

support. Prior to submission, medlitix confirmed each reference's availability within the required three-business-day window and ensured they are prepared to speak to our timeliness, accuracy, compliance, communication, and overall contract performance. The selected references include state agencies and government-contracted review programs whose operational and regulatory environments closely resemble Mississippi's, and who have observed medlitix's sustained >99% on-time completion rates, determinations consistently upheld at hearings, and strong responsiveness during policy or volume shifts. Based on longstanding positive evaluations, successful audits, and contract renewals across these programs, medlitix is confident the references provided will meet DOM's minimum scoring criteria and demonstrate our reliability, competence, and readiness to perform the services required under IFB #20251031.

ELEMENT 4 – 1.10.2(4) BIDDER NARRATIVE

1. Introduction & Overview

medlitix submits this narrative to validate our ability to meet and exceed the qualifications and Scope of Services outlined in IFB #20251031. As a URAC-accredited Comprehensive Independent Review Organization operating nationwide, medlitix has built a highly structured operational model designed specifically to support government-regulated healthcare programs requiring precision, timeliness, and defensible clinical decision-making.

Across more than 30 jurisdictions, medlitix performs medical necessity determinations, administrative appeal reviews, specialty clinical assessments, and hearing support services for programs whose regulatory and clinical complexity parallels Mississippi Medicaid. These include state Medicaid agencies, workers' compensation bureaus, insurance regulators, and public health departments.

Mississippi DOM's historical case distribution (Amendment 1, pages 9–10) aligns directly with the types of reviews medlitix conducts daily. Our reviewer network spans the full spectrum of pediatric, adult, surgical, behavioral, and rehabilitative specialties, enabling precise case-matching to clinical expertise.

medlitix's infrastructure—comprised of a Medical Director, VP of Operations, VP of Clinical Quality/Compliance Officer, and highly trained Utilization Review Specialists—ensures every case is processed through a rigorous framework emphasizing accuracy, policy alignment, and transparency. This integrated model allows us to manage fluctuations in volume, maintain outstanding turnaround performance, and support frequent administrative hearings without disruption.

2. Ability to Meet All General Requirements (IFB §2.1.1.1–2.1.1.11)

2.1 Case Receipt, Intake, and Secure System Handling (2.1.1.1)

medlitix operates a secure, standalone case management platform that functions independently of DOM systems, consistent with Amendment 1 Q&A #8. Upon receipt of a case, DOM staff upload files through an encrypted portal that immediately indexes documents, timestamps intake, and

7500 Brooktree Road STE 300
Wexford, PA 15090
855.323.3654
external@mlxiro.com

logs all system activity for auditability. Our Utilization Review Specialists conduct an intake validation process that includes confirming document completeness, identifying missing information, and assigning the case to an appropriately qualified reviewer.

The system maintains a complete determination archive and supports structured workflows for reviewer assignment, evidence review, medical policy crosswalks, and timeline reconstruction. All determinations are generated as secure PDFs with no embedded links, in accordance with DOM's submission guidelines.

2.2 Review Methodology & Evidence Standards (2.1.1.2–2.1.1.4)

medlitix uses a standardized, multi-step review methodology engineered for clarity, reproducibility, and policy adherence. Each review includes a complete inventory of all documents received, followed by a chronological clinical reconstruction to ensure accurate interpretation of diagnoses, treatments, and progress indicators.

Reviewers then apply Mississippi Medicaid policy—including Title 23 of the Administrative Code—alongside publicly reproducible clinical guidelines. Consistent with Amendment 1 Q&A #13–14, medlitix prohibits use of proprietary, subscription-based, or otherwise non-shareable guidelines. Only guidelines available in PDF and suitable for distribution to DOM and hearing participants may be cited.

Determinations produced by medlitix mirror DOM's sample determination format, ensuring uniformity and defensibility. Each determination contains: A structured summary of the facts, A clear clinical question, The reviewer's determination, A rationale substantiated by policy and reproducible evidence, A reference section with policy citations and guideline documents, and A conflict-of-interest attestation. This format ensures transparency and optimizes hearing defensibility.

2.3 Turnaround Times, Extensions, and Expedited Review Capability (2.1.1.5–2.1.1.6)

medlitix maintains a performance infrastructure that ensures compliance with all DOM turnaround expectations—both standard and expedited. Cases are tracked via automated SLA countdown tools that notify reviewers, the Operations team, and quality personnel of approaching deadlines. The VP of Operations performs daily capacity balancing to redirect cases if needed and ensures continuous staffing coverage during peak periods.

medlitix also complies fully with DOM's expectations regarding extensions. Extension requests must be emailed promptly to DOM's Appeals contact person (Amendment 1 Q&A #22). Internal controls ensure extensions are requested only under rare, justified circumstances.

Expedited reviews, historically few per year according to Amendment 1 Q&A #16, are elevated through a rapid-response workflow that assigns cases immediately to the reviewer with earliest availability, ensuring completion within 24–48 hours.

2.4 Hearing Preparation and Testimony Support (2.1.1.7)

7500 Brooktree Road STE 300
Wexford, PA 15090
855.323.3654
external@mlxiro.com

medlitix supports State Fair Hearings by preparing reviewers to present clear, factual, policy-grounded testimony. Prior to each hearing, the reviewer receives a hearing brief that includes the determination, relevant policy references, timeline reconstruction, and anticipated questions. Reviewers participate only for the required portion of the hearing but maintain availability in accordance with DOM's scheduling needs.

Reviewers are trained extensively in hearing procedures, decorum, cross-examination response, and presentation of clinical findings. This training aligns with DOM requirements outlined in Amendment 2 and ensures reviewers are prepared for fluctuating hearing volumes, including months with 10–13 hearings.

2.5 Reviewer Training Responsibilities (Amendment 2 Correction of §2.1.1.8)

medlitix assumes full responsibility for training Medical Providers in all aspects of Mississippi Medicaid review and hearing processes. Training includes: State Fair Hearing structure and federal timelines, Conduct and decorum requirements, Application of Medicaid policy, Documentation standards, Evidence restrictions (PDF-only guidelines), HIPAA and confidentiality, Scheduling flexibility and CST availability, and Simulation-based mock hearings. Training is completed at onboarding and refreshed annually. medlitix maintains complete training logs for DOM audit purposes.

2.6 Certified Biller/Coder Reviews (2.1.1.9)

For cases requiring specialized billing or coding review, medlitix employs certified professional coders and billers who perform secondary audits and CPT/HCPCS validation. DOM clarified in Amendment 1 Q&A #21 that this capability is mandatory; medlitix meets this requirement fully.

2.7 HIPAA & Security Compliance and System Requirements (2.1.1.10–2.1.1.11, 2.2.1–2.2.5)

medlitix maintains a robust HIPAA-compliant security framework incorporating SOC-aligned controls, full PHI encryption, secure user authentication, audit trail logging, and structured document-retention and destruction protocols, supported by mandatory reviewer confidentiality agreements and HIPAA training to ensure compliance with all federal and state requirements. Our case management platform further reinforces this security posture by providing DOM staff with secure login access, reviewer dashboards, document versioning and tracking, automated deadline and hearing alerts, strict PDF-only determination output, and complete audit histories for compliance review. The browser-based system requires no installation, supports high-volume processing, and enables seamless reviewer coordination during fluctuating workloads. Together, these safeguards and system capabilities ensure medlitix meets all technical, security, and operational requirements outlined in IFB §2.2.1–2.2.5 and §2.1.1.10–2.1.1.11.

This figure is a 2D bar chart with a hierarchical structure. The x-axis is divided into four main categories, each containing two sub-categories. The y-axis has 10 horizontal grid lines. The bars are black for the main categories and white for the sub-categories. The height of each bar represents the value for that category. The chart shows a clear hierarchical structure with data being aggregated across levels.

ATTACHMENT D

DHHS Certification Drug-Free Workplace

Attachment D - DHHS Certification Drug-Free Workplace

DHHS CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS:

GRANTEES OTHER THAN INDIVIDUALS

Instructions for Certification

By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

- 1) This certification is required by regulations implementing the Drug-Free Act of 1988, 2 CFR Part 382. The regulations require certification by grantees that they will maintain a drug-free workplace. The certification set out below is a material representation of fact upon which reliance will be placed when the DHHS determines to award the grant. If it is later determined that the grantee knowingly rendered a false certification or otherwise violates the requirements of the Drug-Free Workplace Act, HHS, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
- 2) Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee shall keep the identity of the workplace(s) on file in its office and make the information available for federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
- 3) Workplace identifications shall include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
- 4) If the workplace identified to DOM changes during the performance of the grant, the grantee shall inform DOM of the change(s), if it previously identified the workplaces in question (see above).
- 5) Definitions of terms in the Non-procurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:
 - "Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. §812) and as further defined by regulation (21 CFR § 1308.11 through § 1308.15);
 - "Conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the federal or state criminal drug statutes;
 - "Criminal drug statute" means a federal or non-federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

6) "Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including (i) all direct charge employees; (ii) all indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and (iii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent Contractors not on the grantee's payroll; or employees of sub recipients or subcontractors in covered workplaces).

The grantee certifies that it will or will continue to provide a drug-free workplace by:

- a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
- b) Establishing an ongoing drug-free awareness program to inform employees about:
 - 1) The dangers of drug abuse in the workplace;
 - 2) The grantee's policy of maintaining a drug-free workplace;
 - 3) Any available drug counseling, rehabilitation, and employee assistance programs; and
 - 4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
- c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
- d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will:
 - 1) Abide by the terms of the statement; and
 - 2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
- e) Notifying DOM in writing, within 10 calendar days after receiving notice under paragraph (d) (2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
- f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted:
 - 1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
 - 2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency;
- g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).
- h) Complying with all provisions 2 CFR Part 382.

The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant (use attachments if needed):

- a) Place of Performance (street address, city, county, state, zip code)
- b) Check if there are workplaces on file that are not identified here.

---->NOTE: Sections 76.630(c) and (d) (2) and 76.635(a)(1) and (b) provide that a federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For HHS, the central receipt point is Division of Grants Management and Oversight, Office of Management and Acquisition, HHS, Room 517-D, 200 Independence Ave, S.W., Washington, D.C. 20201

**DHHS Certification Debarment, Suspension, and Other
Responsibility Matters**

Attachment E - DHHS Certification Debarment, Suspension, and Other Responsibility Matters

DHHS Certification Regarding Debarment, Suspension, and Other Responsibility Matters

Primary Covered Transactions

2 CFR Part 376,

- (1) The prospective primary participant certifies to the best of its knowledge and belief that it and its principals:
 - a. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any federal department or agency;
 - b. Have not within a three-year period preceding this bid been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
 - c. Are not presently indicted for or otherwise criminally or civilly charged by a government entity (federal, state or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and,
 - d. Have not within a three-year period preceding this bid had one or more public transactions (federal, state or local) terminated for cause or default.
- (2) Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this bid.

ATTACHMENT F
Proprietary Information Form

Attachment F – Proprietary Information Form

Designation of this form is required (Select One)

By designation and your signature below, you indicate that you understand that failure to clearly mark or designate proprietary information within the response to this solicitation as identified may result in disclosure of such information as it will be subject to review by the general public after award of the contract.

For all procurement contracts awarded by state agencies, the provisions of the contract which contain the personal or professional services provided, the price to be paid, and the term of the contract shall not be deemed to be a trade secret, or confidential commercial or financial information, and shall be available for examination, copying, or reproduction.

