

OLTSS will be sending quarterly updates providing you with Need to Know Info, Helpful Clarifications, Reminders & Late Breaking News.

Attention E&D Providers

Administrative Code Part 208 Training has been updated based on feedback from providers. The updated versions are linked on the HCBS Providers Website linked below.

[HCBS Waiver Providers - Mississippi Division of Medicaid](#)

Notable Updates Include:

- Clarifications on Change of Ownership (CHOW)
- Clarification on Background Check Requirements
- HHA FAQs added to the PCS/IHR training
- Clarifications on Business Line of Credit Requirements
- Settings requirements for Adult Day Care
- Links added for MS Homecare Providers Association

Please review these presentations to ensure your agency is updated. As a reminder, all providers are required to obtain a Part 208 training certificate.

If you have any questions, you may submit them using the Frequently Asked Questions Form and your feedback will be used in the next quarterly update. [E&D Provider Frequently Asked Questions](#)