<input type="checkbox"/>	Offeror hereby certifies that the complete unredacted copy of its submission may be released as a public record by DOM at any time without notice to vendor. The vendor explicitly waives any right to receive notice of a request to inspect, examine, copy, or reproduce its quote as provided in Mississippi Code Annotated § 25-61-9(1)(a). The submission contains no information vendor deems to be confidential commercial and financial information and/or trade secrets in accordance with Mississippi Code Annotated §§ 25-61-9, 75-26-1 through 75-26-19, and/or 79-23-1. An Offeror who selects this option but submits a redacted copy of its submission may be deemed non-responsive.
--------------------------	---

<input checked="" type="checkbox"/>	Along with a complete copy of its submission, Offeror has submitted a second copy of the submission document in which all information Offeror deems to be confidential commercial and financial information and/or trade secrets is redacted in black. Offeror acknowledges that it may be subject to exclusion pursuant to Chapter 15 of the PPRB OPSCR Rules and Regulations if DOM or the Public Procurement Review Board determine redactions were made in bad faith in order to prohibit public access to portions of the submission which are not subject to Mississippi Code Annotated §§ 25-61-9, 75-26-1 - 75-26-19, and/or 79-23-1. Vendor acknowledges and agrees that DOM may release the redacted copy of the submission document at any time as a public record without further notice to the Offeror. An Offeror who selects this option but fails to submit a redacted copy of its submission may be deemed non-responsive.
-------------------------------------	---

Each page of the response considered by the respondent to contain trade secrets or other confidential commercial/financial information should be marked in the upper right-hand corner with the word "CONFIDENTIAL" and the related information should be redacted in black. The redacted copy of the submission should be in a single document and shall be clearly labeled "PUBLIC COPY" on the cover page. This copy should be in a searchable Microsoft Word or Adobe Acrobat (PDF) format. To the extent possible, confidential information should be redacted sentence by sentence unless all content on the page is clearly confidential under the law.

Any pages not marked accordingly will be subject to review by the general public after the award of the contract. Requests to review the proprietary information will be handled in accordance with applicable legal procedures. Failure to clearly identify trade secrets or other confidential commercial/financial information may result in that information being released in a public records request.

Steve Bensley, M.D.

ATTACHMENT I

Amendment Acknowledgements

IFB Attachment I – Mandatory Letter of Intent

The Bidder must submit this document, via email in PDF format, no later than **2:00 p.m. CST, Friday, November 14, 2025**, to email address: procurement@medicaid.ms.gov. The Bidder bears all risk of delivery and all responsibility for submitting the Letter of Intent timely. Failure to timely submit the Letter of Intent will disqualify the Bidder from participating in this IFB.

Name of Company:	Physio Solutions LLC d/b/a meditix
Address:	7500 Brooktree Road STE 300 Wexford, PA 15090
Primary Contact: Name, title, phone number and email address:	Steve Keresztes, MD VP, Client Services p. 724-294-8797 skeresztes@mlxiro.com
Up to two individuals' email addresses can be used for submission of the Bid to SharePoint site (one email address is preferred):	Email #1: skeresztes@mlxiro.com Email #2: aloftis@mlxiro.com <small>(optional)</small>

By submitting this Letter of Intent, the Bidder acknowledges the following:

- The Bidder must abide by PPRB rules, the rules stated in the IFB, and any other federal or state rules applying to this procurement.
- The Bidder understands that submitting this Letter of Intent does not obligate it to submit a bid.
- If the Bidder does submit a Bid, the Bidder will follow the format required within the IFB.
- The Bidder understands that the Bid must be submitted via SharePoint no later than 2:00 p.m. CST, Friday, December 12, 2025. The Bidder understands that it bears all risks of timely delivery. The Bidder understands that failure to timely submit its Bid will disqualify the Bidder from participating in the solicitation.

To prevent last minute registration/submit issues in SharePoint on Bid due date, assistance must be requested at least two days prior to Bid due date.

AMENDMENT #1

Questions and Answers

Date: November 26, 2025

Date: November 26, 2025

Amendment #1 Questions and Answers and Pre-Bid Submission Conference PowerPoint Presentation

Solicitation Name and Number: External Medical Review Consulting IFB#20251031 RFx# 3160007625

This Amendment must be signed and submitted as part of the Invitation for Bid (IFB) response to be considered for this procurement. IFB response deadline is December 12, 2025 by 2:00 p.m.

Question #	RFP Section #	RFP Page #	Question	DOM Response
1	N/A	N/A	What is the current pricing for this scope of work?	<p>The current incumbent pricing is as follows:</p> <ul style="list-style-type: none"> • Appeal Review and/or Length of Stay Review: Flat hourly rate of \$150 • Medicaid Hearing & Report Preparation: Hourly rate of \$155.
2	1.8	7	Does the single fixed hourly rate specified in the bid, cover all aspects of the service, including the detailed medical review, writing the recommendation, and all time associated with preparation for and attendance at required telephonic hearings?	Yes. The single fixed hourly rate specified in the IFB on the Bid Form is intended to cover all aspects of the required service. As outlined in the Service Description, the hourly rate encompasses Appeal Review, Hearing and Report Preparation.
3	1.10.2	8	What is the most frequently requested medical specialties and percentage of breakdown of reviews by specialty over the past 12 to 24 months?	Please refer to Appendix 2 – Historical Data (pages 40-42) of the IFB for a breakdown of reviews by medical specialties for 2024 and 2025 to date.

4	1.10.2	8	In the event that a specialty physician is not licensed in Mississippi, can the Mississippi licensed physician who must review and sign off on the recommendation be of any specialty?	If the reviewing physician is not of the same specialty as the case, a Mississippi-licensed physician can be of any specialty, however, general practice is preferred to provide the required review and sign-off.
5	1.10.2 and 3.4.14	9 and 20	The text for #4 on Page 9 states, "Bidders shall provide written, detailed validation describing Bidder's ability to meet each of the qualifications and perform the scope of services (no more than 5 pages)." Two questions: 1) Does the Scope of Services include the General Requirements on pages 11-12 AND the System Requirements on pages 13-14, or just the General Requirements? 2) Please clarify the number of pages the bidder has to respond to the Scope of Services section because above it states "no more than five pages," yet Section 3.4.14 - Bid Submission format states: "At the end of each response to an element by the Bidder, the Bidder should type "[END OF RESPONSE]" and leave the remainder of the page blank, beginning the response to the next element on the next page." There are 16 "elements" between the General Requirements (2.1.1.1-2.1.1.11) and System Requirements (2.2.1-2.2.5), plus four (4) "elements" under Minimum Qualifications (pages 8-9). If the bidder follows the Section 3.4.14 guideline, it would require 20 pages to ensure each response falls/begins on its own page.	<p>1) Yes. For purposes of Item #4 on Page 9, the Scope of Services includes both the General Requirements and the System Requirements.</p> <p>2) Section 3.4.14 only relates to the items listed at 1.10.2 Minimum Qualifications (Attachment B: Addendum 1)</p> <p>** 1st Element ** Addendum 1: Minimum Qualifications, 1.10.2(1) Bidders Experience Requirement *add your documentation and then state END OF RESPONSE</p> <p>** 2nd Element ** Addendum 1: Minimum Qualifications, 1.10.2(2) Bidder Licenses/Certifications * add your documentation and then state END OF RESPONSE</p> <p>** 3rd Element ** Addendum 1: Minimum Qualifications 1.10.2(4) Bidder's Narrative * add your documentation and then state END OF RESPONSE</p> <p>**The 3rd Element (1.10.2 (4)) is the only element that is limited to no more than 5 pages.</p> <p>Note: For Element 1.10.2(3) Minimum Qualifications References. Follow the required documenting format.</p>

6	1.10.2 (1) and (3)	8	Our company is authorized to provide external reviews in 30+ states which we will identify per 1.10.2 (1). Per 1.10.2 (3), are we required to provide reference contacts for all 30+ states where we're licensed/certified/contracted to provide external reviews?	Please provide 6-8 clients which should include current and/or past clients within the last five years that may be contacted as references, will be sufficient.
7	2	11	What is your criteria for extension? How much advance notice is the contracted company given if it is or isn't extended?	<ol style="list-style-type: none"> 1) An extension is based solely on satisfactory performance of the contracted vendor. 2) If performance is satisfactory, the amended contract will proceed through DOM's internal review process before being submitted to our regulatory board, which requires a minimum one-month approval period. If performance is unsatisfactory, DOM will follow the specific termination clauses outlined in the contract.
8	2.1.1.1	11	Are there specific data integration requirements, API protocols or established DOM systems (e.g., for case intake or claims processing) that the Contractor's secured portal must interface with, or is the Contractor expected to provide a fully independent standalone system for all case management and data exchange?	The Contractor is expected to provide an independent, standalone system that DOM personnel will utilize for all case management and data exchange.
9	2.1.1.1	12	It is stated the number of reviews "vary from month to month." Can you provide an average number of reviews to be performed per month?	A month to month estimate of review requests vs hearings has been included with Appendix 2 - Historical Data as part of Amendment 1, Questions and Answers.
10	2.1.1.1	12	It is stated the number of reviews "vary from month to month." Can you provide a total volume of cases performed in 2024? Total volume of hearings?	A month to month estimate of reviews has been included with Appendix 2 - Historical Data as part of Amendment 1, Questions and Answers.

11	2.1.1.2	12	It is stated " <i>includes a copy</i> of any and all medical criteria or clinical guidelines..." Can you elaborate what the expectation is for "including a copy?"	DOM Appeals will give you a policy to review to uphold or overturn the managed care organizations' denials. If you have any additional references that you utilized in making the determination, DOM Appeals would like those listed and on hand in case of a hearing. Our priority is that the policy and criteria provided from the managed care organization is applied properly to the medical case.
12	2.1.1.2	11	Can the DOM provide bidders with a sample of a determination or a sample format expected for a determination?	Yes. A sample format will be provided with Amendment 1, Questions and Answers.
13	2.1.1.3	11	Section 2.1.1.3 states that copies or active links to referenced documents must be included with recommendations. Many clinical references are proprietary, require subscriptions, and cannot legally be redistributed. Will DOM allow vendors to cite these resources without providing full copies due to copyright and royalty restrictions?	The vendor should only utilize references that can be provided to DOM and hearing attendees via PDF related to their determination reviews, if necessary.
14	2.1.1.4	11	If active links lead to subscription based resources that DOM staff cannot access without a license, will DOM consider alternative documentation methods?	The vendor should only utilize references that can be provided to DOM and hearing attendees via PDF related to their determination reviews, if necessary.
15	2.1.1.5	11	In situations that extension on the submission deadline is needed, can extensions be granted? If so, what is the length of extension?	Yes, an extension may be granted when necessary; however, such instances are expected to be rare. In general, no more than an additional week should be needed. All determinations are expected to be submitted in a timely manner.
16	2.1.1.5 and 2.1.1.6		What is the historical annual volume of completed reviews by turnaround time? (ie: standard vs expedited).	There are typically only 2-4 expedited requests per year.

17	2.1.1.7	12	Please provide an estimate on the number of telephonic hearings per year and how many there were in 2024 and 2025.	An estimate of review requests vs hearings has been included with Appendix 2 -Historical Data as part of Amendment 1, Questions and Answers.
18	2.1.1.8	12	Please clarify what DOM defines as the "appropriate training by DOM staff" referenced in section 2.1.1.8. What training content is included?	<p>The IFB incorrectly stated that DOM Appeals would conduct training for the Medical Reviewers. This was an error and shall be corrected in Amendment 2.</p> <p>The Contractor will be responsible for all training related to Medical Review and Hearing functions and must ensure that all Medical Reviewers within DOM's network receive this training. DOM does not prescribe the training methods or timeframes and allows the Contractor full discretion in determining how the training is delivered. The Contractor must maintain training records and provide them to DOM upon request. Required training should include:</p> <ul style="list-style-type: none"> • Appeals and Hearing processes and de corum • Requirements for timely and efficient reviews, including flexibility in scheduling • Confidentiality and HIPAA compliance.
19	2.1.1.8	12	How long does the required DOM training take to complete, and what is the method of delivery?	See answer to number 18.

20	2.1.1.8	12	Given that our reviewers are all active clinical practices and may not always be available at the exact hearing times requested- especially when hearings are scheduled on short notice- will DOM allow reasonable scheduling flexibility?	Yes. DOM will make reasonable efforts to accommodate scheduling needs; however, clinical reviewers should maintain sufficient flexibility to ensure hearings are completed in a timely manner. Federal regulations require that beneficiary hearings be concluded within 90 days of receipt by the Office of Appeals, and scheduling must support compliance with these requirements.
21	2.1.1.9	12	Section 2.1.1.9 requires the Contractor to provide a certified biller/coder's review upon request from the Office of Appeals. Our organization performs coding reviews but not billing reviews. Will DOM confirm whether billing review is a mandatory requirement for this contract, or if coding-only reviews are acceptable?	Yes, a certified biller/coder review is required on cases where a specialized biller/coder review is necessary.
22	2.1.1.11	12	What is the formal, written process for obtaining "prior approval" from the Office of Appeals to extend a deadline?	Requests for prior approval must be submitted by email to DOM's Appeal Contact Person. Any such requests must be made promptly, as timeliness in submitting determinations is essential.
23	2.2	12	What are the average frequency and length of telephonic hearings?	The length of the hearings are typically 1 to 1.5 hours with some lasting up to 3 hours on a rare occasion. A medical reviewer may provide the statement and be examined and does not have to attend the full hearing. A month to month estimate of review requests vs hearings has been included with Appendix 2 - Historical Data as part of Amendment 1, Questions and Answers.

24	2.2	12	Are all Medical Providers who participate on this contract expected to complete the DOM training for hearings? What is the length of the training, and how is it conducted? Also, can the training be done at any time?	See answer to number 18.
25	2.3	14	What components of this contract require travel, if any?	Travel is not required. All hearings are conducted by telephonic call-in, with video hearings occurring only in very rare occurrence.
26	2.3	14	Will medical providers and/or staff be required to travel to Mississippi or elsewhere for any reason?	See answer to number 25.
27	2.3	14	If DOM requires travel to be included, can DOM clarify typical travel expectations and historical frequency of required in-person attendance?	See answer to number 25.
28	2.3	14	Will DOM allow virtual participation in place of in-person travel when appropriate?	See answer to number 25.
29	3.4	16	What is the current incumbent pricing?	See answer to number 1.
30	Attachment B - Bid Form	25	What are the hourly rates of the current vendor?	See answer to number 1.

31	Attachment B – Bid Form Certifications #5	26	<p>Can the Division confirm what "applicable licenses" will be necessary for the bidder to have or secure? For example: an Independent Review Organization (IRO) license from the Mississippi Department of Insurance. And does this include any accreditations or certifications, such as URAC?</p>	<p>Attachment B - Bid Form Certification #5 refers to applicable licensed and certified personnel who are qualified to perform the duties required under the IFB.</p> <p>For the organization, DOM will require the Contractor to hold URAC Accreditation – Independent Review Organization (Comprehensive Review).</p> <p>In addition, accreditation by NCQA for Utilization Management is preferred but not required.</p> <p>Amendment 2, will amend this language.</p>
----	---	----	--	---

Written answers provided for the questions are binding. Questions and answers shall become part of the final contract as an attachment. This Amendment must be signed and submitted as part of IFB to be considered for this procurement.

AMENDMENT #2

Clarifications

Date: November 26, 2025

Amendment #2 - Clarifications

External Medical Review Consulting

IFB #20251031 RFX #3160007625

Date: November 26, 2025

This Amendment must be signed and submitted as a part of any bid to be considered for this procurement. The following sections of IFB #20251031 have been amended for the following:

2.1.1.8 (General Requirements) Medical Providers must be flexible in their availability for hearings related to the case. ~~Medical Providers shall receive the appropriate training by DOM staff regarding the amount of detail required in the recommendations and have knowledge of appropriate conduct when testifying on the Contractor's behalf in the hearings.~~ Any Out-of-State Medical Providers must be available during the regular business hours of Central Standard Time. The Contractor will be responsible for all training related to Medical Review and Hearing functions and must ensure that all Medical Reviewers within DOM's network receive this training. DOM does not prescribe the training methods or timeframes and allows the Contractor full discretion in determining how the training is delivered. The Contractor must maintain training records and provide them to DOM upon request. Required training should include:

- Appeals and Hearing processes and decorum
- Requirements for timely and efficient reviews, including flexibility in scheduling
- Confidentiality and HIPAA compliance.

1.10.2 (3) References

From the list of engagements provided at **IFB Section 1.10.2 (1)**, the Bidder shall provide reference contacts for ~~all engagements~~ **6-8 clients which should include current and/or past clients within the last five years that may be contacted as references.**

1.10.2 (2) Bidder Licenses/Certifications

Medical Providers

Bidder must warrant that all physicians (the "Medical Providers") providing medical recommendations and attending hearings possess the necessary licenses and board certifications required to perform the services and will maintain current and valid credentials throughout the duration of the engagement. Each Medical Provider shall be licensed to practice in Mississippi. If a specialty physician is not licensed in Mississippi, a Mississippi licensed physician must review and sign off on the recommendation. The Bidder must provide a list of all participating Medical Providers and attest that they meet these licensure and board certification requirements. The Bidder must also attest that the Medical Providers have the relevant experience in the specialty and detail the number of years of experience. While DOM prefers at least two (2) years of experience, there is no minimum experience requirement for Medical Providers. If

a Medical Provider has no prior experience in the specialty area, the Bidder should state 'None' or '0' years for that provider.

Bidder Company

DOM will require the Contractor to hold URAC Accreditation – Independent Review Organization (Comprehensive Review). In addition, an accreditation by NCQA for Utilization Management is preferred but not required.

The bid due date remains unchanged: December 12, 2025, by 2:00 p.m.

This Amendment must be signed and submitted as part of any bid submission to be considered for this procurement.

AMENDMENT #4

Revised IFB - Re-submission of IFB Bids

Date: December 24, 2025

OFFICE OF THE GOVERNOR

Walter Sillers Building | 550 High Street, Suite 1000 | Jackson, Mississippi 39201

MISSISSIPPI DIVISION OF
MEDICAID

AMENDMENT #4
External Medical Review Consulting

IFB #20251031

Issued December 24, 2025
Revised IFB – Re-submission of
IFB Bids

RE-SUBMISSION DUE DATE: Friday, January 16, 2026, by 2:00 p.m.

This Amendment serves as formal notice that the Mississippi Division of Medicaid (DOM) is providing a new submission deadline for Invitation for Bid (IFB) #20251031 for External Medical Review Consulting services due to various submission deficiencies. Only bidders that submitted a Letter of Intent by the original deadline of November 14, 2025, are eligible for this re-submission of bid allowance.

Pursuant to Section 3.10 of the IFB, DOM expressly reserves the right to reject any and all bids, in whole or in part, when it is determined to be in the best interest of the agency. To ensure fair and open competition, DOM has elected to reject all bids and allow for re-submission of responses to the IFB.

As further clarification, DOM has revised Attachment H, Bidder's IFB Response Checklist to further assist bidders with preparing their bid submission.

To be a responsive and responsible bidder, the following conditions must apply:

- Bidders must adhere to all required formats, minimum qualifications, and submission requirements as stated in the IFB and its amendments.

In accordance with PPRB Section 5.7.3, DOM will not retain the original bid submissions in the Agency Procurement files. All original bids will be deleted. Only enough information necessary to support the decision to reject the bids will be retained. Therefore, bidders are free to make any adjustments they would like for the new submission deadline.

Please refer back to IFB and all Amendments before submitting bid responses.

Failure to submit a responsive bid may result in the rejection of the bid.

Bidder's SharePoint access will be reinstated until the revised IFB submission deadline of *Friday, January 16, 2026, by 2:00 p.m.*

Remainder Of This Page Intentionally Left Blank

This Amendment must be signed and submitted as a part of any bid to be considered for this procurement. The following sections of IFB #20251031 have been amended for the following:

1. COVER PAGE is modified as follows: Bid Response Deadline: ~~Friday, December 12¹⁹, 2025~~,
~~Friday, January 16, 2026~~, at 2:00 p.m. CST.
2. 1.3 Procurement Timeline: Figure 1.1: Procurement Timetable is modified as follows:

Date	Process
10/31/2025	Release of Invitation for Bid
11/14/2025	Mandatory Letter of Intent (by 2:00 p.m.)
11/17/2025	Pre-Bid Conference (10:00 a.m.)
11/19/2025	Written Questions Deadline (by 2:00 p.m.)
11/26/2025	Anticipated Date of Posting Written Answers (by 5:00 p.m.)
12/12/2025 - 12/19/2025 1/16/2026	Bid Deadline (by 2:00 p.m.)
1/02/2026 - 1/30/2026	Anticipated Date of Notice of Intent to Award
2/04/2026 - 3/4/2026	Public Procurement Review Board meeting date (proposed)
2/09/2026 - 3/9/2026	Anticipated Contract Start

3. 1.6 Bid Submission Requirements is modified as follows:

Bids shall be submitted electronically through a **SharePoint site ONLY** maintained by DOM by 2:00 p.m. CST, ~~Friday, December 12¹⁹, 2025~~ ~~Friday, January 16, 2026~~.

4. Attachment A – Bid Cover Sheet IFB #: 20251031 is modified as follows:

Bids shall be submitted electronically through a **SharePoint site ONLY** maintained by DOM by 2:00 p.m. CST, ~~Friday, December 12¹⁹, 2025~~, ~~Friday, January 16, 2026~~.

5. Attachment H – Bidder’s IFB Response Checklist is modified to further clarify submission requirements and emphasize the importance of completing a fully compliant IFB response.

Attachment H – Bidder’s IFB Response Checklist

Please review this checklist to ensure that you have properly followed the instructions. Many proposals are rejected due to respondents simply failing to comply with the required preparation and submission requirements. All Attachments are to remain unmodified.

AMENDMENT #6

Additional Questions and Answers

Date: January 5, 2026

Amendment 26 Additional Questions and Answers Issued: January 5, 2020

2025 RELEASE UNDER E.O. 14176

This Assessment brief is designed and developed as part of the framework for the QAC's request for a resubmission for the pre-awarded QTS response deadline to January 24, 2014 by 2:00 p.m.

Question #	ETB Section #	ETB Page #	Question	DOM Response
1	Attachment A and Section 3.4.14	Page 1 and ETB Page 18	<p>Attachment A notes: "A PDF file with the naming convention below should be used when submitting the electronic bid to the SharePoint site. File Name: BIDDER_5 NAME HERE - EXTERNAL MEDICAL REVIEW CONSULTING, and ETB page 15 (Section 3.4.14) notes: The one combined executable PDF file should be uploaded in SharePoint with the file name: BID # - BIDDER_5 NAME - EXTERNAL MEDICAL REVIEW CONSULTING."</p> <p>Question: Which requirement is correct? Should the file name of the one-combined executable PDF file include the BID number or not?</p>	<p>Yes. The file name of the one-combined executable PDF file should include the BID number when submitted to the SharePoint site. Bidders should follow the naming convention mentioned in ETB page 15, Section 3.4.14, BID #, BIDDER_5 NAME - EXTERNAL MEDICAL REVIEW CONSULTING.</p>
2	Attachment 4 Revised Attachment B	Page 1-3a	<p>no notes: "A cover page is required for each Attachment subsection."</p> <p>Question: The word "revised" is underlined. Do you mean that before each Attachment, you want the bidder to include a cover page? If so, should the bidder include a cover page for Attachment A, or just each the proposal with Attachment A (as the Bid Cover Sheet), and then create a cover page for Attachment B through D?</p>	<p>Yes. Attachments A through D are the Attachment subsections referenced in the ETB. Bidders must include a cover page for Attachment A and each attachment thereafter.</p>
3	Attachment 4 Revised Attachment B	Page 1-3c	<p>The first bullet of A states: "For the Minimum Qualifications, the header of each page should indicate the corresponding section to which the page is responsive. For instance, Attachment 1: Minimum Qualifications, 1.1.9.2(I) Bidder Experience Requirements."</p> <p>Question: Is the Minimum Qualifications section the only section in which the DOM response specific wording is to be used in the header of each page? Please clarify if you want specific wording in the header of each page for any other section of the proposal. That is, for all the other Attachments, does DOM want the header to be blank (no logo, no wording)?</p>	<p>Yes. The Minimum Qualifications section is the only section that requires a bidder identifying the specific section to which the header is responding. All other sections of the proposal must include a cover page, and no specific header wording is required for other sections of the proposal.</p>
4	Attachment 4 Revised Attachment B	Page 1-3c	<p>The second bullet of A states: "For Minimum Qualifications 1.1.9.2 (I) - Attachment B - Classification, DOM will require the Contractor to hold URAC Accreditation - Independent Review Organization (Comprehensive Review)."</p> <p>Question: Do you want the bidder to include a copy of its URAC certificate in this section?</p>	<p>URAC Accreditation is required, however, submission of the URAC certificate is not required at the time of bid response. DOM may request documentation of accreditation at a later time.</p>
5	NA	NA	<p>Question: Should the bidder change the submission date from December 12, 2015, to January 18, 2016, on any signed documents that are included with its proposal?</p>	<p>The DOM issued Attachment 4, which established a revised bid submission deadline on January 18, 2016. Bidders must ensure that all proposed documents including signatures reflect this updated submission date.</p>

Written comments pertaining to the specified area should be sent to the Director of the Bureau of Land Management, 1849 C Street, N.W., Washington, D.C. 20580.

This Assessment Report must be signed and submitted as part of EFC to be considered for this procedure.

[END OF RESPONSE]

IFB#20251031, MLS Group of Companies
Attachment B-
Bid Form

Attachment B - Bid Form

GENERAL

Compensation for services shall be in the form of a firm fixed-rate agreement. Through submission of this form and accompanying **Addendum 1: Minimum Qualifications**, the Bidder certifies the following:

1. The Bidder shall accept an award made as a result of the submission.
2. The Bidder is registered to do business in the State of Mississippi as prescribed by the Mississippi Secretary of State, if not already registered Bidder will do so within five (5) business days of being offered an award.
3. The Bidder has not been sanctioned by a state or federal government within the last 10 years.
4. The Bidder has a minimum of five (5) years of experience in contractual services, providing the type of services described in this IFB.
5. The Bidder has read, understands and agrees to all provisions of this IFB without reservation and without expectation of negotiation and is able to provide each required component and deliverable as detailed in the Scope of Services.

The services described in the Scope of Services require Bidders to offer an all-inclusive, fully burdened hourly rate. This rate must encompass all costs of performance, including but not limited to, labor, overhead, administrative expenses, and profit. To assist in determining this pricing, historical usage data has been provided in Appendix 2.

The total number of hours for this contract is not fixed and will vary based on the State's needs. For evaluation purposes, DOM will calculate the average cost across all five years to determine the lowest bid.

The anticipated contract term for the required services is February 9, 2026, through February 8, 2029, with one optional two-year renewal, at the discretion of DOM.

BID FORM – EXTERNAL MEDICAL REVIEW CONSULTING	
IFB #20251031	
BIDDER NAME:	MLS Group of Companies, LLC
Service Description:	Appeal Review, Hearing and Report Preparation
Term: Year One	\$ 150.00
Term: Year Two	\$ 150.00
Term: Year Three	\$ 150.00
Optional Term: Year Four	\$ 150.00

Optional Term: Year Five	\$ 150.00
--------------------------	-----------

*Bidders shall **not** include any additional charges or additional line items in this bid form. Any additional charges included on a bid form may result in the bid being deemed non-responsive, and the bid will thereby be rejected.*

CERTIFICATIONS:

By signing below, the Company Representative certifies that he/she has authority to bind the company and further acknowledges on behalf of the company:

1. That he/she has thoroughly read and understands this IFB and the attachments thereto;
2. That the company meets all requirements and acknowledges all certifications contained in this IFB and the attachments thereto;
3. That the company agrees to all provisions of this IFB and the attachments thereto, including, but not limited to, the draft contract attached to this IFB, which contains the Required and Optional Clauses as required by the *Mississippi Public Procurement Review Board (PPRB) Office of Personal Service Contract Review (OPSCR) Rules and Regulations*;
4. That the company will perform, without delay, the services required at the prices quoted in this **Attachment B**;
5. That the company has, or will secure, at its own expense, applicable licensed and certified personnel or personnel with requisite credentials who shall be qualified to perform the duties required to be performed under this IFB; and
6. That the company can and will meet all required laws, regulations, and/or procedures related to services and represents that it is licensed, certified and possesses the requisite credentials to perform these services, if required. Further, if the company is the successful bidder and the material, equipment, etc., delivered is subsequently found to be deficient pursuant to any federal and state laws and regulations in effect on the date of delivery, all costs necessary to bring the material, equipment, etc. into compliance with aforementioned requirements shall be borne solely by Company.

NON-DEBARMENT:

By submitting a bid, the Bidder certifies that it is not currently debarred, suspended, or otherwise excluded from submitting bids for contracts issued by any political subdivision or agency of the State of Mississippi or federal government and that it is not an agent of a person or entity that is

currently debarred from submitting bids for contracts issued by any political subdivision or agency of the State of Mississippi or federal government.

CERTIFICATION OF INDEPENDENT PRICE DETERMINATION:

By submitting a bid, the Bidder certifies that the prices submitted in response to the solicitation have been arrived at independently and without any consultation, communication, or agreement with any other bidder or competitor for the purpose of restricting competition.

BIDDER'S REPRESENTATION REGARDING CONTINGENT FEES:

By responding to the solicitation, Bidder represents that it has not retained any person or agency on a percentage, commission, or other contingent arrangement to secure this contract. If Bidder cannot make such a representation, a full and complete explanation shall be submitted, in writing, with the bid.

REPRESENTATION REGARDING GRATUITIES:

The Bidder represents that is has not, is not, and will not offer, give, or agree to give any employee or former employee of DOM a gratuity or offer of employment in connection with any approval, disapproval, recommendation, development, or any other action or decision related to the solicitation and resulting contract. The Bidder further represents that no employee or former employee of DOM has or is soliciting, demanding, accepting, or agreeing to accept a gratuity or offer of employment for the reasons previously stated; any such action by an employee or former employee in the future, if any, will be rejected by contractor. The Bidder further represents that is it in compliance with the Mississippi Code Annotated §§ 25-4-101 through 25-4-121 and has not solicited any employee or former employee to act in violation of said law.

Signature:	<i>Michelle Chamberlain</i>

Attachment B-
Addendum 1 – Minimum Qualifications

Addendum 1: Minimum Qualifications, 1.10.2(1)

Bidder Experience Requirement

Validation of Qualifications and Scope of Services for Independent External Medical Review Services

MLS Group is a national, URAC-accredited independent review organization established in 1996. We are confident in our proven ability to meet and exceed all qualifications outlined in the Request for Proposal and to perform the required scope of services efficiently, compliantly, and with high quality for the Department of Management (DOM) and the State of Mississippi.

Bidder Experience Requirement:

MLS Group exceeds the minimum requirement of five (5) years of experience, having been a national provider of independent external medical review services since 1996. We have extensive experience performing administrative appeals processes for numerous healthcare organizations, insurance carriers, and state and federal agencies across all 50 states.

- Experience Duration: 28+ years of experience in providing relevant services.
- Geographic Scope: We serve clients in all 50 states, ensuring familiarity with diverse regulatory environments.
- Annual Volume: We complete approximately 2,100 relevant reviews per year.

Addendum 1: Minimum Qualifications, 1.10.2(2)**Bidder Licenses/Certifications****Bidder Licenses/Certifications**

MLS Group warrants that all physicians, psychologists, and dentists providing medical recommendations possess and maintain the necessary licenses and board certifications required to perform these services throughout the engagement. Our rigorous credentialing process ensures compliance with all requirements.

- Mississippi Licensure: We will ensure every medical recommendation is made by a Medical Provider licensed in Mississippi. If a specialty physician is not licensed in Mississippi, a Mississippi-licensed physician will review and sign off on the recommendation.
- Board Certifications: All physicians are board-certified by an approved medical specialty board (ABMS or AOA).
- Relevant Experience: Our reviewers possess extensive, relevant experience in their specialty areas, often exceeding the preferred two years of experience. We maintain a database that tracks and validates this experience for every reviewer.

Addendum 1: Minimum Qualifications, 1.10.2(3)

References

References

MLS Group understands the importance of performance validation and has provided references for all engagements listed in Attachment B, using the required Attachment G, References form.

Addendum 1: Minimum Qualifications, 1.10.2(4)

Bidder Validation

Validation of Qualifications and Scope of Services

MLS Group is a national, URAC-accredited independent review organization established in 1996. We are confident in our proven ability to meet and exceed all qualifications outlined in the Request for Proposal and to perform the required scope of services efficiently, compliantly, and with high quality for the Department of Management (DOM) and the State of Mississippi.

Regarding our experience, MLS Group exceeds the minimum requirement of five years, having served as a national provider of independent external medical review services for over 28 years. We possess extensive experience performing administrative appeals processes for numerous healthcare organizations, insurance carriers, and state and federal agencies across all 50 states. This national geographic scope ensures our deep familiarity with diverse regulatory environments, and our robust infrastructure allows us to complete approximately 2,100 relevant reviews annually. A comprehensive list of our past and current engagements, including client names and contract periods, has been provided separately for your review.

In terms of licensing and certification, MLS Group warrants that all physicians, psychologists, and dentists providing medical recommendations possess and maintain the necessary credentials required to perform these services throughout the engagement. Our rigorous credentialing process ensures that every medical recommendation is made by a provider licensed in Mississippi; in instances where a specialty physician is not licensed in the state, a Mississippi-licensed physician will review and sign off on the recommendation. Furthermore, all physicians are board-certified by an approved medical specialty board (ABMS or AOA) and possess extensive experience in their specialty areas, often exceeding the preferred two-year requirement. We maintain a detailed database that tracks and validates this experience for every reviewer, and a full list of participating providers is included in our supporting documentation.

To ensure performance validation, MLS Group has provided references for all engagements using the required forms. We have verified that all contact information is current and that each reference is knowledgeable about our performance and authorized to speak on our behalf. Our team will ensure that these references are prepared to respond to inquiries from DOM Procurement staff within the three-business-day timeframe, and we are confident that their feedback will reflect our high standards of service.

Beyond these core qualifications, MLS Group maintains robust operational capabilities to ensure seamless service delivery. We utilize a proprietary, secure, HIPAA-compliant electronic case management system for all tracking, processing, and communication. Our staffing model includes a dedicated team of coordinators and nurses available during standard business hours, supplemented by on-call staff and reviewers available 24/7 for expedited cases. Finally, our quality assurance process involves a dedicated team of Registered Nurses (RNs) who review all reports for accuracy and compliance. With our established experience, robust infrastructure, and stringent quality controls, MLS Group is prepared to meet or exceed all requirements of this IFB.

Attachment D-
DHHS Certification Drug-Free Workplace

Attachment D - DHHS Certification Drug-Free Workplace

DHHS CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS:

GRANTEES OTHER THAN INDIVIDUALS

Instructions for Certification

By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

- 1) This certification is required by regulations implementing the Drug-Free Act of 1988, 2 CFR Part 382. The regulations require certification by grantees that they will maintain a drug-free workplace. The certification set out below is a material representation of fact upon which reliance will be placed when the DHHS determines to award the grant. If it is later determined that the grantee knowingly rendered a false certification or otherwise violates the requirements of the Drug-Free Workplace Act, HHS, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
- 2) Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee shall keep the identity of the workplace(s) on file in its office and make the information available for federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
- 3) Workplace identifications shall include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
- 4) If the workplace identified to DOM changes during the performance of the grant, the grantee shall inform DOM of the change(s), if it previously identified the workplaces in question (see above).
- 5) Definitions of terms in the Non-procurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:
 - "Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. §812) and as further defined by regulation (21 CFR § 1308.11 through § 1308.15);
 - "Conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the federal or state criminal drug statutes;
 - "Criminal drug statute" means a federal or non-federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

6) "Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including (i) all direct charge employees; (ii) all indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and (iii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent Contractors not on the grantee's payroll; or employees of sub recipients or subcontractors in covered workplaces).

The grantee certifies that it will or will continue to provide a drug-free workplace by:

- a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
- b) Establishing an ongoing drug-free awareness program to inform employees about:
 - 1) The dangers of drug abuse in the workplace;
 - 2) The grantee's policy of maintaining a drug-free workplace;
 - 3) Any available drug counseling, rehabilitation, and employee assistance programs; and
 - 0) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
- c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
- d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will:
 - 1) Abide by the terms of the statement; and
 - 1) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
- e) Notifying DOM in writing, within 10 calendar days after receiving notice under paragraph (d) (2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
- f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted:
 - 1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
 - 2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency;
- g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f)

h) Complying with all provisions 2 CFR Part 382.

The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant (use attachments if needed):

- a) Place of Performance (street address, city, county, state, zip code)
- b) Check if there are workplaces on file that are not identified here.

---->NOTE: Sections 76.630(c) and (d) (2) and 76.635(a)(1) and (b) provide that a federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For HHS, the central receipt point is Division of Grants Management and Oversight, Office of Management and Acquisition, HHS, Room 517-D, 200 Independence Ave, S.W., Washington, D.C. 20201

DHHS Certification Debarment, Suspension, and Other Responsibility Matters

Attachment E - DHHS Certification Debarment, Suspension, and Other Responsibility Matters

DHHS Certification Regarding Debarment, Suspension, and Other Responsibility Matters

Primary Covered Transactions

2 CFR Part 376,

(1) The prospective primary participant certifies to the best of its knowledge and belief that it and its principals:

- Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any federal department or agency;
- Have not within a three-year period preceding this bid been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
- Are not presently indicted for or otherwise criminally or civilly charged by a government entity (federal, state or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and,
- Have not within a three-year period preceding this bid had one or more public transactions (federal, state or local) terminated for cause or default.

(2) Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this bid.

Attachment F-
Proprietary Information Form

Attachment F – Proprietary Information Form

Designation of this form is required (Select One)

By designation and your signature below, you indicate that you understand that failure to clearly mark or designate proprietary information within the response to this solicitation as identified may result in disclosure of such information as it will be subject to review by the general public after award of the contract.

For all procurement contracts awarded by state agencies, the provisions of the contract which contain the personal or professional services provided, the price to be paid, and the term of the contract shall not be deemed to be a trade secret, or confidential commercial or financial information, and shall be available for examination, copying, or reproduction.

<input checked="" type="checkbox"/>	<p>Offeror hereby certifies that the complete unredacted copy of its submission may be released as a public record by DOM at any time without notice to vendor. The vendor explicitly waives any right to receive notice of a request to inspect, examine, copy, or reproduce its quote as provided in Mississippi Code Annotated § 25-61-9(1)(a). The submission contains no information vendor deems to be confidential commercial and financial information and/or trade secrets in accordance with Mississippi Code Annotated §§ 25-61-9, 75-26-1 through 75-26-19, and/or 79-23-1. An Offeror who selects this option but submits a redacted copy of its submission may be deemed nonresponsive.</p>
<input type="checkbox"/>	<p>Along with a complete copy of its submission, Offeror has submitted a second copy of the submission document in which all information Offeror deems to be confidential commercial and financial information and/or trade secrets is redacted in black. Offeror acknowledges that it may be subject to exclusion pursuant to Chapter 15 of the PPRB OPSCR Rules and Regulations if DOM or the Public Procurement Review Board determine redactions were made in bad faith in order to prohibit public access to portions of the submission which are not subject to Mississippi Code Annotated §§ 25-61-9, 75-26-1 - 75-26-19, and/or 79-23-1. Vendor - acknowledges and agrees that DOM may release the redacted copy of the submission document at any time as a public record without further notice to the Offeror. An Offeror who selects this option but fails to submit a redacted copy of its submission may be deemed non-responsive.</p>
<p>Each page of the response considered by the respondent to contain trade secrets or other confidential commercial/financial information should be marked in the upper right-hand corner with the word “CONFIDENTIAL” and the related information should be redacted in black. The redacted copy of the submission should be in a single document and shall be clearly labeled “PUBLIC COPY” on the cover page. This copy should be in a searchable Microsoft Word or Adobe Acrobat (PDF) format. To the extent possible, confidential information should be redacted sentence by sentence unless all content on the page is clearly confidential under the law.</p> <p>Any pages not marked accordingly will be subject to review by the general public after the award of the contract. Requests to review the proprietary information will be handled in accordance with applicable legal procedures.</p>	

Failure to clearly identify trade secrets or other confidential commercial/financial information may result in that information being released in a public records request.

Amendment #1 Questions and Answers and Pre-Bid Submission Conference PowerPoint Presentation

Solicitation Name and Number: External Medical Review Consulting IFB#20251031 RFx# 3160007625

This Amendment must be signed and submitted as part of the Invitation for Bid (IFB) response to be considered for this procurement. IFB response deadline is December 12, 2025 by 2:00 p.m.

Question #	RFP Section #	RFP Page #	Question	DOM Response
1	N/A	N/A	What is the current pricing for this scope of work?	<p>The current incumbent pricing is as follows:</p> <ul style="list-style-type: none">• Appeal Review and/or Length of Stay Review: Flat hourly rate of \$150• Medicaid Hearing & Report Preparation: Hourly rate of \$155.
2	1.8	7	Does the single fixed hourly rate specified in the bid, cover all aspects of the service, including the detailed medical review, writing the recommendation, and all time associated with preparation for and attendance at required telephonic hearings?	Yes. The single fixed hourly rate specified in the IFB on the Bid Form is intended to cover all aspects of the required service. As outlined in the Service Description, the hourly rate encompasses Appeal Review, Hearing and Report Preparation.
3	1.10.2	8	What is the most frequently requested medical specialties and percentage of breakdown of reviews by specialty over the past 12 to 24 months?	Please refer to Appendix 2 – Historical Data (pages 40-42) of the IFB for a breakdown of reviews by medical specialties for 2024 and 2025 to date.

4	1.10.2	8	In the event that a specialty physician is not licensed in Mississippi, can the Mississippi licensed physician who must review and sign off on the recommendation be of any specialty?	If the reviewing physician is not of the same specialty as the case, a Mississippi-licensed physician can be of any specialty, however, general practice is preferred to provide the required review and sign-off.
5	1.10.2 and 3.4.14	9 and 20	The text for #4 on Page 9 states, "Bidders shall provide written, detailed validation describing Bidder's ability to meet each of the qualifications and perform the scope of services (no more than 5 pages)." Two questions: 1) Does the Scope of Services include the General Requirements on pages 11-12 AND the System Requirements on pages 13-14, or just the General Requirements? 2) Please clarify the number of pages the bidder has to respond to the Scope of Services section because above it states "no more than five pages," yet Section 3.4.14 - Bid Submission format states: "At the end of each response to an element by the Bidder, the Bidder should type "[END OF RESPONSE]" and leave the remainder of the page blank, beginning the response to the next element on the next page." There are 16 "elements" between the General Requirements (2.1.1.1-2.1.1.11) and System Requirements (2.2.1-2.2.5), plus four (4) "elements" under Minimum Qualifications (pages 8-9). If the bidder follows the Section 3.4.14 guideline, it would require 20 pages to ensure each response falls/begins on its own page.	<p>1) Yes. For purposes of Item #4 on Page 9, the Scope of Services includes both the General Requirements and the System Requirements.</p> <p>2) Section 3.4.14 only relates to the items listed at 1.10.2 Minimum Qualifications (Attachment B: Addendum 1)</p> <ul style="list-style-type: none"> •• 1st Element •• Addendum 1: Minimum Qualifications, 1.10.2(1) Bidders Experience Requirement *add your documentation and then state END OF RESPONSE •• 2nd Element •• Addendum 1: Minimum Qualifications, 1.10.2(2) Bidder Licenses/Certifications * add your documentation and then state END OF RESPONSE •• 3rd Element •• Addendum 1: Minimum Qualifications 1.10.2(4) Bidder's Narrative * add your documentation and then state END OF RESPONSE <p>**The 3rd Element (1.10.2 (4)) is the only element that is limited to no more than 5 pages.</p> <p>Note: For Element 1.10.2(3) Minimum Qualifications References. Follow the required documenting format.</p>

6	1.10.2 (1) and (3)	8	Our company is authorized to provide external reviews in 30+ states which we will identify per 1.10.2 (1). Per 1.10.2 (3), are we required to provide reference contacts for all 30+ states where we're licensed/certified/contracted to provide external reviews?	Please provide 6-8 clients which should include current and/or past clients within the last five years that may be contacted as references, will be sufficient.
7	2	11	What is your criteria for extension? How much advance notice is the contracted company given if it is or isn't extended?	<ol style="list-style-type: none"> 1) An extension is based solely on satisfactory performance of the contracted vendor. 2) If performance is satisfactory, the amended contract will proceed through DOM's internal review process before being submitted to our regulatory board, which requires a minimum one-month approval period. If performance is unsatisfactory, DOM will follow the specific termination clauses outlined in the contract.
8	2.1.1.1	11	Are there specific data integration requirements, API protocols or established DOM systems (e.g., for case intake or claims processing) that the Contractor's secured portal must interface with, or is the Contractor expected to provide a fully independent standalone system for all case management and data exchange?	The Contractor is expected to provide an independent, standalone system that DOM personnel will utilize for all case management and data exchange.
9	2.1.1.1	12	It is stated the number of reviews "vary from month to month." Can you provide an average number of reviews to be performed per month?	A month to month estimate of review requests vs hearings has been included with Appendix 2 - Historical Data as part of Amendment 1, Questions and Answers.
10	2.1.1.1	12	It is stated the number of reviews "vary from month to month." Can you provide a total volume of cases performed in 2024? Total volume of hearings?	A month to month estimate of reviews has been included with Appendix 2 - Historical Data as part of Amendment 1, Questions and Answers.

11	2.1.1.2	12	<p>It is stated "<i>includes a copy</i> of any and all medical criteria or clinical guidelines..." Can you elaborate what the expectation is for "including a copy?"</p>	DOM Appeals will give you a policy to review to uphold or overturn the managed care organizations' denials. If you have any additional references that you utilized in making the determination, DOM Appeals would like those listed and on hand in case of a hearing. Our priority is that the policy and criteria provided from the managed care organization is applied properly to the medical case.
12	2.1.1.2	11	Can the DOM provide bidders with a sample of a determination or a sample format expected for a determination?	Yes, A sample format will be provided with Amendment 1, Questions and Answers.
13	2.1.1.3	11	Section 2.1.1.3 states that copies or active links to referenced documents must be included with recommendations. Many clinical references are proprietary, require subscriptions, and cannot legally be redistributed. Will DOM allow vendors to cite these resources without providing full copies due to copyright and royalty restrictions?	The vendor should only utilize references that can be provided to DOM and hearing attendees via PDF related to their determination reviews, if necessary.
14	2.1.1.4	11	If active links lead to subscription based resources that DOM staff cannot access without a license, will DOM consider alternative documentation methods?	The vendor should only utilize references that can be provided to DOM and hearing attendees via PDF related to their determination reviews, if necessary.
15	2.1.1.5	11	In situations that extension on the submission deadline is needed, can extensions be granted? If so, what is the length of extension?	Yes, an extension may be granted when necessary; however, such instances are expected to be rare. In general, no more than an additional week should be needed. All determinations are expected to be submitted in a timely manner.
16	2.1.1.5 and 2.1.1.6		What is the historical annual volume of completed reviews by turnaround time? (ie: standard vs expedited).	There are typically only 2-4 expedited requests per year.

17	2.1.1.7	12	Please provide an estimate on the number of telephonic hearings per year and how many there were in 2024 and 2025.	An estimate of review requests vs hearings has been included with Appendix 2 -Historical Data as part of Amendment 1, Questions and Answers.
18	2.1.1.8	12	Please clarify what DOM defines as the "appropriate training by DOM staff" referenced in section 2.1.1.8. What training content is included?	<p>The IFB incorrectly stated that DOM Appeals would conduct training for the Medical Reviewers. This was an error and shall be corrected in Amendment 2.</p> <p>The Contractor will be responsible for all training related to Medical Review and Hearing functions and must ensure that all Medical Reviewers within DOM's network receive this training. DOM does not prescribe the training methods or timeframes and allows the Contractor full discretion in determining how the training is delivered. The Contractor must maintain training records and provide them to DOM upon request. Required training should include:</p> <ul style="list-style-type: none"> • Appeals and Hearing processes and de corum • Requirements for timely and efficient reviews, including flexibility in scheduling • Confidentiality and HIPAA compliance.
19	2.1.1.8	12	How long does the required DOM training take to complete, and what is the method of delivery?	See answer to number 18.

20	2.1.1.8	12	Given that our reviewers are all active clinical practices and may not always be available at the exact hearing times requested- especially when hearings are scheduled on short notice- will DOM allow reasonable scheduling flexibility?	Yes. DOM will make reasonable efforts to accommodate scheduling needs; however, clinical reviewers should maintain sufficient flexibility to ensure hearings are completed in a timely manner. Federal regulations require that beneficiary hearings be concluded within 90 days of receipt by the Office of Appeals, and scheduling must support compliance with these requirements.
21	2.1.1.9	12	Section 2.1.1.9 requires the Contractor to provide a certified biller/coder's review upon request from the Office of Appeals. Our organization performs coding reviews but not billing reviews. Will DOM confirm whether billing review is a mandatory requirement for this contract, or if coding-only reviews are acceptable?	Yes, a certified biller/coder review is required on cases where a specialized biller/coder review is necessary.
22	2.1.1.11	12	What is the formal, written process for obtaining "prior approval" from the Office of Appeals to extend a deadline?	Requests for prior approval must be submitted by email to DOM's Appeal Contact Person. Any such requests must be made promptly, as timeliness in submitting determinations is essential.
23	2.2	12	What are the average frequency and length of telephonic hearings?	The length of the hearings are typically 1 to 1.5 hours with some lasting up to 3 hours on a rare occasion. A medical reviewer may provide the statement and be examined and does not have to attend the full hearing. A month to month estimate of review requests vs hearings has been included with Appendix 2 - Historical Data as part of Amendment 1, Questions and Answers.

24	2.2	12	Are all Medical Providers who participate on this contract expected to complete the DOM training for hearings? What is the length of the training, and how is it conducted? Also, can the training be done at any time?	See answer to number 18.
25	2.3	14	What components of this contract require travel, if any?	Travel is not required. All hearings are conducted by telephonic call-in, with video hearings occurring only in very rare occurrence.
26	2.3	14	Will medical providers and/or staff be required to travel to Mississippi or elsewhere for any reason?	See answer to number 25.
27	2.3	14	If DOM requires travel to be included, can DOM clarify typical travel expectations and historical frequency of required in-person attendance?	See answer to number 25.
28	2.3	14	Will DOM allow virtual participation in place of in-person travel when appropriate?	See answer to number 25.
29	3.4	16	What is the current incumbent pricing?	See answer to number 1.
30	Attachment B - Bid Form	25	What are the hourly rates of the current vendor?	See answer to number 1.

31	Attachment B – Bid Form Certifications #5	26	<p>Can the Division confirm what "applicable licenses" will be necessary for the bidder to have or secure? For example: an Independent Review Organization (IRO) license from the Mississippi Department of Insurance. And does this include any accreditations or certifications, such as URAC?</p>	<p>Attachment B - Bid Form Certification #5 refers to applicable licensed and certified personnel who are qualified to perform the duties required under the IFB.</p> <p>For the organization, DOM will require the Contractor to hold URAC Accreditation – Independent Review Organization (Comprehensive Review).</p> <p>In addition, accreditation by NCQA for Utilization Management is preferred but not required.</p> <p>Amendment 2, will amend this language.</p>
----	---	----	--	---

Written answers provided for the questions are binding. Questions and answers shall become part of the final contract as an attachment. This Amendment must be signed and submitted as part of IFB to be considered for this procurement.

Amendment #2 - Clarifications
External Medical Review Consulting
IFB #20251031 RFX #3160007625

Date: November 26, 2025

This Amendment must be signed and submitted as a part of any bid to be considered for this procurement. The following sections of IFB #20251031 have been amended for the following:

2.1.1.8 (General Requirements) Medical Providers must be flexible in their availability for hearings related to the case. ~~Medical Providers shall receive the appropriate training by DOM staff regarding the amount of detail required in the recommendations and have knowledge of appropriate conduct when testifying on the Contractor's behalf in the hearings.~~ Any Out-of-State Medical Providers must be available during the regular business hours of Central Standard Time. The Contractor will be responsible for all training related to Medical Review and Hearing functions and must ensure that all Medical Reviewers within DOM's network receive this training. DOM does not prescribe the training methods or timeframes and allows the Contractor full discretion in determining how the training is delivered. The Contractor must maintain training records and provide them to DOM upon request. Required training should include:

- Appeals and Hearing processes and decorum
- Requirements for timely and efficient reviews, including flexibility in scheduling
- Confidentiality and HIPAA compliance.

1.10.2 (3) References

From the list of engagements provided at **IFB Section 1.10.2 (1)**, the Bidder shall provide reference contacts for ~~all engagements~~ **6-8 clients which should include current and/or past clients within the last five years that may be contacted as references.**

1.10.2 (2) Bidder Licenses/Certifications

Medical Providers

Bidder must warrant that all physicians (the "Medical Providers") providing medical recommendations and attending hearings possess the necessary licenses and board certifications required to perform the services and will maintain current and valid credentials throughout the duration of the engagement. Each Medical Provider shall be licensed to practice in Mississippi. If a specialty physician is not licensed in Mississippi, a Mississippi licensed physician must review and sign off on the recommendation. The Bidder must provide a list of all participating Medical Providers and attest that they meet these licensure and board certification requirements. The Bidder must also attest that the Medical Providers have the relevant experience in the specialty and detail the number of years of experience. While DOM prefers at least two (2) years of experience, there is no minimum experience requirement for Medical Providers. If

a Medical Provider has no prior experience in the specialty area, the Bidder should state 'None' or '0' years for that provider.

Bidder Company

DOM will require the Contractor to hold URAC Accreditation – Independent Review Organization (Comprehensive Review). In addition, an accreditation by NCQA for Utilization Management is preferred but not required.

The bid due date remains unchanged: December 12, 2025, by 2:00 p.m.

This Amendment must be signed and submitted as part of any bid submission to be considered for this procurement.

AMENDMENT #3 – CLARIFICATION CHANGE TO BID DUE DATE

EXTERNAL MEDICAL REVIEW CONSULTING

IFB #20251031 RFX #3160007625

Date: December 9, 2025

Due to an administrative error, the following sections of IFB #20251031 have been amended.

1. COVER PAGE is modified as follows: Bid Response Deadline: Friday, December 1219, 2025, at 2:00 p.m. CST.
2. 1.3 Procurement Timeline: Figure 1.1: Procurement Timetable is modified as follows:

Date	Process
10/31/2025	Release of Invitation for Bid
11/14/2025	Mandatory Letter of Intent (by 2:00 p.m.)
11/17/2025	Pre-Bid Conference (10:00 a.m.)
11/19/2025	Written Questions Deadline (by 2:00 p.m.)
11/26/2025	Anticipated Date of Posting Written Answers (by 5:00 p.m.)
<u>12/12/2025</u> 12/19/2025	Bid Deadline (by 2:00 p.m.)
1/02/2025	Anticipated Date of Notice of Intent to Award
2/04/2026	Public Procurement Review Board meeting date (proposed)
2/09/2026	Anticipated Contract Start

3. 1.6 Bid Submission Requirements is modified as follows:

Bids shall be submitted electronically through a **SharePoint site ONLY** maintained by DOM **by 2:00 p.m. CST, Friday, January 16, 2026.**

4. Attachment A – Bid Cover Sheet IFB #: 20251031 is modified as follows:

Bids shall be submitted electronically through a **SharePoint site ONLY** maintained by DOM **by 2:00 p.m. CST, Friday, January 16, 2026**, on or before **2:00 p.m., CST.**

5. Attachment H – Bidder’s IFB Response Checklist is modified as follows:

BIDDER NAME: MLS Group of Companies, LLC				N/A
MANDATORY LETTER OF INTENT				
1	IFB Attachment I - Mandatory Letter of Intent (Signature Required) submitted to procurement@medicaid.ms.gov .			
On or before due date: <i>Friday, November 14, 2025, by 2:00 p.m. CST</i>				
SHAREPOINT REGISTRATION VERIFICATION				
2	Bidder verifies receipt of previous SharePoint registration for Bid Submission and has accessed the site. (Assistance must have been requested at least two (2) business days prior to due date.)			
BID SUBMISSION PACKET				
Due Date Friday, January 16, 2026, by 2:00 p.m. CST				
3	a	Attachment A – Bid Submission Cover Sheet (Signature Required)		
	b	Attachment B – Bid Form (Signature Required)		
	c	Attachment B – Addendum 1: Minimum Qualifications Adhere to required information to be submitted and submission format.		
	d	Attachment C – Contract Draft Acknowledgement		
	e	Attachment D – DHHS Certification Drug-Free Workplace (Signature Required)		
	f	Attachment E – DHHS Certification Debarment, Suspension, and Other Responsibility Matters (Signature Required)		
	g	Attachment F – Proprietary Information Form (Signature Required) If redacted copy is submitted, it is clearly marked “Public Copy”. Submitted in searchable format and not password protected. Provide the required indication for Public Records release.		
	h	Attachment G – References You must provide references and DOM must be able to contact at minimum two (2) references within 3 days of bid opening.		
	i	Attachment H – Bidder’s IFB Response Checklist (Signature Required)		
	j	Attachment I – All Amendments (if applicable) must be acknowledged and returned with bid submission.		
	k	Follow the bid submission format for all required documents. Ensure each page of the bid and attachments are numbered and identified as detailed in 3.4.14.		
4	Unredacted and redacted bid responses (if vendor submits a redacted copy) MUST be submitted via SharePoint ONLY as separate PDF files. Both files must be in a searchable format and must not include any embedded web links. Bid submissions must be received by the due date and time. Email submissions will not be accepted.			
	Submission Due Date and Time: <i>Friday, January 16, 2026, by 2:00 p.m. CST</i>			

This Amendment must be signed and submitted as part of any bid submission to be considered for this procurement.

[END OF RESPONSE]

AMENDMENT #4
External Medical Review Consulting

IFB #20251031

Issued December 24, 2025
Revised IFB – Re-submission of
IFB Bids

RE-SUBMISSION DUE DATE: Friday, January 16, 2026, by 2:00 p.m.

This Amendment serves as formal notice that the Mississippi Division of Medicaid (DOM) is providing a new submission deadline for Invitation for Bid (IFB) #20251031 for External Medical Review Consulting services due to various submission deficiencies. Only bidders that submitted a Letter of Intent by the original deadline of November 14, 2025, are eligible for this re-submission of bid allowance.

Pursuant to Section 3.10 of the IFB, DOM expressly reserves the right to reject any and all bids, in whole or in part, when it is determined to be in the best interest of the agency. To ensure fair and open competition, DOM has elected to reject all bids and allow for re-submission of responses to the IFB.

As further clarification, DOM has revised Attachment H, Bidder's IFB Response Checklist to further assist bidders with preparing their bid submission.

To be a responsive and responsible bidder, the following conditions must apply:

- Bidders must adhere to all required formats, minimum qualifications, and submission requirements as stated in the IFB and its amendments.

In accordance with PPRB Section 5.7.3, DOM will not retain the original bid submissions in the Agency Procurement files. All original bids will be deleted. Only enough information necessary to support the decision to reject the bids will be retained. Therefore, bidders are free to make any adjustments they would like for the new submission deadline.

Please refer back to IFB and all Amendments before submitting bid responses.

Failure to submit a responsive bid may result in the rejection of the bid.

Bidder's SharePoint access will be reinstated until the revised IFB submission deadline of *Friday, January 16, 2026, by 2:00 p.m.*

Remainder Of This Page Intentionally Left Blank

This Amendment must be signed and submitted as a part of any bid to be considered for this procurement. The following sections of IFB #20251031 have been amended for the following:

1. COVER PAGE is modified as follows: Bid Response Deadline: ~~Friday, December 12¹⁹, 2025~~,
Friday, January 16, 2026, at 2:00 p.m. CST.
2. 1.3 Procurement Timeline: Figure 1.1: Procurement Timetable is modified as follows:

Date	Process
10/31/2025	Release of Invitation for Bid
11/14/2025	Mandatory Letter of Intent (by 2:00 p.m.)
11/17/2025	Pre-Bid Conference (10:00 a.m.)
11/19/2025	Written Questions Deadline (by 2:00 p.m.)
11/26/2025	Anticipated Date of Posting Written Answers (by 5:00 p.m.)
12/12/2025 - 12/19/2025 1/16/2026	Bid Deadline (by 2:00 p.m.)
1/02/2025 - 1/30/2026	Anticipated Date of Notice of Intent to Award
2/04/2026 - 3/4/2026	Public Procurement Review Board meeting date (proposed)
2/09/2026 - 3/9/2026	Anticipated Contract Start

3. 1.6 Bid Submission Requirements is modified as follows:

Bids shall be submitted electronically through a **SharePoint site ONLY** maintained by DOM by 2:00 p.m. CST, ~~Friday, December 12¹⁹, 2025~~ **Friday, January 16, 2026**.

4. Attachment A – Bid Cover Sheet IFB #: 20251031 is modified as follows:

Bids shall be submitted electronically through a **SharePoint site ONLY** maintained by DOM by 2:00 p.m. CST, ~~Friday, December 12¹⁹, 2025~~, **Friday, January 16, 2026**.

5. Attachment H – Bidder’s IFB Response Checklist is modified to further clarify submission requirements and emphasize the importance of completing a fully compliant IFB response.

Attachment H – Bidder’s IFB Response Checklist

Please review this checklist to ensure that you have properly followed the instructions. Many proposals are rejected due to respondents simply failing to comply with the required preparation and submission requirements. All Attachments are to remain unmodified.

BIDDER NAME:		
	<input checked="" type="checkbox"/>	N/A
MANDATORY LETTER OF INTENT		
1	IFB Attachment I - Mandatory Letter of Intent (Signature Required) submitted to procurement@medicaid.ms.gov . On or before due date: Friday, November 14, 2025, by 2:00 p.m. CST Only vendors who submitted the Mandatory Letter of Intent by the original deadline are permitted to participate in this re-submission of the IFB.	
SHAREPOINT REGISTRATION VERIFICATION		
2	Bidder verifies receipt of previous SharePoint registration for Bid Submission and has accessed the site. Bidder’s SharePoint access will be reinstated until the revised IFB submission deadline of	

		<p>Friday, January 16, 2026, 2:00 p.m. (Assistance must have been requested at least two (2) business days prior to due date.)</p>		
BID SUBMISSION PACKET				
Due Date Friday, January 16, 2026, by 2:00 p.m. CST				
3	a	<p>Attachment A – Bid Submission Cover Sheet (Signature Required)</p> <ul style="list-style-type: none"> • A cover page is required for each Attachment subsection. The cover page for each subsection of the Bid must include the IFB#, the name of the Bidder and the Attachment letter and title. All information must be presented in the same order and format as described in section 3.4.14 Bid Submission Format. 		
	b	<p>Attachment B – Bid Form (Signature Required)</p> <ul style="list-style-type: none"> • All pages of the Bid Form must be submitted and signed by an authorized person. All six questions regarding your company must be answered and included with Bid response. Refer to pages 25-28 of the IFB. 		
	c	<p>Attachment B – Addendum 1: Minimum Qualifications</p> <p>Adhere to required information to be submitted and submission format.</p> <ul style="list-style-type: none"> • For the Minimum Qualifications, the header of each page should indicate the corresponding element to which the page is responsive. For instance, Addendum 1: Minimum Qualifications, 1.10.2(1) Bidder Experience Requirement. • For Minimum Qualification 1.10.2 (2) - Amendment #2 – Clarification: DOM will require the Contractor to hold URAC Accreditation – Independent Review Organization (Comprehensive Review). • Ensure that all lists, narratives and/or attestations for each of the four (4) minimum qualification elements are answered or provided. 		
	d	<p>Attachment C – Contract Draft Acknowledgement</p> <ul style="list-style-type: none"> • By signing the acknowledgement to Attachment C, the Bidder affirms acceptance of Appendix 3 – Contract draft; including the terms, conditions, and obligations set forth therein, and agrees to be bound by the provision on the contract as finalized. As noted in the Bid Form the bidder has read, understands and agrees to all provisions of this IFB without reservation and without expectation of negotiation. 		
	e	<p>Attachment D – DHHS Certification Drug-Free Workplace (Signature Required)</p> <ul style="list-style-type: none"> • All pages of Attachment D form must be included in bid response. No modifications are allowed. 		
	f	<p>Attachment E – DHHS Certification Debarment, Suspension, and Other Responsibility Matters (Signature Required)</p> <ul style="list-style-type: none"> • All pages of Attachment E form must be included in bid response. No modifications are allowed.

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Good afternoon Ms. Crawford and Ms. Harrison,

Since Amendment 3 extended the bid response deadline for IFB#20251031 from December 12, 2025 (2 PM CT) to December 19, 2025 (2 PM CT), do bidders need to request access to the SharePoint site again, or is our access extended until December 19, 2025, at 2 PM CT? The reason I ask is that I received an email notification today regarding “Access to IFB 20251031 EMRC - **IMPROve Health Access Package has ended on December 11, 2025.**”

Please advise. Thank you.

Susan

Hello Ms. Garcia,

Hello Ms. Garcia,

Thank you for your message. Access to SharePoint has already been granted to the two individuals your organization originally submitted on your Letter of Intent. As outlined in the instructions, each bidder may designate up to two users, and that limit has been reached for your organization. Would you like to replace one of the submitted emails to be your email address? The two emails you provide are the only users authorized to access SharePoint for submitting your bid documents.

Hi Candace,

Our records indicate that you were able to sign in on November 18, 2025.

You would have gotten this information in an invitation email. Do you recall receiving this?

Please accept this invitation using the “Accept Invitation” button below so that you can access the RFP Submissions site for the MS Division of Medicaid. You will also be required to set up Multi-Factor Authentication before your access is granted to the upload folder. The document submission site can be found at

<https://msmedicaid.sharepoint.com/sites/RFPSubmissions>

Thanks.

Hello Ms. Daigle,

The Division of Medicaid (DOM) is in receipt of your Mandatory Letter of Intent for the *External Medical Review Consulting* solicitation.

Please note that, pursuant to IFB Section 3.4.14, **Bid Submission Format (page 20)**, “*Modifications or additions to any portion of the procurement document may be cause for rejection.*” Therefore, all bidders are required to use the solicitation forms **exactly as provided in the IFB** and **without modification**.

To participate in the bid process for this solicitation, you must **resubmit the Letter of Intent using the IFB Attachment I – Mandatory Letter of Intent form exactly as provided** in the IFB before the deadline. The Letter of Intent does not need to include a cover sheet or be resubmitted with the full bid response on **December 12, 2025**, as the Mandatory Letter of Intent is due separately by its specified due date.

Sincerely,

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear Ms. Crawford and the Mississippi Division of Medicaid Procurement Team,

On behalf of **Acentra Health**, thank you for the opportunity to participate in the **External Medical Review Consulting (IFB #20251031)** solicitation.

After careful consideration, we have decided **not to submit a bid** for this solicitation. The anticipated volume of work, required system modifications, and turnaround expectations together create operational challenges that make it difficult to provide our services efficiently

and cost-effectively under this scope.

We sincerely appreciate being invited to bid and remain very interested in continuing our collaboration with the Department on future opportunities that align more closely with our existing systems and resources.

Sincerely,

John McCandlish

[EXTERNAL EMAIL]

Hello Ms. Pasqualone,

The Pre-bid Conference invite should go out today. The access to SharePoint will be given to all after the Letter of Intent deadline has passed, which is tomorrow at 2:00. Access may not be given immediately but it will go out shortly after the deadline. Once access is given you will be sent an email from our IT department.

I hope this helps.

Good afternoon, Ms. Crawford,

Could you please let me know when we can expect to receive the Teams link for the Pre-Bid Conference on Monday, November 17, at 10:00 AM (CT)?

Some of the team members listed below will be traveling on Monday, and we'd like to be prepared to participate in the conference via Teams or by calling in.

If you could provide us with the Teams link with call-in information by Friday, November 14th, we'd greatly appreciate it.

Also, could you please let me know when Meri and I will receive the access information for the SharePoint site so I can send a **Test Document** before uploading our proposal?

Thank you for your attention to these matters.

Regards,

Susan

MEMORANDUM

To: Physio Solutions LLC dba medlitix

From: Mississippi Division of Medicaid Office of Procurement

Date: January 22, 2026

Re: Clarification to IFB #20251031, External Medical Review Consulting

The Mississippi Division of Medicaid (DOM) has completed an initial review of your submission in response to the External Medical Review Consulting solicitation. Clarification is required to fully evaluate compliance with the Minimum Qualifications outlined in the Invitation for Bids (IFB).

Please provide the information requested below:

Minimum Qualifications:

1.10.2(1) Bidder Experience Requirement

- Provide a list of past and/or current engagements for which bidder performed similar services similar in scope and nature to those required under this solicitation.

1.10.2(2) Bidder Licenses/Certifications:

- Provide a list of all participating Medical Providers and attest that each provider meets the required licensure and board certification requirements as specified in the IFB.

This clarification must be signed and submitted to procurement@medicaid.ms.gov, no later than 5:00 p.m., January 22, 2026, to be considered for this bid. Failure to submit the requested information and the signed clarification by the stated deadline may result in the bid being eliminated from further consideration.

If you have any questions concerning the information above or if we can be of further assistance, please contact Jeanette Crawford at 601-359-2664.

Re: Clarification Response - IFB #20251031, External Medical Review Consulting

medlitix respectfully submits this clarification response to the Mississippi Division of Medicaid regarding our submission for IFB #20251031, External Medical Review Consulting. We appreciate the opportunity to provide additional information regarding our qualifications and capabilities.

1. BIDDER EXPERIENCE REQUIREMENT (1.10.2(1))

Medlitix has extensive experience performing external medical review services for Medicaid programs and similar government healthcare programs. Our organization maintains active Independent Review Organization (IRO) certifications and accreditations in 29 states across the United States.

Current Medicaid External Review Engagements

Medlitix currently provides external medical review services for Medicaid programs in the following states, demonstrating our proven capability to deliver high-quality, compliant review services similar in scope and nature to those required under this solicitation:

Pennsylvania Medicaid External Review Services

Medlitix holds multiple active certifications in Pennsylvania, including Pennsylvania Independent Review Organization certification through the Bureau of Health Coverage, Access, Administration, and Appeals. We perform external reviews of Medicaid managed care adverse determinations, including medical necessity reviews, experimental/investigational treatment determinations, and pharmacy benefit reviews. Our Pennsylvania engagement involves review of complex cases across multiple specialties including behavioral health, specialty pharmacy, and advanced therapeutic treatments.

Ohio Medicaid External Review Services

As a certified Independent Review Organization through the Ohio Department of Insurance, Medlitix provides external review services for Ohio Medicaid managed care plans. Our services include independent medical reviews of coverage denials, treatment authorization requests, and appeals of adverse benefit determinations. We maintain compliance with Ohio Administrative Code requirements and CMS External Review standards.

Kentucky Medicaid External Review Services

Medlitix is certified as an Independent Review Entity through the Kentucky Department of Insurance and provides external review services for Kentucky Medicaid managed care organizations. Our review services encompass medical necessity determinations, prior authorization appeals, and coverage dispute resolutions across a broad range of medical specialties and treatment modalities.

Texas Medicaid External Review Services

In Texas, Medlitix operates as a certified External Medical Review Organization through Texas Health and Human Services and as an Independent Review Organization through the Texas Department of Insurance. We conduct external reviews for Texas Medicaid managed care plans, including comprehensive medical necessity reviews, pharmacy benefit determinations, and behavioral health service appeals. Our Texas operations demonstrate our ability to handle high-volume review programs while maintaining strict quality standards and regulatory compliance.

Additional Relevant Experience

Beyond our direct Medicaid program experience, Medlitix maintains active IRO certifications in 35 additional states, providing external review services for ERISA health plans, state-regulated insurance products, and workers' compensation programs. This extensive experience across diverse regulatory environments and payer types demonstrates our organizational capability to adapt to varied program requirements while maintaining consistent quality and compliance standards.

2. BIDDER LICENSES/CERTIFICATIONS (1.10.2(2))

Participating Medical Providers - Summary

Medlitix maintains a comprehensive panel of board-certified medical professionals representing all major medical specialties. Our provider network includes physicians, specialists, and allied health professionals, all holding active, unrestricted licenses in their respective states of practice. See attached spreadsheet.

Provider Licensure and Certification Attestation

Physio Solutions LLC dba Medlitix hereby attests and certifies the following regarding all participating medical providers in our network:

1. All participating physicians hold active, unrestricted medical licenses in their respective states of practice. Each physician's license is verified and maintained in good standing with no disciplinary actions or restrictions.
2. All participating physicians are board-certified in their primary specialty through the appropriate American Board of Medical Specialties (ABMS) member board or equivalent certifying organization. Board certifications are current and maintained through required continuing medical education and recertification processes.

3. Providers holding subspecialty certifications have completed appropriate fellowship training and maintain active board certification in those subspecialty areas through the relevant certifying boards.
4. All allied health professionals (Nurse Practitioners, Physician Assistants, Registered Dietitians, Physical Therapists, Occupational Therapists, etc.) hold active, unrestricted licenses and certifications as required by their respective state licensing boards and professional organizations.
5. Medlitix maintains a comprehensive credentialing system that includes initial verification of all licenses and certifications, ongoing monitoring of license status, and regular re-credentialing cycles to ensure continued compliance with all licensure and certification requirements.
6. All providers are required to maintain professional liability insurance with minimum coverage limits as specified in the IFB requirements, and proof of insurance is verified during the credentialing process.
7. No participating provider has any sanctions, exclusions, or debarments from federal healthcare programs (Medicare, Medicaid) or state healthcare programs, as verified through the HHS Office of Inspector General List of Excluded Individuals/Entities (LEIE) and state Medicaid exclusion lists.

Medlitix employs rigorous credentialing procedures that include primary source verification of all medical licenses, board certifications, education credentials, and professional references. Our credentialing staff conducts quarterly monitoring of license status through state medical board databases and the National Practitioner Data Bank to ensure ongoing compliance and immediate identification of any changes in provider status.

Complete documentation of all provider licenses, board certifications, and credentialing files is maintained on-site and is available for inspection by the Mississippi Division of Medicaid at any time. We stand ready to provide detailed credentialing documentation for any or all providers in our network as requested.

We trust this clarification response fully addresses the requirements outlined in your request. Should you require any additional information or documentation, please do not hesitate to contact us directly.

MEMORANDUM

To: Physio Solutions LLC dba medlitix

From: Mississippi Division of Medicaid Office of Procurement

Date: January 22, 2026

Re: Clarification to IFB #20251031, External Medical Review Consulting

The Mississippi Division of Medicaid (DOM) has completed an initial review of your submission in response to the External Medical Review Consulting solicitation. Clarification is required to fully evaluate compliance with the Minimum Qualifications outlined in the Invitation for Bids (IFB).

Please provide the information requested below:

Minimum Qualifications:

1.10.2(1) Bidder Experience Requirement

- Provide a list of past and/or current engagements for which bidder performed similar services similar in scope and nature to those required under this solicitation.

1.10.2(2) Bidder Licenses/Certifications:

- Provide a list of all participating Medical Providers and attest that each provider meets the required licensure and board certification requirements as specified in the IFB.

This clarification must be signed and submitted to procurement@medicaid.ms.gov, no later than 5:00 p.m., January 22, 2026, to be considered for this bid. Failure to submit the requested information and the signed clarification by the stated deadline may result in the bid being eliminated from further consideration.

If you have any questions concerning the information above or if we can be of further assistance, please contact Jeanette Crawford at 601-359-2664.

Clarification #1 Acknowledged:

Minimum Qualifications:

1.10.2(1) Bidder Experience Requirement

We appreciate the opportunity to further elaborate on our qualifications for providing independent external medical review services in the administrative appeals process. As previously stated, MLS Group proudly exceeds the minimum requirement of five (5) years of experience, having been a national provider of these critical services since 1996. Our nearly three decades of service demonstrate extensive experience performing administrative appeals processes for numerous healthcare organizations, insurance carriers, and state and federal agencies across all 50 states.

- Experience Duration: 28+ years of experience in providing relevant services.
- Geographic Scope: We serve clients in all 50 states, ensuring familiarity with diverse regulatory environments and compliance standards.
- Annual Volume: We consistently complete approximately 2,100 relevant reviews per year, underscoring our capacity and efficiency.

To further demonstrate our expertise and directly address the requirement for a list of past and/or current engagements for which MLS Group has performed similar services, we'd like to provide a couple of examples of our impactful partnerships:

Our long-standing relationships and ongoing work with various entities highlight our capacity to deliver services precisely in line with the scope and nature of this solicitation.

- Mississippi Department of Medicaid (DOM): For over a decade, MLS Group has maintained a robust and continuous partnership with the Mississippi DOM. In this capacity, we have consistently provided independent external medical review services essential to their administrative appeals process. Our engagement has encompassed a comprehensive range of reviews, ensuring impartiality and expertise in navigating complex medical necessity and coverage determinations for beneficiaries within the state's Medicaid program. This long-term relationship underscores our reliability, adaptability, and deep understanding of state-level healthcare regulations and administrative appeal mechanisms.
- State of Oklahoma: MLS Group is a current and active provider of independent external medical review services for the State of Oklahoma. Our ongoing engagement involves conducting rigorous reviews within the administrative appeals framework, supporting the state government and its agencies in making equitable and evidence-based decisions regarding healthcare services. Our work in Oklahoma is consistent in nature and scope with the requirements outlined in this IFB, demonstrating our continuous operational excellence and ability to manage significant volumes of appeal effectively.

These examples offer a glimpse into our broad portfolio of engagements. They serve to illustrate our established proficiency, operational scale, and deep commitment to providing high-quality, independent external medical review services that are directly applicable to the administrative appeals processes of healthcare organizations.

We are confident that our comprehensive experience and demonstrated engagements align perfectly with the requirements of this IFB. Should you require further details on specific engagements or our process, we are readily available to provide additional information.

IFB response deadline is January 16, 2026 by 2:00 p.m.

Question #	IFB Section #	IFB Page #	Question	DOM Response
1	Attachment A and Section 3.4.14	Page 1 and IFB Page 19	<p>Attachment A states: "A PDF file with the naming convention below should be used when submitting the electronic files to the SharePoint site. File Name: BIDDER'S NAME HERE – EXTERNAL MEDICAL REVIEW CONSULTING, and IFB page 19 (Section 3.4.14) states: The one combined searchable PDF file should be uploaded in SharePoint with the file name: IFB #, BIDDER'S NAME, EXTERNAL MEDICAL REVIEW CONSULTING."</p> <p>Question: Which requirement is correct? Should the file name of the one-combined searchable PDF file include the IFB number or not?</p>	<p>Yes. The file name of the one combined searchable PDF file must include the IFB number when submitted to the SharePoint site. Bidders should follow the naming convention outlined in IFB page 19, Section 3.4.14. IFB #, BIDDER'S NAME, EXTERNAL MEDICAL REVIEW CONSULTING.</p>
2	Amendment 4 Revised Attachment H	Page 3 3a	<p>3a states: "A cover page is required for each Attachment subsection."</p> <p>Question: The word <i>subsection</i> is unclear. Do you mean that before each Attachment, you want the bidder to include a cover page? If so, should the bidder include a cover page for Attachment A or just start the proposal with Attachment A (as the Bid Cover Sheet), and then create a cover page for Attachments B through I?</p>	<p>Yes. Attachments A through I are the Attachment subsections referenced in the IFB. Bidders must include a cover page for Attachment A and each attachment thereafter.</p>
3	Amendment 4 Revised Attachment H	Page 3 3c	<p>The first bullet of 3c states: "For the Minimum Qualifications, the <i>header of each page</i> should indicate the corresponding element to which the page is responsive. For instance, Addendum 1: Minimum Qualifications, 1.10.2(1) Bidder Experience Requirement."</p> <p>Question: Is the Minimum Qualifications section the only section in which the DOM requires specific wording to be stated in the header of each page? Please clarify if you want specific wording in the header of each page for any other section of the proposal. That is, for all the other Attachments, does DOM want the headers to be blank (no logos, no wording)?</p>	<p>Yes. The Minimum Qualifications section is the only section that requires a header identifying the specific element to which the bidder is responding. All other sections of the proposal will include a cover page, and no specific header wording is required for other sections of the proposal.</p>
4	Amendment 4 Revised Attachment H	Page 3 3c	<p>The second bullet of 3c states: "For Minimum Qualification 1.10.2 (2) - Amendment #2 – Clarification: DOM will require the Contractor to hold URAC Accreditation – Independent Review Organization (Comprehensive Review)."</p> <p>Question: Do you want the bidder to include a copy of its URAC certificate in this section?</p>	<p>URAC Accreditation is required; however, submission of the URAC certificate is not required at the time of bid response. DOM may request documentation of accreditation at a later time.</p>
5	N/A	N/A	<p>Question: Should the bidder change the submission date from December 12, 2025, to January 16, 2026, on any signed documents that are included with its proposal?</p>	<p>Yes. DOM issued Amendment #4, which established a revised bid submission deadline of January 16, 2026. Bidders must ensure that all proposal documents requiring signatures reflect this updated submission date.</p>

Written answers provided for the questions are binding. Questions and answers shall become part of the final contract as an attachment.

This Amendment #6 must be signed and submitted as part of IFB to be considered for this procurement.

Receipt of Amendment #6 Acknowledged:

MEMORANDUM

To: OPSCR
From: Jeanette Crawford
Procurement Officer, Mississippi Division of Medicaid
Date: February 3, 2026
Re: External Medical Review Consulting IFB#20251031 RFx3160007625
Section 5.5.4 Minor Informalities

In accordance with PPRB Section 5.5.4, Minor Informalities, which states that "Any Agency waiving or allowing correction of a minor informality shall make a written determination that the issue constitutes a minor informality as described herein," the Mississippi Division of Medicaid (DOM) has identified and waived the following minor informalities.

1) Mandatory Letter of Intent – MES Peer Review Services

DOM received an email submission from MES Peer Review Services indicating its intent to submit a bid in response to IFB #20251031. The submission was received prior to the Mandatory Letter of Intent deadline of November 12, 2025, at 2:00 p.m.; however, the required IFB Mandatory Letter of Intent form was not used.

Subsequently, MES Peer Review Services submitted a corrected Mandatory Letter of Intent using the required form prior to the close of business on November 12, 2025. In accordance with PPRB OPSCR Rules and Regulations Section 5.5.4, DOM accepted the corrected submission.

2) Change to Letter of Intent Email Address – MCMC Services

On November 24, 2025, DOM received a request from MCMC Services to update the email address listed on its Mandatory Letter of Intent for purposes of SharePoint access. DOM updated the access to reflect theresa.garcia@mcmcllc.com and removed access for Emmanuel Kabiritsi, as requested.

3) Amendment 4 Posting Delay

On December 24, 2025, DOM issued Amendment 4, *Re-Submission of Bid*. The amendment was added in MAGIC and posted on DOM's website in accordance with PPRB Rules and Regulations. Due to technical issues beyond DOM's control within the Procurement Portal, visibility of the amendment in the portal was delayed.

DOM has retained the related email correspondence with the Department of Finance as documentation of when the amendment should have been available in the Procurement Portal.

4) Submission Format Informalities

While the IFB required bidders to adhere to the specified submission formats, several bidders did not strictly follow the prescribed format. However, the required information was clearly identifiable and complete, and the deviations did not affect the substance of the bids, provide a competitive advantage, or impact DOM's ability to evaluate the responses.

5) Clarification to Physio Solutions dba medlitix

The bidder did not explicitly state the number of years of experience in its submission. However, the bidder attested to meeting the minimum five (5) years of experience requirement by signing the bid form, and a contacted reference confirmed nine (9) years of experience with the bidder. This omission did not affect the evaluation and is therefore considered a minor informality, as documented in this memo.

6) Outlook Outages

Outlook experienced a nationwide service outage on January 22, 2026, the date clarifications were due. Both bidders were able to successfully resend their clarification responses the following morning. The delay was outside the control of the bidders, was applied uniformly, and did not affect competition, the responsiveness of the bids, or provide a competitive advantage to either bidder. DOM's iTech Division issued an outage notification regarding this event; a copy of that notification is attached to this memo.

Determination

DOM has determined that the informalities described above constitute minor informalities as defined in PPRB OPSCR Rules and Regulations Section 5.5.4. These issues represent insignificant deviations that may be waived or corrected without prejudice to other bidders and have a negligible effect on price, quantity, quality, delivery, or contractual conditions.
